### **On The Eve Of Adam Gods Ancient Plan For Lucifers Defeat:**

On the Eve of Adam J. R. Church, 2003-08 This book will take you on a journey through the pages of the Old Testament and reveal God's plan for the defeat of Lucifer      **The Genesis Revelation Connection: the Scroll** Anthony

Lyle, 2018-09-05 This is a combination of commentary on Genesis and Revelation and how they are tied together by the Jubilee Year in the Bible and by the deed to the earth scroll in Revelations This book will explain how the plan of God was to free us from the enslavement of Satan through history and how God has always been forthright in revealing his plans for mankind as opposed to a common belief that God has shrouded the history in mysteries It includes many world history events that are not included in the Bible to pull together a full understanding of the history of mankind from the perspective of God Included are items from archaeology that verify and validate the Bible as a history It gives a brief interpretation of the coming years of Revelation from a world perspective Included are viewpoints from other researchers as well such as Velikovsky David Rohl and George Roux The intent is to give a variety of sources so that the reader can come to their own conclusions      **The Devil's Redemption : 2 Volumes** Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

**Lucifer's War** Linda Rios Brook, 2012-10-02 Something Has Gone Terribly Wrong in Our World Two thousand years after the cross evil continues to brutalize and pillage in every nation and no one appears able to do very much about it Why has the church made so little progress While Satan lost his authority to rule on the earth he did not lose his power Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore what we must do to win it Lucifer's War offers a detailed historical examination of Satan the demon gods who are aligned with him and their ancient struggle with God over humanity While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause believers must acknowledge what has not worked and pursue a different strategy that will This book will change the way you pray equip you to understand the times we are living in and prepare you for what may happen next and what you can do about it      *The Coming Financial Revolution* Buck Stephens, 2005-12 You hold in your hands a clear practical guide to reorganizing your finances so that you can obtain true financial freedom and wealth in your life The Coming Financial Revolution is based upon biblical principles teaching you how to have more money but more importantly how to do the right thing with it This book will Give you practical tools to effectively manage your money Show

you the basics of good money management Help you understand how to create a budget Teach you how to manage credit debt Explain the best ways to invest Show you how to plan your estate      *Aliens and the Antichrist* John Milor,2006-09  
*Aliens and the Antichrist* is a riveting prophetic Bible commentary highlighting over seven hundred scriptures documenting the existence relevance and significance of extraterrestrial life While unfolding the enigma of extraterrestrial life learn the facts about the fall of Lucifer and his angelic kingdom that once existed on Earth before Adam and Eve the rapture of the church the rise and fall of the Antichrist the second coming of Christ and the millennial reign of Christ the Nephilim human angel hybrids of Genesis 6 and their relationship with the Antichrist the realms of heaven and hell and the origin of dinosaurs Cro Magnon and Neanderthal Numerous other topics are also touched upon such as civilizations on Mars and elsewhere in the universe the unique topic of cosmic salvation the existence of Atlantis psychic abilities astral projection the existence of ghosts artificial intelligence and more We of Earth are on the verge of the conclusion of an ancient war amid countless beings of unfathomable power a war that has spanned across the eons across innumerable galaxies across dimensions and it s all coming to an end on this little planet Soon the world will know that aliens are real but the truth about their existence is only the beginning For those interested in receiving the full revelation from the Bible about who they are where they come from why they come and what they want this is the book to read      *Love Is the Greatest Conqueror* Ray Fourie,2009-07 Brad Fisher came from a strict Christian home His parents were concerned that Brad s relationship with his non Christian girlfriend had become a stumbling block and he was no longer committed to God as he used to be For his seventeenth birthday they gave him an air ticket to visit Brad s fathers brother a missionary in Southern Africa With much trepidation and anger he departs to Africa This is a story of a teenager who is exposed to a relationship with the Lord and learns to trust God Set in the Zambezi Valley Brad comes face to face with Africa s fiercest wild animals and when his uncle and cousin take him on a trip to deliver bibles to a mission station in Mozambique they are captured by blood thirsty bandits The three of them experience God s love as never before Near death the three of them put their trust in God and watch as God s love defeats the enemy and after witnessing so many miracles Brad sees God s power at work Brad left America an immature teenager and returns a young man Ray Fourie was born and educated in Rhodesia which is now called Zimbabwe He spent years in the Territorial Army fighting against communist guerrillas Ray as well as being in secular work where he had his own company now works for an International Christian Ministry He has spent twenty two years working with the same ministry He now lives in England      **Return of the Stargods** Richard Vizzutti,2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to

his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read *The Secrets of the Gods* Claudiu Gilian,2017-03-22 What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the territory of today s Romania Are Lucifer and Adam the same character Is Noah s Ark one of the Giza pyramids Is the Great Pyramid an interdimensional travel device Was the prophet Abraham a descendant of the Akkadian emperor Sargon the Great Was Moses really Pharaoh Akhenaton Is there an unseen war between the Aryan and Semitic races Did Alexander the Great discover the source of life in Dacia Did Pharaoh Tutankhamun s family practice black magic Does the Asteroid Belt come from the Mariana Trench Are the fallen angels at the top of the Masonic pyramid Is time travel possible Is the Apocalypse an event of the past Was Jesus possessed All these questions and many more can be answered by *The Secrets of the Gods* a secret history of the world based on the decoding of ancient myths as well as on the results of modern scientific research A unique and controversial interpretation of universal history which brings to the general public the secrets of the gods until now reserved only for the initiated *Secrets of a Supernatural World* Buck Stephens,2011-03-01 Revelation From a Near Death Experience compares elements of Scripture science and personal revelation received during a near death experience which leads you to understand why things are the way they are why you are you and what your earthly and eternal purpose is With a touch of good humor uncharted territories are explored rarely discussed in today s churches through megabytes of Scriptural and personal revelation If you have ever wondered any of the following this book is your answer If God created the world and He is an all knowing God why did He create Lucifer who would rebel against Him and become the devil Why did He create Adam and Eve if He knew they would fail If God is love how

can He allow evil in the world Who is Jesus anyway and why would His death save me Don t all religions lead to God What about the aliens and the UFOs that have supposedly visited us What about angels and demons can we see them Is there such a thing as the supernatural Revelation From a Near Death Experience provides the answers to life s hardest questions

**The Fall of Lucifer** Carole Cummings,2024-06-10 Before the earth existed Lucifer was created by God as a perfect and beautiful cherub His four faces represent the image of the man the lion the eagle and the ox His two sets of wings and outer garment or covering of brightly shimmering gems and even gold was glorious With these magnificent attributes and perfection God the Father elevated Lucifer to a position of power After becoming prideful and obsessed with himself Lucifer sinned and attacked heaven with his army of angels Jesus described the scene saying I saw Satan fall like lightning from heaven Luke 10 18 Satan took his angels and cherubim with him Revelation 12 4 How could sin change this favored cherub into what is described as an evil dragon or serpent His sin as in all sins separated him from God Without God doing what is right is impossible Satan s idea of right no longer coincided with God s point of view For example Satan was now able to lie God will never lie Numbers 23 19 There is much written about Satan his fallen angels the fallen angels offspring and the demonic forces he controls With scripture as our anchor we will explore Apocryphal books legends across the globe and archeological records to confirm what the Bible says about Satan Even the unspoken record found in the names of stars The zodiac and decan constellations have much to reveal about this enemy of God and man Find out what Satan does not want you to know

**It Is All About Love** Eric E. Redic,2016-07-18 It Is All About Love is the result of years of study much prayer and research into God and His word Many differing opinions exist concerning who God is as well as the significance of His covenant The purpose of this book is to provide clear evidence from scripture that the entire covenant from its earliest expressions to its final fulfillment is nothing less than Gods effort to restore and protect His creation Beginning in Genesis the covenant is examined to reveal its true purpose as well as humanities relationship to it Aspects of the covenant that have been misunderstood by some will become clear as by the light of Gods word they reveal the Promised Seed prophesied from the beginning to crush the serpents head and ultimately restore us back to the image of God and Earth back to the garden God created it to be The covenant reveals God as He is the fullness of true love The covenant unmasked in the light of Gods word reveals Jesus as the fullness of the covenant From that tree in the midst of that first garden to the covenants festivals feasts sacrifices and even the tabernacle erected in the wilderness a clear picture develops of Gods love and desire to save and restore us to Himself Every portion of the covenant is a revelation of Jesus Christ and His love It Is All About love

**The Deliberate Design of Destiny** Theodore A. Green,2009-05-06 Ps 71 1 In thee O LORD do I put my trust let me never be put to confusion The Deliberate Design of Destiny incorporates the great and courageous recent works of intelligent design scientists into a workable theory This book answer the Who What When Where Why and How of creation from the Intelligent Design perspective Understand the mystery kept secret since the world began Rom 16 25 The world blunders in

confusion because largely the academic and industrial science institutions confuse the origins of human destiny and purpose Their aversion to faith and their exclusion of God confuses their efforts to understand this Mystery keep secret since the world began The Deliberate Design of Destiny explores the reason people society and nations do not comprehend creation s design and purpose and become doomed to confusion and chaos It explains how this ignorance allows the enemy of God to manipulate the world of men unto a destiny of destruction      **Prophetic Manual (Vol 1)** Amos Horton,2015-12-17 This Prophetic Manual Vol I book has but one purpose to inform and educate all who read and study it It is best effective with the purchase of the workbook My prayer is that churches would take and study this information as needed knowledge for the body of Christ May it be used for bible studies as a form of informative training increasing the knowledge of both pulpit and audience After reading this manual you will not just know the mysteries of the creation but you will know why you know the mysteries of creation      **The Greatness of God** Charles Frank Thompson,2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today      The Father's Secret Billy Boyd Lavender,2021-07-30 Like sands through an hourglass there will come a time when our Father in heaven will reveal the secret that only he holds not the Son nor the angels but the Father only That moment in this day and the hour that no one knows will occur in the twinkling of an eye Within a very short period after this not to exceed several months the Antichrist will sign a seven year peace treaty between Israel and the Arab nations The signing of this peace treaty begins the earth s last 1007 year countdown The first mention of this peace treaty is found in Daniel 9 27 In hindsight we can understand why it made Daniel sick since the vision was given to him centuries before Christ was born Daniel and the Revelation of Christ to John are closely related and chronologically explain these 1007 years When the Father s secret is revealed the generation of believers alive at that time will be changed to immortality and

into an imperishable body suited for the New Jerusalem and eternity      **The Jesus Tree Ornaments** Garry R. **The Why Series** Sam Tollett,2021-06-22 What I love about the Bible is you don t have to wait until the book of Matthew to discover Jesus God has intentionally planted Jesus in the Old Testament from the very beginning When you begin to read the Old Testament with Jesus tinted lenses then it becomes incredible at what you discover I relate looking for Jesus in the Old Testament to digging gold in an old abandoned gold mine When you dig up a piece of gold you don t want to quit You are inspired to dig harder and dig deeper to find more You catch gold fever I have found when people no longer see the Old Testament as an old abandoned part of the Bible and begin to dig for Jesus what they will discover is a wealth of Jesus gold When this happens they catch the Jesus Fever
