On The Edge Political Cults Right And Left

Dennis Tourish, Tim Wohlforth

On The Edge Political Cults Right And Left:

On the Edge Dennis Tourish, Tim Wohlforth, 2000-08-30 This is the first book to document the extent of political cults on both the right and left and explain their significance for mainstream political organizations The authors outline the defining characteristics of cults in general and analyze the degree to which a variety of well known movements fall within the spectrum of cultic organizations The book covers such individuals and groups as Lyndon LaRouche Fred Newman Ted Grant Marlene Dixon the Christian Identity movement Posse Comitatus Aryan Nation militias and the Freemen It explores the ideological underpinnings that predispose cult followers to cultic practices along with the measures cults use to suppress dissent achieve intense conformity and extract extraordinary levels of commitment **On the Edge** Dennis Tourish, Tim Wohlforth, 2015-05-22 This is the first book to document the extent of political cults on both the right and left and explain their significance for mainstream political organizations The authors outline the defining characteristics of cults in general and analyze the degree to which a variety of well known movements fall within the spectrum of cultic organizations The book covers such individuals and groups as Lyndon LaRouche Fred Newman Ted Grant Marlene Dixon the Christian Identity movement Posse Comitatus Aryan Nation militias and the Freemen It explores the ideological underpinnings that predispose cult followers to cultic practices along with the measures cults use to suppress dissent achieve intense conformity and extract extraordinary levels of commitment **The Darkest Sides of Politics, II** Jeffrey M. Bale, 2017-10-04 This book examines a wide array of phenomena that arguably constitute the most noxious extreme terrifying murderous secretive authoritarian and or anti democratic aspects of national and international politics Scholars should not ignore these dark sides of politics however unpleasant they may be since they influence the world in a multitude of harmful ways The second volume in this two volume collection focuses primarily on assorted religious extremists including apocalyptic millenarian cults Islamists and jihadist terrorist networks as well as CBRN chemical biological radiological and nuclear terrorism and the supposedly new nexus between organized criminal and extremist groups employing terrorist operational techniques A range of global case studies are included most of which focus on the lesser known activities of certain religious extremist milieus This collection should prove to be essential reading for students and researchers interested in understanding seemingly arcane but nonetheless important dimensions of recent historical and contemporary politics *Case Studies in Political Leadership* George R. Goethals, Scott T. Allison, 2025-05-14 This illuminating book explores a broad range of case studies on political leadership from across the globe Expert authors analyze examples of leadership ranging from 3 500 BCE to the present day evaluating ethical and effective aspects of leadership **Food Cults** Kima Cargill, 2016-12-01 What do we mean when we call any group a cult Defining that term is a slippery proposition the word cult is provocative and arguably pejorative Does it necessarily refer to a religious group A group with a charismatic leader Or something darker and more sinister Because beliefs and practices surrounding food often inspire religious and political fervor as well as function to unite people

into insular groups it is inevitable that food cults would emerge Studying the extreme beliefs and practices of such food cults allows us to see the ways in which food serves as a nexus for religious beliefs sexuality death anxiety preoccupation with the body asceticism and hedonism to name a few In contrast to religious and political cults food cults have the added dimension of mediating cultural trends in nutrition and diet through their membership Should we then consider raw foodists many of whom believe that cooked food is poison a type of food cult What about paleo diet adherents or those who follow a restricted calorie diet for longevity Food Cults explores these questions by looking at domestic and international contemporary and historic food communities characterized by extreme nutritional beliefs or viewed as fringe movements by mainstream culture While there are a variety of accounts of such food communities across disciplines this collection pulls together these works and explains why we gravitate toward such groups and the social and psychological functions they serve This volume describes how contemporary and historic food communities come together and foment fanaticism judgment charisma dogma passion longevity condemnation and exaltation

Infantilised: How Our Culture Killed Adulthood Keith J.

Hayward,2024-06-27 Infantilised How Our Culture Killed Adulthood is the definitive grown up s guide to a cultural landscape predicated on the primacy and constancy of youth Transformation and Crises Thomas Ekman Jørgensen,2008 The Left in the 1960s and 1970s has a powerful almost mythical place in the history of the 20th century It was during these decades that the radical Left managed to renew the language of socialism as an alternative to communism and liberalism alike but also when radicalism often led to extremism and social movements turned into political sects Focusing on the Left in Denmark and Sweden during those turbulent decades this study pays close attention to the political language in the two countries and shows the constant challenge to the concepts of the Left in the face of rapid social cultural and political changes The precarious relationship between the Left and the nation serves as a starting point for the exploration of the development of the New Left after the break with communism the subsequent student revolts and radicalization of the late 1960s until the movement s apparent collapse at the end of the 1970s This book illustrates the challenges the Left was facing in its attempt to articulate a credible political language at a time of social cultural and political transformation

Transformations and Crises Thomas Ekman Jørgensen,2008-10-01 The Left in the 1960s and 1970s has a powerful almost mythical place in the history of the 20th century It was during these decades that the radical Left managed to renew the language of socialism as an alternative to communism and liberalism alike but also when radicalism often led to extremism and social movements turned into political sects Focusing on the Left in Denmark and Sweden during those turbulent decades this study pays close attention to the political language in the two countries and shows the constant challenge to the concepts of the Left in the face of rapid social cultural and political changes The precarious relationship between the Left and the nation serves as a starting point for the exploration of the development of the New Left after the break with communism the subsequent student revolts and radicalization of the late 1960s until the movement s apparent collapse at the end of the 1970s This book

illustrates the challenges the Left was facing in its attempt to articulate a credible political language at a time of social cultural and political transformation Business Education and Training Samuel M. Natale, Anthony F. Libertella, 2003 This is the ninth volume in an enlightening series on clashing values in the worlds of business and education Containing papers co published with the Oxford Centre for the Study of Values in Education and Business this volume traces the most recent changes in both areas of study Through its focus on the latest advances in technology and their impact upon universities and the world market this work provides insight into current dialogues on values between universities businesses and technology Publisher website The Far Left in Australia since 1945 Jon Piccini, Evan Smith, Matthew Worley, 2018-07-11 The far left in Australia had significant effects on post war politics culture and society The Communist Party of Australia CPA ended World War II with some 20 000 members and despite the harsh and vitriolic Cold War climate of the 1950s seeded or provided impetus for the re emergence of other movements Radicals subscribing to ideologies beyond the Soviet orbit Maoists Trotskyists anarchists and others also created parties and organisations and led movements All of these different far left parties and movements changed and shifted during time responding to one political crisis or another but they remained steadfastly devoted to a better world This collection bringing together 14 chapters from leading and emerging figures in the Australian and international historical profession for the first time charts some of these significant moments and interventions revealing the Australian far left s often forgotten contribution to the nation s history Escaping Utopia Janja Lalich, Karla McLaren, 2017-09-01 We think of cults as bizarre inexplicable or otherworldly places that only strange people inhabit but cults and other abusive and high demand groups and relationships are actually quite commonplace In fact the behaviors social pressures and authoritarian structures that create cults exist to a greater or lesser extent in every human relationship and every human group In the first in depth research of its kind the author interviewed sixty five people who were born in or grew up in thirty nine different cultic groups spanning more than a dozen countries What s especially interesting about these individuals is that they each left the cult on their own without outside help or internal support In Escaping Utopia Growing Up in a Cult Getting Out and Starting Over the authors craft Lalich s original and groundbreaking research into an accessible and engaging book the first of its kind focusing on this particular population **Understanding New Religious Movements** John A Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes

a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible **Drumbeat** John Martino,2021-05-03 As the twenty first century unfolds society is confronted with the normalization of warfare and political violence and their growing allure for the young Current global political events highlight the extent to which young people have become the target of both State and non State actors in the prosecution of war and terror The conduct of what we can refer to as social war has increasingly come to target the young through media social media the internet and video games and more directly through acts of violence the massacre of children the reliance on child soldiers and the use of children in martyrdom operations as legitimate forms of conduct The appropriation of the young as political and military materials through the processes of both radicalization and militarization warrants close examination Drumbeat examines these issues within the context of the ongoing process of militarization and the establishment of a state of perpetual warfare The book distinguishes between radicalization which refers to the application of propaganda and ideological methods by non State agents and militarization which refers to the application of propaganda and ideological methods by State agents in order to effectively prosecute war The focus of this book will be an examination of the mechanisms through which forms of media and other digital and web based artefacts social media video and video games assist in the militarization and radicalization of the young There is a growing body of evidence which points to the effectiveness of various forms of media in both the recruitment of young people and the promotion of ideological frames For example non State actors extremist religious groups and the Alt Right have been highly effective in appropriating new media to project their propaganda messages and their appeal to young people The book also argues that militarization has become a powerful societal force which is re configuring the daily conduct of life in the West Just as radicalization seeks to prepare the young for the conduct of war militarization also functions to position the broader society for war This is a new form of the civilizing process to which Norbert Elias referred In this context new media provides the conduits through which this process is legitimized celebrated and promulgated **Future West** William Henry Katerberg,2008 What is the future of the American West This book look at works of utopian dystopian and apocalyptic science fiction to show how narratives of the past and future powerfully shape our understanding of the present day West **Politics Between Nations** Adebowale Akande,2023-06-27 This multidisciplinary volume examines the meaning of global conflict and cooperation by international actors that can be caused by dis or misinformation to people and discusses how to build diplomacy for peace and regional cooperation The book further identifies boundaries of the relationships among the various governments of the world transatlantic alliances international organizations non governmental organizations transnational corporations and the overall interdependence of nations in the making of the modern world Topics discussed in this volume include diplomacy international relations theory Eurasia politics European Union Brexit Taliban taking over of Kabul government and the ongoing Afghanistan conflict terrorism ISIS and Al

Qaeda international law international organizations interstate and intrastate war threats and challenges global civil society religion and culture The volume advances contemporary theories and concepts to explain these issues concerning peoples and cultures in the complex world we live in The book is a must read for students researchers and scholars of international relations political science political history political geography economics and law in general as well as diplomacy political communication and security studies in particular

Revolution in Psychology Ian Parker, 2007-06-20 A radical methodological approach to psychology that is open to social change in an anti capitalist anti racist and feminist politics Antonio Negri Psychology is meant to help people cope with the afflictions of modern society But how useful is it Ian Parker argues that current psychological practice has become part of the problem rather than the solution Ideal for undergraduates this book deconstructs the discipline to reveal the neoliberal sensitivities that underlie its theory and practice Psychology focuses on the happiness of the individual Yet it neglects the fact that the happiness of the individual depends on their social and political surroundings Ian Parker argues that a new approach to psychology is needed He offers an alternative vision outlining how the discipline can be linked to political practice and how it can help people as part of a wider progressive agenda This groundbreaking book is at the cutting edge of current thinking on the discipline and should be required reading on all psychology courses

Ernest Mandel Jan Willem Stutje, 2020-05-05 Ernest Mandel 1923 1995 was one of the most prominent anti Stalinist Marxist intellectuals of his time A political theorist and economist his worldview was shaped by experiences in the Second World War as an underground political activist in Occupied Belgium and during his subsequent internment in a Nazi prison camp Mandel s faith in human nature and in the working classes survived Nazi oppression and the murder of much of his family in the concentration camps He retained his connection to his Jewish roots throughout his life but believed that security and liberation for the Jewish people was best achieved through world revolution and universal emancipation rather than nationalism A brilliant orator in several languages Mandel was an indefatigable revolutionary militant and a key leader in the Fourth International and he had an enormous impact on the thought and practice of the 1968 generation His writings range from innovative economic and political theory to a study of the Second World War and have been published in over forty languages His last major work Late Capitalism had an influence that reached from the social sciences into the humanities Biographer Jan Willem Stutje the first writer with access to Mandel s archives has interviewed many of the leading figures in the story and unearthed a wealth of new material detailing Mandel s arrest by the Nazis and his role in Latin American guerrilla warfare He recounts Mandel s interactions with both scholars Sartre Ernst Bloch Perry Anderson and comrades in arms such as Che Guevara Rudi Dutschke and Tariq Ali The book also yields fascinating details of the man s sometimes tragic private life

Maurice Thorez John Bulaitis, 2018-04-30 Maurice Thorez 1900 1964 was a major figure in the history of twentieth century France and European Communism for over three decades Under his leadership the French Communist Party PCF became France s largest political party and one of the most important communist parties in the

West Born in a mining village Thorez left school at the age of 12 and would go on to helm the PCF in a rapid rise that paralleled Stalin's consolidation of power in the Soviet Union After World War II he became a minister and briefly deputy prime minister before the Cold War excluded communists from political power The PCF became known as the party of Maurice Thorez as a leader cult around Thorez was created that mirrored the cult of personality around Stalin This book is based on a wealth of original source material including Thorez's diaries and notebooks John Bulaitis outlines how Thorez's political life intersected with and was shaped by key historical events At its heart the book explores the paradox of the mass communist movement in France its ability to fuse attachment to the French nation with fervent loyalty to the Soviet Union and Stalinist practices **Fortnight** ,2003 Hardbroiled Tom Sweeney,Robert Lopresti,2002-11-01 Fourteen delicious private eye tales guaranteed to whet the appetite for detection The private eyes in these stories face delicious dangers savory sins and tasty temptations and the bad guys always get their just desserts

On The Edge Political Cults Right And Left Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading On The Edge Political Cults Right And Left free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading On The Edge Political Cults Right And Left free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading On The Edge Political Cults Right And Left free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions

of their work, but its essential to be cautious and verify the authenticity of the source before downloading On The Edge Political Cults Right And Left. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading On The Edge Political Cults Right And Left any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About On The Edge Political Cults Right And Left Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On The Edge Political Cults Right And Left is one of the best book in our library for free trial. We provide copy of On The Edge Political Cults Right And Left in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On The Edge Political Cults Right And Left. Where to download On The Edge Political Cults Right And Left online for free? Are you looking for On The Edge Political Cults Right And Left PDF? This is definitely going to save you time and cash in something you should think about.
