Religious Education 5-11 Imran Mogra, 2022-10-12 Religious Education has returned in the limelight of education. Religious Education 5-11 deals with present day debates and issues at the heart of this important subject. It provides a systematic, holistic and unified guidance on teaching RE in primary school. The guide features vignettes, case studies, extracts and viewpoints from experts for deeper engagement. Religious Education 5-11 offers ample guidance and suggestions for the classroom. The main areas covered include: Historical, legal and contemporary perspectives; What is RE about; Aims, purposes and the field of enquiry; RE in the Early Years; Key Stages 1 and 2; Knowledge in RE; Concepts, attitudes, skills, dispositions and SMSC; Planning and structuring the curriculum; Theories, classical and contemporary pedagogies and multidisciplinary approaches; Assessment and progression; Subject leadership and the thriving community; Research and lifelong learning in RE. This book is an indispensable resource for all student educators, early career teachers and classroom practitioners interested in teaching Religious Education in an ambitious, contemporary and challenging way. *Good Practice in Religious Education in Europe* Peter Schreiner, Friedhelm Kraft, 2007 Case studies from different countries are presented in this book with examples of successful and innovative classroom practice in religious education in Primary Schools in Europe. Religious education contributes to learning about religions that focuses on knowledge and understanding of religions and beliefs in the world today and learning from religions that offers students opportunities for personal reflection and spiritual developments and also to learning through religions that brings these aims together in a more integrated way. Different approaches to religious education in the countries. The articles underline the relation between religious education, the wider curriculum and whole school initiatives. **Teaching Religious Education 4-11** Derek Bastide, 2006-12-18 This long-awaited second edition is an accessible practical guide for primary teachers. It covers the teaching of religious education at the Foundation Stage, Key Stage 1 and Key Stage 2. Taking account of the changes to RE over the last decade, it maps out and considers the implications for teachers of changes that have taken place over the last few years with regard to changing aims and objectives in the subject, the legal framework, the broadening understanding of the notion of religion, concern for spiritual development, emergence of citizenship as an additional component of the curriculum, introduction of formal guidelines to the content of RE, teaching Christianity and other world faiths, tackling important topics and contemporary issues, planning RE across the primary school, planning a unit of work using different teaching approaches, monitoring and assessing progress. The book is full of practical examples and will also contain a useful resources section. In addition, there will be a chapter on key religions which will look at Buddhism, Christianity, Hinduism, Islam, Judaism and Sikhism. **Primary Religious Education - A New Approach** Clive Erricker, Judith Lowndes, Elaine Bellchambers, 2010-09-13 The role of Religious Education within the primary school and how it should be implemented has been the subject of worldwide debate. Responding to the delivery of the non-statutory framework for RE and the recent emphasis on a creative primary curriculum, *Primary Religious Education: A New*

Approach models a much needed pedagogical framework encouraging conceptual enquiry and linking theory to its implementation within the wider curriculum in schools The book outlines this new conceptual approach to Religious Education and is based upon the Living Difference syllabus successfully implemented in Hampshire Portsmouth Southampton and Westminster It demonstrates how to implement the requirements of the new QCDA curriculum and Ofsted criteria for effective RE and is rapidly gaining both national and international support Through this approach Religious Education is discussed within the larger context of primary education in the contemporary world This book will help you to teach RE in a creative way in the primary classroom by providing historical commentaries an overview of existing approaches case studies based upon developments in religious literacy connections to initiatives such as Every Child Matters and cross curricular links to other areas of the curriculum including PSHE With an all encompassing global context this book provides tutors students and practicing teachers with a firm basis for developing their thinking about the subject of RE how it is placed in the primary curriculum and how it may be successfully implemented in schools

Junior Steps in RE. Michael Keene, Jan Keene, 1997 Aiming to meet the key demands of the SCAA model syllabi and LEA agreed syllabi this series covers the educational and legal requirements for RE teaching The pupils books contain information discussion material and activities and each double page spread provides two half hour lessons per week Suggestions for further work are included in the photocopiable teacher s books of which this is the first
