

The question of the existence of God and the nature of God is inherent in the human mind and has been from the beginning of time. For this reason, one cannot hold a neutral belief about God. Whatever your definition of God may be, you are in relationship with that definition. Even if you claim you do not believe in a Creator, then that is your relationship – one of disbelief. All are participating in a process that involves some level of connection or disconnection to the Original Source.
