**Rational Fasting For Physical, Mental, & Spiritual Rejuvenation** Arnold Ehret, 2022-08-22 2022 Reprint of the 1926 First Edition Exact facsimile of the original edition and not reproduced with Optical Recognition Software Ehret viewed the principal cause of disease as arising from a lifetime's accumulation of mucus in the digestive tract The mucus residing in the body becomes morbid and consists of undigested decayed and retained food substances all of which are in a state of fermentation and putrefaction Ehret 1922 p 5 Having no function or use in the body the morbid mucus along with masses of accumulated feces and undigested foodstuffs leads to a toxic internal environment that creates the ideal conditions for constipation Constipation the disease of internal filth and uncleanness was identified by Ehret as the inevitable consequence arising from the diet of civilization His list of mucus forming foods included dairy eggs starchy and farinaceous products as well as fats and oils that also form the basis of adhesives and glues and exhibit similar properties inside the intestines causing the digestive tract not only to clog up through constipation but literally to be glued together with sticky mucus and feces Ehret 1922 p 8 Ehret was very vocal on some of the foods that he eschewed In bold capital letters he writes I ABSOLUTELY DECLARE WAR ON MEAT AND ALCOHOL through fruit and moderate eating these great evils are radically diminished Ehret 1926 p 14 As an alternative Ehret promoted his Mucusless Diet that consists of fresh ripe fruit and

starchless vegetables Ehret 1922 p 10 He reasoned Fruits green leaf and starchless vegetables do not contain these pasty gluey mucus substances and are natural foods yet little credit has been given them by doctors or laymen Ehret 1922 p 8 In his diet protocol these wonder foods of Nature had the power to dissolve the encrusted mucus layer found in constipated intestines He explains the mechanism Fruit sugar causes and develops their fermentation and forms gases This so greatly feared fermentation of the inside filth is another necessary stirring up process to prepare them for elimination Acid and fermented starch and glue lose their sticky ability as soon as they ferment Ehret 1922 p 8

**Fast The Fat - A Comprehensive Guide For Weight Loss Thru Fasting** Godspower Elishason, 2018-12-20 The idea of fasting is still tied to the spiritual and religious practices When we first heard about fasting we immediately relate the term to the Catholics who practice this during Lent or to Muslims during Ramadan In ancient times when people fasted they believed that doing so would improve their clarity of thought and bring spiritual enlightenment and inspiration In fact many people who fast relay a feeling of being more removed from the physical and a more spiritually focussed consciousness It should be reflected however that having strong values is integral to this as mental attitude is huge part of ones sense of the world
