Prison Epistles Praise From Prison:

Prison Epistles Bernard L. Rossier, 1987-07-01 **Prison Letters** Bruce Aitken, 2024-11-04 Prison Letters With God's Love I Can Scale These Walls is not only a story of redemption but also much more. It's a testament to human resilience in the underbelly of the prison system. Since Palm Sunday 2004 American expat Bruce Aitken has hosted a highly popular radio program called The Hour of Love Broadcast every week from Hong Kong; the program reaches out to foreign prisoners in the city's correctional institutions as well as the city's hundreds of thousands of foreign domestic helpers and anyone in need of a spiritual uplift around the world. You have given us the light, the strength and courage to keep holding on to hope, writes Sonny, a man from India who was incarcerated in Hong Kong's Stanley Prison. This is just one of thousands of letters sent to Aitken by inmates over many years and read out on air. The original handwritten letters published in this book will both trouble you and warm your heart. They are an affirmation of the spirit of humanity that thrives among prisoners, allowing them to support one another often for years on end as they wrestle with the sense of helplessness that follows the loss of freedom. www.realbruceaitken.com

Reflections on the Apostle Paul's Prison Letters: A Verse by Verse Bible Study Dr. Randy L. James, 2025-05-08 This book contains personal reflections on the labors of the Apostle Paul, who is credited with authoring the biblical letters of Galatians, Ephesians, Philippians, and Colossians. Each verse of these letters is reviewed, commented on, and used for personal direction and inspiration for Christians in the 21st century. Each passage and commentary is followed by four questions meant to provoke meaningful discussion within Bible study groups.

Biblical Worship Benjamin K. Forrest, Walter C. Kaiser Jr., Vernon M. Whaley, 2021-02-23 A biblical theology of worship spanning both the Old and New Testaments. While many books on worship focus on contemporary trends, Biblical Worship plumbs every book of the Bible to uncover its teaching on worship and then applies these insights to our lives and churches today. A team of respected evangelical scholars unearths insights into a variety of issues surrounding worship, including The Old Testament concept of worship, Worship before the Exodus, Worship in the Old Testament feasts and celebrations, Worship in the Psalms of Lament and Thanksgiving, The New Testament concept of worship, Worship in the Gospels, Worship in Acts, Worship in the Pastoral Epistles, and much more. Pastors, worship leaders, instructors, and anyone who wants to grow in their knowledge of the Bible's full teaching on worship and how it applies today will benefit from this volume, part of the Biblical Theology for the Church series.

Paul's Prison Epistles Ran Humphreys, 2004-11-01 For casual reading or in-depth study, Paul's Prison Epistles offers a fresh approach to time-honored biblical principles from a new perspective. The historical setting in which Ephesians, Colossians, Philemon, and Philippians were written in the 1st century is in many ways very similar to the 21st century. This new book presents a relevant, clear, and concise verse-by-verse study of the biblical text. Paul's Prison Epistles contains over 200 references to related scripture. It also reflects the use of an extensive bibliography, offering students of the Bible a broader view of Paul's work. Paul's Prison Epistles provides the pastor and teacher with helpful

outlines and comments that will enhance their ministry

The Prison Letters of Nelson Mandela

Nelson Mandela, 2018-07-10 One of NPR's Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century published on the centenary of his birth Arrested in 1962 as South Africa's apartheid regime intensified its brutal campaign against political opponents forty-four-year-old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty-seven years in jail During his 10,052 days of incarceration the future leader of South Africa wrote a multitude of letters to unyielding prison authorities fellow activists government officials and most memorably to his courageous wife Winnie and his five children Now 255 of these letters many of which have never been published provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation and how he engaged with an outside world that became increasingly outraged by his plight Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner The Prison Letters of Nelson Mandela begins in Pretoria Local Prison where Mandela was held following his 1962 trial In 1964 Mandela was taken to Robben Island Prison where a stark existence was lightened only by visits and letters from family After eighteen years Mandela was transferred to Pollsmoor Prison a large complex outside of Cape Town with beds and better food but where he and four of his comrades were confined to a rooftop cell apart from the rest of the prison population Finally Mandela was taken to Victor Verster Prison in 1988 where he was held until his release on February 11, 1990 With accompanying facsimiles of some of his actual letters this landmark volume reveals how Mandela a lawyer by training advocated for prisoners' human rights It reveals him to be a loving father who wrote to his daughter I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her aware that photos and letters he sent had simply disappeared More painful still are the letters written in 1969 when Mandela forbidden from attending the funerals of his mother and his son Thembi was reduced to consoling family members through correspondence Yet what emerges most powerfully is Mandela's unfaltering optimism Honour belongs to those who never forsake the truth even when things seem dark grim who try over and over again who are never discouraged by insults humiliation even defeat Whether providing unwavering support to his also imprisoned wife or outlining a human rights philosophy that resonates today The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment Ultimately these letters position Mandela as one of the most inspiring figures of the twentieth century From The Prison Letters of Nelson Mandela A new world will be won not by those who stand at a distance with their arms folded but by those who are in the arena whose garments are torn by storms whose bodies are maimed in the course of contest I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him My respect for human beings is based not on the colour of a man's skin nor authority he may wield but purely on merit A good pen can also remind

us of the happiest moments in our lives bring noble ideas into our dens our blood our souls It can turn tragedy into hope victory

Bonhoeffer's Religionless Christianity in Its Christological Context Peter Hooton, 2020-02-06 The German theologian Dietrich Bonhoeffer understood Western civilization to be approaching a completely religionless age to which Christians must respond and adapt This book explores Bonhoeffer s own response to this challenge his concept of a religionless Christianity and its place in his broader theology It does this first by situating the concept in a present day Western socio historical context It then considers Bonhoeffer s understanding and critique of religion before examining the religionless Christianity of his final months in the light of his earlier Christ centred theology The place of mystery paradox and wholeness in Bonhoeffer s thinking is also given careful attention and non religious interpretation is taken seriously as an ongoing task The book aspires to present religionless Christianity as a lucid and persuasive contemporary theology and

does this always in the presence of the question which inspired Bonhoeffer's theological journey from its academic beginnings to its very deliberately lived end the question Who is Jesus Christ **Forthcoming Books** Rose Arny, 1988-09
