**Scattering Seed in Teaching** Brian G. Pickerd, 2016-02-02 Jesus calls each of us to live in a way that gives the Father glory shares his love with everyone around us and reflects the life of Jesus He invites us to scatter seed Scattering seed can be a challenge though especially in our public lives our professional lives and volunteer lives Those of us called to teach in some way feel the challenge deeply We seek to share knowledge experiences

and life lessons with a broad and varied group of people and do it in a way that shares Christ's love. Often life curriculum challenges and student chemistry threaten to derail our best laid plans. When this happens it's easy to be distracted from our purpose or even to forget that our life calling is the same as our calling to teach. *Scattering Seed in Teaching* is about returning to that call or perhaps connecting with it for the first time. It shares stories, interviews and observations of teachers and students learning about scattering seed. It connects with biblical reminders and encourages us as teachers to reflect on and remember that underlying our professional call to teach is our life call; they are one and the same to scatter seed.

*The Alphabet Versus the Goddess* Leonard Shlain, 1999-09-01. This groundbreaking book proposes that the rise of alphabetic literacy reconfigured the human brain and brought about profound changes in history, religion, and gender relations. Making remarkable connections across brain function, myth, and anthropology, Dr. Shlain shows why pre-literate cultures were principally informed by holistic, right-brain modes that venerated the Goddess, images, and feminine values. Writing drove cultures toward linear, left-brain thinking, and this shift upset the balance between men and women, initiating the decline of the feminine and ushering in patriarchal rule. Examining the cultures of the Israelites, Greeks, Christians, and Muslims, Shlain reinterprets ancient myths and parables in light of his theory. Provocative and inspiring, this book is a paradigm-shattering work that will transform your view of history and the mind.

*Intimacy* Nicole Jarrett, 2023-10-04. How many persons would do anything to meet the person they most admire, their favorite movie star, celebrity, superhero? To even get to have a relationship with these persons or those who play the roles is next to impossible. These popular personalities hardly pursue or try to know or build a relationship on a one-on-one basis with their fans. Yet the most important being ever known, the Creator of the world, is seeking out eager to know His admirers, fans, and loyal followers. God, the Creator of heaven and earth, wants to know you. He loves you. He has prepared a life for you and is preparing for you in eternity. *Intimacy: Priceless Times with God* is designed to testify to you about how Nicole Jarrett discovered a lasting relationship with God. As she traverses the terrain of Christianity, she found that Christianity was not a routine and ritualistic event but a relationship of meaningful fulfillment. It is a privilege called to action by the Creator, God, through guidance from

the Holy Spirit She discovered that life is a gift meant to be victorious The victorious life needs victorious people The book is designed to strengthen the Christian and bring clarity to their walk of faith Let the love that Christ extends to you be your guiding compass Too many believers are wavering about their identity in Christ which impacts their daily actions speech and thoughts Victory comes through faith in and through Christ Jesus This faith allows you to believe and find a resting place in God This faith establishes a peace stance which ricochets from the heart position of the Christian Therefore this Christian begins to pursue the God of the Bible that is pursuing them As the Christian journeys through the salvation long walk they develop a care less trust for the Trinity This care less trust builds a faithful walk of obedience in Christ In Intimacy Priceless Times with God Nicole speaks about the reality of the walk in Christ and the need to pace yourself and take baby steps All the pillars as she calls the chapters are intertwined designed to work together to build a lasting foundation of boldness and confidence of the believer *Understanding the Social World of the New Testament* Dietmar Neufeld, Richard E.
