Once A Ranger:

Once a Ranger Carrie Weaver, 2010-09-01 Tony Perez has never fancied redheads But this one's got his attention In fact Kat Monroe is attracting a lot of attention The worst kind With her recent lottery win and softness for hard luck stories she's the ideal target for the con man Tony is tracking His old Texas Ranger instincts scream at him to warn her But now that he's a private investigator he has to stay under cover even if it means putting her at risk Kat has to believe he's just a flirtatious vacationer at the Phoenix Rising Resort But the closer they grow the tougher it is to pretend Now he's facing an impossible choice Keep up the charade and get his man Or tell her everything risk his case and get the girl *Once a Ranger* Dusty Richards, 2014-03-04 Spur Award winner Dusty Richards is back with a brand new adventure featuring a former Texas Ranger with a talent for finding trouble even when he stays put Ex Ranger Phil Guthrey swore he'd never stop roaming the West bringing justice to the lawless whenever the situation called But after cleaning up the criminals of Crook County Arizona he finds himself not only elected to be the county sheriff but settling down with a pretty young girl for a wife Except keeping the peace in Crook County is less relaxing than Guthrey would have imagined Border bandits are accustomed to raiding the territory at will and they're not too keen on giving up the practice Between his new wife and a town under constant threat this former Texas Ranger is about to get more than his fair share of action *Once a Ranger* Stan Johnson, 2003 This debut from a former United States Army JAG Corps captain introduces former Army Ranger David Craig whose son is kidnapped by armed assailants When police come up empty Craig contacts his Ranger buddies Original *A Ranger Born* Robert W. Black, 2007-12-18 Even as a boy growing up amid the green hills of rural Pennsylvania Robert W Black knew he was destined to become a Ranger With their three hundred year history of peerless courage and independence of spirit Rangers are a uniquely American brand of soldier one foot in the military one in the wilderness and that is what fired Black's imagination In this searing inspiring memoir Black recounts how he devoted himself body and soul to his proud service as an elite U S Army Ranger in Korea and Vietnam and what those years have taught him about himself his country and our future Born at the start of the Great Depression Black grew up on a farm at a time of great hardship but also tremendous national determination He was a kid who toughened up fast who learned the hard way to rely on his strength and his wits who saw the country go to war with Germany and Japan and wept because he was too young to serve As soon as the army would take him Black enlisted And as soon as he could muscle his way in he became a Ranger As a private first class in the 82d Airborne Division headquarters Black withstood the humiliations of enlisted service in the peacetime brown shoe army When the Korean War began he volunteered and trained to be an Airborne Ranger In Korea this young warrior his mind and body bursting with the lusts of adolescence grew up fast literally in the line of fire In clean vivid prose Black describes the hell of giving his all for a country that lacked the political resolve to give its all to a war against the North Koreans and the Chinese If Korea was frustrating Vietnam was maddening The heart of this book is devoted to the years of

action that Black saw in Long An Province starting in 1967 Black writes of the perplexity of collaborating with South Vietnamese officers whose culture and motives he never fully understood he conjures up the sudden shock of the Tet Offensive and the daily horror of seeing fellow soldiers and innocent civilians slaughtered sometimes by stray bullets often by carelessness or treachery Vietnam challenged everything Black had come to believe in and left him totally unprepared for the hostility he would face when he returned to a war weary America Written with extraordinary candor and passion A Ranger Born is the memoir of a man who dedicated the best of his life to everything that is great and enduring about America At once intimate in its revelations and universal in its themes it is a book with profound relevance to our own troubled time in history
