Once A Commissar:

Once a Commissar Vladimir Koudrey,2013-10 This is a new release of the original 1937 edition **The Commissar's Report** Martyn Burke,1984 One Man in his Time N. M. Borodin,2025-08-05 An extraordinary rediscovered memoir of one man striving to make a distinguished scientific career and live an ordinary life amidst the brutal purges of Stalinist Russia Remarkable an astonishing testimony that has never seemed more timely or more pertinent Nicholas Shakespeare From humble origins the eminent Russian scientist Nicholas Borodin forged a career in microbiology in the era of Stalin Pragmatic and dedicated to his work he accepted the Soviet regime so much so that he even worked on several occasions with the Secret Police providing information on those around him But in 1948 while on a state sponsored trip to the UK to report on the bulk manufacture of antibiotics he could no longer ignore his rising consciousness of the suppression of independent thought in his country It was then that he committed high treason by writing to the Soviet ambassador to renounce his citizenship One Man in his Time is the story of a man trying to live an ordinary life in extraordinary times Rich in incident and astonishing details it charts Borodin s childhood during the revolution and famine through to his scientific career amidst the suspicion and violence of the purges Written with crystal clarity it is unsparing and frank in its depiction of the author s collaboration with Soviet authorities Published here with an introduction by foreign correspondent and journalist John Simpson One Man in His Time offers unparalleled insight into the daily reality of life under totalitarian rule *The Stalin School of Falsification* Leon Trotsky,2019-01-13 Banished from the Soviet Union in 1929 one of Leon Trotsky s first political tasks was to produce this damning reply to the falsification and re writing of Bolshevik history carried out by the Soviet Communist Party s Stalinist leadership Trotsky s decisive role in the October Revolution the Russian Civil War and the first years of Soviet Russia is exhaustively documented in his Letter to the Bureau of Party History which was refused publication in the Soviet Union and forms the main section of this book Also included is material exposing the fraudulent attempts to recast Stalin and his aides as key figures in the Russian Revolution which involved suppressing and tampering with historical records Other documents refute Stalin s spurious theory of Trotskyism which as Trotsky s evidence proves was devised solely to discredit the Opposition s fight for revolutionary Bolshevik principles and justify the Stalinist bureaucracy s distortion of Leninism Finally in this book we have Trotsky s own indictment of the bureaucracy s disastrous anti Leninist policies in action contained in his defence of the Joint Opposition against its expulsion from the Communist Party in 1927 *Through the Maelstrom* Борис Горбачевский,2008 A junior officer in the Red Army provides one of the richest and most detailed memoirs of life and warfare on the Eastern Front from his combat training in early 1942 until the surrender and occupation of Germany **Stabilizing the Prices of Certain Agricultural Products** United States. Congress. Senate. Committee on Agriculture and Forestry,1922 **Comrades and Commissars** Cecil D. Eby,2007 In the summer of 1936 Generalissimo Francisco Franco led a group of right wing nationalists in a military attack on the Republican government of Spain the start

of what would become the Spanish Civil War Despite U S laws banning participation in foreign conflicts American volunteers began pouring into Barcelona in January 1937 The most famous of these anti Franco groups was the band of 2 800 American fighters who called themselves the Abraham Lincoln Battalion In *Comrades and Commissars* Cecil D Eby pushes beyond the bias that has dominated study of the Lincoln Battalion and gets to the very heart of the American experience in Spain Controversy has plagued the Lincoln Battalion from the very start Were these men selfless defenders of liberty or un American Communists Eby has long been regarded as one of the few balanced interpreters of their history His 1969 book *Between the Bullet and the Lie* won accolades for its rigorous and fair treatment of the Battalion *Comrades and Commissars* builds upon that earlier study incorporating a wealth of information collected over intervening decades New oral histories previously untranslated memoirs and newly declassified official documents all lend even greater authority and perspective to Eby s account Most significant is Eby s use of Lincoln Battalion archives sequestered in a Moscow storeroom for sixty years These papers draw renewed focus on some of the most provocative questions surrounding the Battalion including the extent to which Americans were persecuted and even executed by the brigade commissariat The Americans who served in the Lincoln Battalion were neither mythic figures nor political abstractions Poorly trained and equipped they committed themselves to back to the wall defense of the doomed Spanish Republic In *Comrades and Commissars* we at last have the authoritative account of their experiences

Soldiers, Commissars, and Chaplains Dale Roy Herspring, 2001 This innovative study offers the first ever comparison of the military roles played by commissars political officers and chaplains in military settings ranging from the armies of Cromwell the Jacobins the Nazis the Soviets and the United States Despite the stark differences in the political systems of the countries of these disparate armed forces Dale R Herspring argues that there are certain critical functions that must be fulfilled in every military regardless of its ideological orientation Most vital are motivation morale boosting and political socialization In addition Herspring s comparative historical analysis decisively demonstrates that the roles of commissars political officers and chaplains alike have evolved in ways that are crucial yet rarely understood either by policymakers or scholars
