One Body, One Spirit Dale Larsen, Sandy Larsen, 2011-08-10 Discover what unity in Christ means through the Larsens dynamic studies And then put it into practice in relationships with other believers One Body, One Spirit George Yancey, 2009-09-20 When the church began an amazing diversity of people from different geographic cultural and linguistic backgrounds gathered together to confess a common faith in Jesus Christ The apostle Paul cast a vision of one body where Jew and Gentile would worship together in unity The Revelation to John likewise foreshadows an eternal future where all nations will join together at the throne of the Lamb Sadly Christianity has not often lived up to this ideal The history of the church has been marked by continued segregation ethnic strife and racial division But at the dawn of a new millennium hopeful signs of change are emerging As society diversifies local churches find themselves interacting with people from every tribe and tongue But not every church is equipped to handle the realities of ethnic and racial diversity in their congregational life Sociologist George Yancey's groundbreaking research on multiracial churches offers key principles for church leaders who want to minister to people from a variety of racial and cultural backgrounds Insights from real life congregations provide concrete examples of how churches can welcome those who have been marginalized giving people of all heritages a sense of ownership and partnership in the life of the church Based on data from a landmark Lilly Endowment study of multiracial churches across America this volume offers insights and implications for church leadership worship styles conflict resolution and much more Here is an essential resource for pastors and church leaders committed to cultural ethnic and racial reconciliation in their congregations *One Body, One Spirit* Paul Pettit, B. Jason Epps, 2024-08-06 According to the CDC one in four people in the United States lives with a disability yet many of our churches don't resemble this reality Attempts to welcome those with a disability are often implemented by well meaning but ill informed people The results can lead to those with disabilities feeling excluded and isolated from the family of God One Body One Spirit gives eyes to the able bodied to see the challenges experienced by those with disabilities Physical barriers to places of worship classrooms and small group settings leave people outside the gathered family of God Emotional barriers like fear and prejudice preclude them from using their spiritual gifts How can church communities on both the congregational and individual level address these issues B Jason Epps and Paul Pettit provide a road map by looking at a biblically informed solution They survey disability in the Old and New Testaments provide a vision for full integration outline how to conduct a disability audit and offer a five step plan for how to change the culture of your church *The Holy Word for Morning Revival — The Intrinsic and Organic Building Up of the Church as the Body of Christ* Witness Lee, 2021-02-20 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Chinese speaking conference webcast from Anaheim California on February 13 14 2021 The general subject of the conference was The Intrinsic and Organic Building Up of the Church as the Body of Christ Through intimate contact with the

Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ One Body, One Spirit Dale Larsen, Sandy Larsen, 2000-03-07 Discover what unity in Christ means through the Larsens dynamic studies And then put it into practice in relationships with other believers *The Art of Spiritual Listening* Alice Fryling, 2009-02-04 HAVE YOU HEARD Life shouts God whispers How can we hear God s whispers when the struggles and worries of life distract us How can we quiet our souls The Art of Spiritual Listening is about learning to listen to the gentle persistent voice of God and help others hear God s voice as well With insightful and creative reflections Alice Fryling guides us through Scripture passages that teach us how to experience and hear God more fully Here you will find ways to Become more attentive to God s spirit Understand how to hear God s voice in your own life Learn how to help others develop the discipline of listening to God s leading With an emphasis on spiritual direction The Art of Spiritual Listening includes Bible study questions prompts for personal reflection and notes for leaders who wish to use the book in a group If your life is too noisy to hear God or if you want to hear his voice more clearly The Art of Spiritual Listening will guide you to a deeper understanding of what it means to respond to God s invitation to listen
