Prisms Studies In Modern Literature:

Prisms; studies in modern literature, by Albert Cook Albert Cook, Prisms; Studies in Modern Literature Albert Cook, 1967 **Forces in Modern & Postmodern Poetry** Albert Cook, 2008 Forces in Modern and Postmodern Poetry examines the works of classic authors in the modern and postmodern literary tradition including St phane Mallarm Wallace Stevens Samuel Beckett Gertrude Stein Charles Olson Paul Celan Ezra Pound William Carlos Williams Louis Zukofsky and John Ashbery all from a comparative perspective The concepts modern and postmodern are not used to provide definitive answers but to raise questions concerning the status of representation issues of the self and the use of imagery and musical invention The wide range of the study is matched by the richly detailed analysis of specific poetic texts from an author noted for the scope and acuity of his attention to modern poetry in all its varied forms Gender, Desire, and Sexuality in T. S. Eliot Cassandra Laity, Nancy K. Gish, 2004-10-28 This collection of essays brings together scholars from a wide range of critical approaches to study T S Eliot s engagement with desire homoeroticism and early twentieth century feminism in his poetry prose and drama Ranging from historical and formalist literary criticism to psychological and psychoanalytic theory and cultural studies Gender Desire and Sexuality in T S Eliot illuminates such topics as the influence of Eliot s mother a poet and social reformer on his art the aesthetic function of physical desire the dynamic of homosexuality in his poetry and prose and his identification with passive or feminine desire in his poetry and drama The book also charts his reception by female critics from the early twentieth century to the present This book should be essential reading for students of Eliot and Modernism as well as queer theory and gender studies **The Cambridge Companion to Gadamer** Robert J. Dostal, 2002-01-21 The most convenient and accessible guide to Gadamer currently available **William Golding** Jack I. Biles, Robert O. Evans, 2014-07-15 In William Golding Some Critical Considerations fourteen scholars assess various aspects of the Nobel Prize winning author s writings Their essays include criticism of individual works discussion of major themes and technical considerations and bibliographical studies Separately the essays help us understand the intricacies and impact of Golding s art together they show the breadth of his purpose **The Dramatic Works of Samuel Beckett** Charles A. S. Eliot** Samiran Kumar Paul, 2020-12-10 This is a critical handbook on T S Eliot s poetical works and verse dramas with their text and critical interpretation for students of Asian and African countries An exhaustive discussion is made through critical analysis of Eliot s literary personality as a poet and theorist Eliot exercised a strong influence on Anglo American culture from the 1920s until late in the century His experiments in diction style and versification revitalized English poetry and in a series of critical essays he shattered old orthodoxies and erected new ones The publication of Four Quartets led to his recognition as the greatest living English poet and man of letters and in 1948 he was awarded both the Order of Merit and

the Nobel Prize for Literature Eliot was to pursue four careers editor dramatist literary critic and philosophical poet He was probably the most erudite poet of his time in the English language His undergraduate poems were literary and conventional His first important publication and the first masterpiece of Modernism in English was The Love Song of J Alfred Prufrock The poem The Waste Land is known for its obscure nature its slippage between satire and prophecy its abrupt changes of speaker location and time Eliot s concern with faith and doubt chaos and calamity and decline in the sensibility of the modern people is reflected through his poems and plays Modernity and the sense for the modernist make him unparalleled and the most popular modern poet His great musical sense in his poetry reminds of his use of rhymes metre and rhythm This rimming of poetry with music brings meaningful beauty and concept
