*The Last Trial for Atheism in England* George Jacob Holyoake, 1878      *The Book of God : In the Light of the Higher Criticism* G. W. Foote, 2019-11-29 In *The Book of God In the Light of the Higher Criticism* G W Foote presents a critical examination of biblical texts through the lens of higher criticism a scholarly approach that seeks to analyze the historical context and authorship of religious writings Foote s literary style is marked by a combination of rigorous analytical thought and engaging prose making complex theological debates accessible to a broader audience The work positions itself within the discourse of late 19th century rationalism addressing the burgeoning clash between traditional religious beliefs and emerging scientific understandings ultimately encouraging readers to re evaluate their interpretations of sacred narratives G W Foote was a prominent English freethinker and a vocal critic of orthodox Christianity renowned for his advocacy of rationalism and skepticism His background in journalism and activism against theological dogmatism undoubtedly influenced his motivations for writing this text Foote s own journey through religion and his experiences with the limitations of conventional faith drove him to publish works that reflected his commitment to intellectual inquiry and secularism *The Book of God* is essential reading for those interested in theology religious studies and the philosophy of religion Foote invites readers to embrace a critical perspective that challenges established beliefs and fosters a deeper understanding of religious texts making his work a valuable contribution to contemporary discussions on faith and reason      **Jesus, Sin and Perfection in Early Christianity** Jeffrey S. Siker, 2015-08-31 The first full length study to trace how early Christians came to view Jesus as sinless this volume presents a taxonomy of sin in early Judaism and examines moments in Jesus life associated with sinfulness It explores the implications of a retrospective faith that elevated Jesus to perfect divinity redefining sin      **The Life of Guiteau and the Official History of the Most Exciting Case of Record: Being the Trial of Guiteau, for Assassinating Pres. Garfield** Henry H. Alexander, 1883      *The Life of Guiteau and the Official History of ... the Trial of the Guiteau for Assassinating Pres. Garfield* H. H. Alexander, 1882      **The Freethinker**, 1914

**Evangelical Christian Responses to Islam** Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins      *Under Threat of Death* Shagufta Kausar, Eugene Bach, 2024-06-18 Raised as a Christian minority in a Muslim nation Shagufta Kausar learned early on to never argue about faith or to stand up for her beliefs Doing so could easily lead to riots and deadly violence so she was told to always be silent

like a lamb In 2013 local police raided Shagufta s home accusing her of sending a blasphemous text to a local imam As a mother of four Shagufta was arrested her handicapped husband Shafqat was hung upside down and beaten and her children were put in state custody The truth was Shagufta didn t even have a phone and was illiterate she couldn t write or speak the language in the text She was impossibly innocent Convicted at a trial she was not allowed to attend and sentenced to death by hanging Shagufta was told that she could save herself and her family if she would only abandon her faith and accept Islam Under threat of death she refused Her stunning true story of a courageous mother of four standing against the tyranny of her country s blasphemy laws illuminates the reality of what many Christians around the world face every day Shagufta is a voice for Christian minorities that suffer daily persecution under unjust laws      Prisoner for Blasphemy G. W. Foote,2019-12-16 In Prisoner for Blasphemy G W Foote presents a compelling exploration of the intersection of faith law and individual conscience in a society grappling with the limits of free expression Written in a provocative and accessible literary style Foote s narrative is interspersed with both personal reflection and sociopolitical commentary ripe with historical context from the late 19th century a time when blasphemy laws heavily influenced public discourse Through his masterful prose Foote invites readers to question the societal constraints placed on honest discourse regarding religion and to engage deeply with the ramifications of belief and disbelief G W Foote a prominent figure in the freethought movement was an influential secularist and activist whose experiences with censorship and religious persecution inspired him to confront blasphemy laws in his work The lived realities of his convictions as well as his commitment to rational thought and humanism underscore the emotional weight of this text illustrating Foote s determined stance against oppression and his advocacy for intellectual freedom I highly recommend Prisoner for Blasphemy to readers interested in the historical struggles for freedom of expression as well as those intrigued by the complex dynamics between religion and society Foote s incisive arguments and eloquent insights render this work a timeless examination of fundamental rights that remains highly relevant today
