America as the tough guy The Street Was Mine looks to the tough guy in the works of hardboiled novelists Raymond Chandler The Big Sleep and James M Cain Double Indemnity and their popular film noir adaptations Focusing on the way he negotiates racial and gender otherness this study argues that the tough guy embodies the promise of an impervious white masculinity amidst the turmoil of the Depression through the beginnings of the Cold War closing with an analysis of Chester Himes whose Harlem crime novels For Love of Imabelle unleash a ferocious revisionary critique of the tough guy tradition

Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June **American Book Prices Current**, 1993 A record of literary properties sold at auction in the United States *The Art of Detective Fiction* NA NA, 2016-04-30 In the hands of many of the great writers the unravelling of mystery is only one strand within a complex project Other things get unravelled too the belief in a rationally explicable world in the beneficent ordering force of culture and civilization Constantly the detective story delights in muddying the waters in acknowledging the omnipresent possibilities of anarchy and carnage As a genre it is supremely able to combine popular appeal with the ability to disturb provoke and challenge the reader The essays in this volume all pay tribute to and seek to account for the astonishing durability of the detective story as a narrative genre They range generously taking a variety of theoretical approaches and including detective fiction in languages other than English but particular attention is paid to the Golden Age of English detective story writing and to the hard boiled American version of the genre This is a collection that will appeal to the scholar and to the devotee alike to all those in fact who cannot resist the lure of finding out whodunit *Mystery and Suspense in Creative Writing* Jacek Dąbala, 2012 *Mystery and Suspense in Creative Writing* presents a systematic analysis of a very important aspect of writing by integrating it with journalistic media and communication studies The book examines the specific rules for creating intrigue and suspense and confronts their universal features with selected literary texts The individual texts emphasize the importance of understanding the emotions through transformation of various archetypes The rules postulated by creative writing for building drama and tension in such texts often deal with this profound issue They are thus not an end in themselves but actually lead to more mature writing Therefore they essentially contribute to developing one's creative talent and communication skills The paradigm of creative writing serves to shape the creativity of students of

various disciplines including not only literary studies and journalism but also such diverse areas as medicine and information technology Series International Studies in Hermeneutics and Phenomenology Vol 7 **Watching the Detectives** Ian F. A. Bell, Graham Daldry, 1990-06-18 In this collection of essays a number of critics offer commentary on the crime fiction genre exploring the kinds of pleasure it offers Looking under the attractive surface of these books the contributors discover a number of complex issues The Politics and Poetics of Everyday Life Kristin Ross, 2023-05-02 The texts in this volume represent Kristin Ross's attempt to think the question of the everyday across a range of discourses practices and knowledges from philosophy to history from the visual arts to popular fiction all the way to the forms taken by collective political action in the territorial struggles of today If everyday life is as many have come to believe the ideal vantage point for an analysis of the social it is also the crucial first step in its transformation The volume opens with a return to Henri Lefebvre's powerful attempt to think the everyday as both residue and resource as the site of profound alienation and by the same token the site where all emancipatory initiatives and desires begin The second section focuses on our attempts to represent our lived reality to ourselves in cultural forms from painting and literature and film to an analysis of the contemporary transformations of the sub genre most embedded in the deep superficiality of everyday life detective fiction The final section turns to present day ecological occupations in the wake of the zad at Notre Dame des Landes and locates the everyday as a site for rich oppositional resources and immanent social creativity *Cultural Cohesion: The Essential Essays* Clive James, 2013-04-01 Clive James presents the prequel to his celebrated Cultural Amnesia forty nine essays that form a cultural education in one brilliant volume Six years after the much heralded publication of Cultural Amnesia Clive James presents his prequel forty nine essays that he has selected as the best of his half century career Originally appearing as *As of This Writing* Cultural Cohesion examines the twisted cultural terrain of the twentieth century in one of the most accessible and cohesive volumes available Divided into four sections Poetry Fiction and Literature Culture and Criticism and Visual Images James comments on poets like W H Auden and Phillip Larkin novelists like D H Lawrence and Raymond Chandler not to mention Judith Krantz and filmmakers like Fellini and Bogdanovich Throughout James delights his readers with his manic energy and critical aplomb This volume featuring a new introduction is a one volume cultural education that few recent books can rival

Charles Bukowski Barry Miles, 2009-10-06 Fear makes me a writer fear and a lack of confidence Charles Bukowski chronicled the seedy underside of the city in which he spent most of his life Los Angeles His heroes were the panhandlers and hustlers the drunks and the hookers his beat the racetracks and strip joints and his inspiration a series of dead end jobs in warehouses offices and factories It was in the evenings that he would put on a classical record open a beer and begin to type Brought up by a violent father Bukowski suffered childhood beatings before developing horrific acne and withdrawing into a moody adolescence Much of his young life epitomised the style of the Beat generation riding Greyhound buses bumming around and drinking himself into a stupor During his lifetime he published more than forty five books of poetry and

prose including the novels *Post Office* *Factotum* *Women and Pulp* His novels sold millions of copies worldwide in dozens of languages In this definitive biography Barry Miles celebrated author of *Jack Kerouac King of the Beats* turns his attention to the exploits of this hard drinking belligerent wild man of literature Film Noir Reader 2 Alain Silver, James Ursini, 1999 In the wake of the remarkable success of *Film Noir Reader* this new collection further explores a genre of limitless fascination and one that continues to inspire and galvanise the latest generation of film makers Again heavily illustrated with close to 150 stills *Film Noir Reader 2* is organised much like the earlier volume National Union Catalog, 1980 Includes entries for maps and atlases The Writer's Quotebook Jim Fisher, 2006 If you have ever stared a page that remains stubbornly blank if you have ever wondered why writers write or whether good writers are born or made if you are a novelist playwright poet or journalist or simply delight in the written word *The Writer's Quotebook* is for you Whether you keep it in your office on your coffee table next to your keyboard or your bed this rich compendium of over one thousand quotations will inspire invigorate and illuminate the often challenging sometimes humorous but always fascinating task of those who bring words to life From William Faulkner and Ernest Hemingway to Doris Lessing and Joyce Carol Oates more than five hundred published writers put pen to paper on what the literary life is all about Selections come from seasoned professionals as well as those just establishing their voice and they represent a variety of nationalities and genres The book is divided into three sections The first part is devoted to the creative process including thoughts on where writers get their ideas the role of inspiration what kind of people write and where talent comes from In part two the subject shifts to writing as a craft Here authors ponder the creation of protagonists and points of view the writing of dialogue setting and description creating plots and the anatomy of style The final third of the book deals with the challenges and rewards that come with the writing life Subjects in this section include the economic realities of writing classes conferences and workshops dealing with rejection and bad reviews writing habits and rituals despair alcohol suicide and fame Articulated with elegant metaphor in straightforward prose or with wry wit the carefully selected and thoughtfully organized quotations come together to form a narrative that entertains informs and in the case of aspiring writers shows the way to better writing
