Principles Of Managerial Finance Brief:

Principles of Managerial Finance Lawrence J. Gitman, 2003 Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques, and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment. Principles of Managerial Finance Lawrence J. Gitman, Roger Juchau, Jack Flanagan, 2015-05-20 Once again *Principles of Managerial Finance* brings you a user-friendly text with strong pedagogical features and an easy-to-understand writing style. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today's students. The book concentrates on the concepts, techniques, and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question "Why does finance matter to ME?" By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, *Principles of Managerial Finance* will continue to be the preferred choice for many introductory finance courses. Principles of Managerial Finance Lawrence J. Gitman, 2009 *Principles of Managerial Finance* Chad J. Zutter, 2012 Gitman's proven learning goal system, a hallmark feature of *Principles of Managerial Finance*, weaves pedagogy into concepts and practice, providing readers with a roadmap to guide them through the text and supplementary tools. The thirteenth edition features new coauthor Chad Zutter of the University of Pittsburgh, who brings his contemporary thinking and pedagogy to the text. **Principles of Managerial Finance, Brief, Student Value Edition** Chad J. Zutter, Scott B. Smart, Scott Smart, 2018-02-20 NOTE: This edition features the same content as the traditional text in a convenient three-hole punched loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab™ or Mastering™, several versions may exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID provided by your instructor to register for and use MyLab or Mastering platforms. For introductory courses in managerial finance, Help students apply financial concepts to solve real-world problems with a proven teaching and learning framework. The Teaching and Learning System, a hallmark feature of *Principles of Managerial Finance Brief*, weaves pedagogy into concepts and practice, giving students a roadmap to follow through the text and supplementary tools.
