Wilson,Lorane Wilson,2018-05-01 What would it look like if your church really took the last words of Jesus seriously The Great Commission was not just a suggestion by our Lord but an imperative mandate given to his followers Missionary sending agencies are deploying workers to the field but many of them come from disengaged churches that are not producing well equipped disciples We need a fully integrated global supply chain a pipeline that has disciples as the precious

commodity as well as an effective infrastructure to distribute and replicate them around the globe Pipeline seeks to re engage the church in mobilizing the next generation of workers for the harvest This is a collaboration of forty different authors from churches agencies and cross cultural servants As people in distant places wait for a messenger of hope and salvation will your church venture into the pipeline

The Regions Beyond John Gooding, 2016-12-15 This is a story of transformation It is a story of evangelism discipleship and church planting It is a story of reaching the nations of the world with the gospel It is an exciting story In 1970 the Prescott Foursquare Church in Arizona was struggling It had been morally violated and broken It was a small abused congregation At that time Prescott was a rural town of about 17 000 persons in northwestern Arizona Wayman Mitchell took the pastorate of the Prescott Foursquare Church in January The addition of his family increased the size of the congregation to about two dozen persons From this small congregation in a small rural community God has raised a movement that has impacted the world The Christian Fellowship Ministries CFM as it is now called has birthed over twenty two hundred churches located in one hundred and sixteen nations of the world This story is meaningful to layman and minister alike It is meaningful for the broader Christian community This story tells how God can use common men and women and the common things of humanity to minister in the regions beyond America in the 1970s was experiencing the Jesus People Movement JPM That movement changed America and impacted much of the western world Principles from that movement became part of the CFM The language of transformation was common to the Jesus people When witnessing they commonly cited Romans 12 1 2 The Prescott ministry picked up the importance of transformation for individuals and the church The Great Commission also stirred Jesus people There was urgency about winning the world to Jesus The biblical and theological foundation for evangelism discipleship and church planting of the Christian Fellowship Ministry starts with this commission found in Matthew 28 16 20 The ministry of the CFM was not the plan of a man or group of people It was by trial and error a decision here and a decision there and out of some things that seemed to work that the ministry of the CFM evolved It was not the discovery of a new doctrine or the rediscovery of an old one It was not the implementation of a program that transformed the CFM It was the discovery of what God was doing and implementing that in the Prescott church The deeper discovery was that God was restoring the dignity of the local church The indigenous church principle and the making of disciples propelled the mission forward This book is intended to provide an example of what God can do with people who simply try and follow God Based on biblical and Christian principles it is intended to inspire persons to the work of God And it is intended to inspire ministers to the possibilities of God when faced with the impossibilities of the world This story uncovers the core elements that led a broken church out of brokenness to spiritual health and world impact This is not a history formula for revival or step by step guide for church growth It is an example of what God can do with a common people who seek to faithfully obey God
