**The Private Papers of Henry Ryecroft (Esprios Classics)**

George Gissing,2020-12-11 The Private Papers of Henry Ryecroft is a semi fictional autobiographical work by George Gissing in which the author casts himself as the editor of the diary of a deceased acquaintance selecting essays for posthumous publication It was partly because of the seasonal arrangement and Ryecroft s obvious love of the natural world that the book gained widespread popularity in Japan being introduced as early as 1908 by the scholar of English literature Tokuboku Hirata 1873 1943 Other contributing factors were the classic unaffected style which made the text suitable for educational and examination purposes and Ryecroft s frank assessments of society and politics which may have endeared him to the young academics of the country in the early part of the 20th century

**The Private Papers of Henry Ryecroft -**

**The Private Papers Of Henry Ryecroft**  
George Gissing, 2020-05-21 The exquisite quiet of this room I have been sitting in utter idleness watching the sky viewing the shape of golden sunlight upon the carpet which changes as the minutes pass letting my eye wander from one framed print to another and along the ranks of my beloved books Within the house nothing stirs In the garden I can hear singing of birds I can hear the rustle of their wings And thus if it please me I may sit all day long and into the profounder quiet of the night My house is perfect By great good fortune I have found a housekeeper no less to my mind a low voiced light footed woman of discreet age strong and deft enough to render me all the service I require and not afraid of solitude She rises very early By my breakfast time there remains little to be done under the roof save dressing of meals Very rarely do I hear even a clink of crockery never the closing of a door or window Oh blessed silence *The Private Papers of Henry Ryecroft* Henry Ryecroft, 1927

*The Private Papers of Henry Ryecroft* George Gissing, 2015-10 The Private Papers of Henry Ryecroft is a semi fictional autobiographical work by George Gissing in which the author casts himself as the editor of the diary of a deceased acquaintance selecting essays for posthumous publication Observing how suitable many of the reflections were to the month with which they were dated he explains that he hit upon the thought of dividing the little book into four chapters named after the seasons It was partly because of the seasonal arrangement and Ryecroft's obvious love of the natural world that the book gained widespread popularity in Japan being introduced as early as 1908 by the scholar of English literature Tokuboku Hirata 1873 1943 Other contributing factors were the classic unaffected style which made the text suitable for educational and examination purposes and Ryecroft's frank assessments of society and politics which may have endeared him to the young academics of the country in the early part of the 20th century
