different ways It s fast it s fun and it s effective And despite its playful appearance Head First Java is serious stuff a complete introduction to object oriented programming and Java You ll learn everything from the fundamentals to advanced topics including threads network sockets and distributed programming with RMI And the new second edition focuses on Java 5 0 the latest version of the Java language and development platform Because Java 5 0 is a major update to the platform with deep code level changes even more careful study and implementation is required So learning the Head First way is more important than ever If you ve read a Head First book you know what to expect a visually rich format designed for the way your brain works If you haven t you re in for a treat You ll see why people say it s unlike any other Java book you ve ever read By exploiting how your brain works Head First Java compresses the time it takes to learn and retain complex information Its unique approach not only shows you what you need to know about Java syntax it teaches you to think like a Java programmer If you want to be bored buy some other book But if you want to understand Java this book s for you **Java on Smart Cards: Programming and Security** Isabelle Attali,2001-05-23 This book constitutes the thoroughly refereed post proceedings of the First International Java Card Workshop held in Cannes France in September 2000 The 11 revised full papers presented were carefully reviewed and selected for inclusion in the book together with one invited paper All current theoretical and application oriented aspects of smart card security based on Java Card language programs are addressed **AUUGN** ,1996-10 Computerworld ,1996-06-03 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **AUUGN** ,1996-10 Malaya & Dutch East Indies 1941–42 Mark Stille,2020-10-29 This illustrated study explains how Japan s all conquering air forces spearheaded the invasions of Malaya and the Dutch East Indies and stunned the defending British Dutch and American forces Japan s attack on Pearl Harbor in 1941 was quickly followed by a rapid invasion of Malaya a plan based entirely on the decisive use of its airpower While the British was inadequately prepared they likewise relied on the RAF to defend their colony The campaign was a short match between Japanese airpower at its peak and an outgunned colonial air force and its results were stunning The subsequent Dutch East Indies campaign was even more dependent on airpower with Japan having to seize a string of island airfields to support their leapfrog advance Facing the Japanese was a mixed bag of Allied air units including the Dutch East Indies Air Squadron and the US Far East Air Force The RAF fell back to airfields on Sumatra in the last stages of the Malaya campaign and was involved in the last stages of the campaign to defend the Dutch colony For the first time this study explores these campaigns from an airpower perspective explaining how and why the Japanese were so devastatingly effective **On The Missionary Trail** Tom Hiney,2011-06-30 This is the strange and wondrous story of an eight year voyage and a mission to save souls Their mission started in the South Seas where they reported scenes of chiefs surfing perpetual warfare and a sudden surge of Christianity From there they went

via New Zealand Australia and its aboriginal hinterland through the Orient to India and slave ridden Mauritius Based on contemporary journals mission reports letters and illustrations and bursting with character and anecdote ON THE MISSIONARY TRAIL is both the enthralling narrative of the longest missionary voyage ever undertaken and a colourful detailed eye opening snapshot of little known worlds set against the wider picture of evangelism and guilt heroism and humanity **They Fought With What They Had: The Story of the Army Air Forces in the Southwest Pacific, 1941-1942** Walter Dumaux Edmonds,1951 **Cruise of the Lanikai** Kemp Tolley,2014-01-15 In early December 1941 in the Philippines a young Navy ensign named Kemp Tolley was given his first ship command an old 76 foot schooner that had once served as a movie prop in John Ford s The Hurricane Crewed mostly by Filipinos who did not speak English and armed with a cannon that had last seen service in the Spanish American War the Lanikai was under top secret presidential orders to sail south into waters where the Japanese fleet was thought to be Ostensibly the crew was to spy on Japanese naval movements but to Tolley it was clear that their mission was to create an incident that would provoke war Events overtook the plan however when Pearl Harbor was bombed before the Lanikaicould get underway When Bataan and Corregidor fell she was ordered to set sail for Australia and became one of the few U S naval vessels to escape the Philippines In this book Tolley tells the saga of her great adventure during these grim early days of the war and makes history come alive as he regales the reader with details of the operation and an explanation of President Roosevelt s order Tolley s description of their escape in Japanese warship infested waters ranks with the best of sea tales and few will be able to forget the Lanikai s 4 000 mile three month odyssey **Strategy in Crisis** John Kuehn,2023-11-15 The Pacific War 1937 1945 remains a crucial topic for strategic discussion especially as Japan s push for a broader conflict in 1941 still fascinates historians That regional push grew into a wider world war with all the major maritime powers as well as the Soviet Union in a conflict which challenged the allied response in Asia and beyond John T Kuehn examines the Pacific War from the vantage point of strategy and the execution of that strategy The allies entered an ongoing Sino Japanese War in China 1937 1945 which shaped the implementation of strategic decision making for the larger campaigns of The Pacific War The Pacific War is often regarded as a conflict between the United States and Japan but it involved a far greater cast of national characters and the strategic calculations of these actors are addressed by the author in concise detail The actions of the powers such as the Dutch British Australians New Zealanders and the Soviet Union as well as the two primary nations the U S and Empire of Japan are considered through the strategic paradigm The author looking at the strategy of Imperial Japan as well as that of the U S concludes that the Axis failures in terms of coalition strategy continued throughout the war even as the Allies strengthened coalition warfare along fronts *A Practical Guide to Content Delivery Networks* Gilbert Held,2010-10-12 Following in the tradition of its popular predecessor A Practical Guide to Content Delivery Networks Second Edition offers an accessible and organized approach to implementing networks capable of handling the increasing data requirements of today s always on
