Prisoners of Conscience in the USSR Amnesty International, 1980 An Amnesty International report *Prisoners of Conscience in the USSR* Amnesty International, 1980 Abuse of Psychiatry in the Soviet Union United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations, 1984 **Forced Labor in the Soviet Union** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Human Rights and International Organizations, 1984 Soviet Ukrainian Dissent Jaro Bilocerkowycz, 2019-07-11 In this book the author focuses on an important variant of Soviet dissent from 1963 through March 1985 to deepen understanding of the phenomena of political alienation and dissent and to stimulate further study of political dissent in the USSR and elsewhere **Report to the Congress on Forced Labor in the U.S.S.R.**, 1983 *Freedom's Ordeal* Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union *Freedom's Ordeal* recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism *Freedom's Ordeal* is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms *Implementation of the Final Act of the Conference on Security and Cooperation in Europe* United States. Congress. Commission on Security and Cooperation in Europe, 1977 **The Politics Of Pain** Ronald D Crelinsten, Alex Schmid, 2019-07-11 Although a wave of democratization appears to be sweeping the globe torture persists in more than seventy five nations Despite widespread condemnation of torture and the efforts of international and nongovernmental organizations to end it the politics of pain continues in a broad range of social and political systems This book is one of the first to systematically examine the psychological cultural and social origins of torture It provides profiles of torturers and of those who direct them in their brutal activities The contributors provide case studies from the past and present including Somoza's National Guard in Nicaragua and regimes in the Southern Cone of Latin America and in Greece Encyclopedia of Soviet Law Ferdinand J.M. Feldbrugge, 2024-12-02 **British Human Rights Organizations and Soviet Dissent, 1965-1985** Mark Hurst, 2016-05-05 In the latter half of the 20th century a number of dissidents engaged in a series of campaigns against the Soviet authorities and as a result were subjected to an array of cruel and violent punishments A collection of like minded activists in Britain campaigned on their behalf and formed a variety of organizations to publicise their plight *British Human Rights Organizations and Soviet Dissent 1965 1985* examines the efforts of these activists exploring how influential their activism was in shaping the wider public awareness of Soviet human rights violations

in the context of the Cold War Mark Hurst explores the British response to Soviet human rights violation drawing on extensive archival work and interviews with key individuals from the period This book examines the network of human rights activists in Britain and demonstrates that in order to be fully understood the Soviet dissident movement needs to be considered in an international context A Chronicle of Human Rights in the USSR ,1980 **Key Issues in U.S.-U.S.S.R.
