The Dundurn Group The Dundurn Group, *Secrets in High Places* Jay Innes, 2003 *On the Money Trail*, 2003 American Book Publishing Record, 2003 **Federal Government's Response to Money Laundering** United States. Congress. House. Committee on Banking, Finance, and Urban Affairs, 1993 **Green Criminology** Rob White, Diane Heckenberg, 2014-02-03 Over the past ten years the study of environmental harm and crimes against nature has become an increasingly popular area of research amongst criminologists This book represents the first international comprehensive and introductory text for green criminology offering a concise exposition of theory and concepts and providing extensive geographical coverage diversity and depth to the many issues pertaining to environmental harm and crime Divided into three sections the book draws on a range of international case studies and examples and looks at the conceptual and methodological foundations of green criminology before examining in detail areas of environmental crime and harm and how they are addressed including climate change and social conflict abuse and harm to animals threats to bio diversity pollution and toxic waste environmental victims environmental regulation law enforcement and courts environmental forensic studies environmental crime prevention Green Criminology is packed with pedagogical features including dialogue boxes case examples discussion questions and lists of further reading and is perfect for students around the world engaged with green criminology and crime against the environment **The Limits of Asset Confiscation** Johan Boucht, 2017-06-01 This book provides a normative analysis of the justifications and limits of asset confiscation as a crime control measure in a comparative perspective More specifically it deals with what in this context is referred to as extended appropriation that is confiscation in cases where the causal link between the property the proceeds of crime in question and the predicate offence is less obvious Particular focus is placed on extended criminal confiscation and civil recovery These forms of confiscation give rise to a number of complex legal issues The overarching purpose of the book is to provide an analysis of the nature of extended appropriation within the criminal justice system and to discuss a normative framework that may assist in assessing the legitimacy of such confiscation schemes It also seeks to explore what a fair and reasonable balance between the interests of the state and those of the individual in this field might look like The analysis starts from an acknowledgement not only of the need for having effective confiscation regimes in place but also of the need for protecting the interests of the individual It is hoped that the book will stimulate further discussion on the legitimacy of asset recovery as a crime control measure The Path to Peace Laure Paquette, 2003 By taking into account strategic interactions it is possible to predict and therefore to foster more peaceful relations among and within states Strategy provides a useful forecasting tool for relations between various types of actors individuals groups non governmental organizations states international organization of states that are fraught or otherwise difficult Finally although strategy is initially a difficult form of analysis the individual steps are not its powers for helping to cope with uncertainty and the unexpected can be harnessed for the greater common good The

present book proposes a step by step method for the analysis of events of international significance At the core of this proposal is the notion that values and action are the two basic building blocks of all human behavior including those of actors on the international stage Values are timeless universal uncontroversial notions that virtually every community cherishes survival justice economy self fulfillment or self respect pub description *Threat Convergence at the Border* United States.
