Once Below a Time Telcine Turner,1988 The Routledge Reader in Caribbean Literature Alison Donnell,Sarah Lawson Welsh,1996 An outstanding compilation of over seventy primary and secondary texts of writing from the Caribbean The editors demonstrate that these singular voices have emerged out of a wealth of literary tradition and not a cultural void

Enterprising Slaves & Master Pirates Virgil Henry Storr,2004 *Enterprising Slaves Master Pirates* is an interdisciplinary account of economic life in the Bahamas The Bahamas economic story is an interesting tale full of vibrant color a story of short lived booms followed by protracted busts where discussions of economic success force us to mention fanciful figures such as the pirates Blackbeard and Calico Jack and where accounts of economic woe such as the collapse of the cotton market are punctuated by descriptions of the clamor of Sunday markets or the unique practice of self hire Since the almost simultaneous settling of the Bahamas by pirates and Puritan farmers in the 17th century two ideal typical entrepreneurs have dominated the region s economic life the enterprising slave encouraging Bahamian businessmen to work hard to be creative and to be productive and the master pirate demonstrating how success is more easily attained through cunning and deception In addition to Caribbean Studies scholars this book will appeal to students of culture interested in economic development and economists interested in how culture impacts development efforts **Understanding the Culture of**

Markets Virgil Storr,2013-05-20 How does culture impact economic life Is culture like a ball and chain that actors must lug around as they pursue their material interests Or is culture like a tool kit from which entrepreneurs can draw resources to aid them in their efforts Or is being immersed in a culture like wearing a pair of blinders Or is culture like wearing a pair of glasses with tinted lenses *Understanding the Culture of Markets* explores how culture shapes economic activity and describes how social scientists especially economists should incorporate considerations of culture into their analysis Although most social scientists recognize that culture shapes economic behavior and outcomes the majority of economists are not very interested in culture *Understanding the Culture of Markets* begins with a discussion of the reasons why economists are reluctant to incorporate culture into economic analysis It then goes on to describe how culture shapes economic life and critiques those few efforts by economists to discuss the relationship between culture and markets Finally building on the work of Max Weber it outlines and defends an approach to understanding the culture of markets In order to understand real world markets economists must pay attention to how culture shapes economic activity If culture does indeed color economic life economists cannot really avoid culture Instead the choice that they face is not whether or not to incorporate culture into their analysis but whether to employ culture implicitly or explicitly Ignoring culture may be possible but avoiding culture is impossible *Understanding the Culture of Markets* will appeal to economists interested in how culture impacts economic life in addition to economic anthropologists and economic sociologists It should be useful in graduate and undergraduate courses in all of those fields **Overcoming Self-Negation** Carlton Turner,2020-10-07 Bearing in mind the

complex and multiple legacies of slavery and colonialism particularly as they present themselves in the African Caribbean Turner addresses what he sees as a fundamental but underexplored phenomenon Self Negation He defines this as the tendency for persons living in the aftermath of slavery and colonialism to not like themselves or to live with a dissonance in their identity This problem is particularly seen in the relationship between the Church and African indigenous religious heritages within the region Using the Bahamas as the site for qualitative research and theological reflection he explores the complex relationship between the Church and Junkanoo an African Caribbean street festival Whilst Bahamians eagerly participate in both spheres it is the common belief that Church is sacred and Junkanoo is secular and the two should never mix Turner theorizes that the theological root of the issue is the kinds of colonial hermeneutics that still inform church and cultural practices Whilst Self Negation is perpetuated by a hermeneutic of dichotomy Turner proposes a counter a hermeneutic of embrace that takes African indigenous cultural heritages seriously and brings wholeness to the kinds of religious and cultural identities within postcolonial and post slavery societies *Culture and Economic Action* Laura E. Grube,irgil Henry Storr,2015-06-29 This edited volume a collection of both theoretical essays and empirical studies presents an Austrian economics perspective on the role of culture in economic action The authors illustrate that culture cannot be separated from economic action but t Journal of the Bahamas Historical Society ,1979 **The Bahamas** Paul G. Boulton,1989 *The Journal of Commonwealth Literature* ,1987 Issues for 1965 include section Annual bibliography of Commonwealth literature 1964 **WomanSpeak, A Journal of Literature and Art by Caribbean Women, Vol. 6, 2012** Lynn Sweeting,2012-04-23 WomanSpeak A Journal of Literature and Art by Caribbean Women Vol 6 2012 edited by Lynn Sweeting brings together 25 women writers poets and painters of the Caribbean in a new collection especially themed Women Speaking for the Earth Featuring the work of acclaimed writers and new voices this journal is a must read for all who love women s literature and art and for all who love and honour the Earth and are committed to her restoration and protection in these difficult times *Callaloo* ,1990 **Bahamas, Turks & Caicos** Christopher P. Baker,1998 An archipelago of over 700 islands strewn in a 750 mile arc from the southern tip of Florida to the north shore of Haiti this guidebook to the Bahamas provides information on casinos and shopping in Nassau restaurants and accommodation options for various budgets and coverage of sports areas **I Could Talk Old-Story Good** Daniel J. Crowley,2023-09-01 Amazing Diving Stories John Bantin,2012-07-27 This collection of true diving stories makes for compelling reading for all divers Enjoy classic tales of this extreme watersport from thrilling wreck discoveries to encounters with the bizarre and the beautiful There are stories of death and disaster as well as bravery and triumph Tales of the exciting and the extreme rub shoulders with more poetic pieces about the people and places that make up the folklore of this fascinating sport The author s global tour takes you everywhere from Indonesia to the Caribbean and from the chill waters of Northern Europe to the reefs of the Pacific Every ocean of the world is explored making this essential reading or a wonderful gift for divers

The Top Books of the Year Once Below A Time Bahamian Stories The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Once Below A Time Bahamian Stories : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Once Below A Time Bahamian Stories : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
