Navigating The Digital Shift: Implementation Strategies for Blended and Online Learning John Bailey, Carri Schneider, Tom Vander Ark, 2013-10-09 Our nation s schools stand at an important inflection point in the

history of education Taken together the implementation of common college and career standards the shift to next generation assessments the availability of affordable devices and the growing number of high quality digital instructional tools create an unprecedented opportunity to fundamentally shift the education system to personalize learning around the individual needs of every student Digital Learning Now DLN a national initiative under the Foundation for Excellence in Education ExcelinEd in association with Getting Smart brings Navigating the Digital Shift Implementation Strategies for Blended and Online Learning to readers interested in exploring the implementation challenges at the intersection of these shifts Co authored by John Bailey Carri Schneider and Tom Vander Ark Navigating the Digital Shift offers updated versions of the eight papers originally released in the DLN Smart Series including contributions from 11 additional co authors representing leading organizations such as Public Impact the International Association for K 12 Online Learning iNACOL and The Learning Accelerator Topics include blended learning implementation teaching conditions and careers competency based learning student data online learning myths and student based funding Jeb Bush Governor of Florida from 1999 2007 and Chairman of ExcelinEd contends that the book provides policymakers and education leaders the tools they need to use digital learning as a catalyst for improved student achievement AASA 2013 Superintendent of the Year Dr Mark Edwards believes the collection provides meaningful practical and poignant advice as well as commentary regarding the move to college and career ready standards associated with the shift to personal online learning and digital resources Rhode Island s Commissioner of Elementary and Secondary Education Deborah Gist describes the book as an invaluable resource that will help educators re imagine what our schools can look like and what our students can accomplish

Achieving Teaching Quality in Sub-Saharan Africa Sarah Lange, 2016-06-22 Sarah Lange examines the effectiveness of cascade training which constitutes a cost effective training model in teacher training In development cooperation countries teaching quality is expected to improve with teacher professional development for this purpose she explores the effectiveness of training multipliers in schools in Cameroon This research question is analysed with a design which encompasses a questionnaire survey provided to teachers students and principals as well as a teacher video survey and a student achievement test The empirical results show the effects of cascade training on the learner oriented teaching practice if the trained teachers are supported in their role as change agents Among the conditions for the conceptual quality and the implementation of cascade training the continuity of school based professional development is particularly emphasized in light of the results

Small Group Reading With Multilingual Learners Nancy Akhavan, 2023-04-13 Watch multilingual students excel with high engagement reading lessons Students acquiring English tend to bust every stereotype The truth is these learners come to school with linguistic assets not deficits They will excel with lively just right challenge lessons and they thrive with opportunities to collaborate with peers In this authoritative resource bestselling author Nancy Akhavan shows teachers how to support students at the small group table in acquiring English as well as developing as readers simultaneously Ready to go tools include Essential background on

the five stages of language acquisition How to for differentiating instruction based on students levels of language proficiency as well as their reading proficiency Lesson sequences integrating oral language phonics spelling vocabulary word work comprehension and writing about reading Routines that augment talk about texts so multilingual learners can verbalize their knowledge and articulate thinking A companion website and multimodal scaffolds to support students across reading writing speaking and listening When we gather at the reading table we have just twenty minutes we need to make it count Now we can [The Relevant Library](#) Vera Gubnitskaia, Carol Smallwood, 2018-10-11 At a time when libraries are no longer the leading proprietors of information many library professionals find themselves rethinking their purpose In this collection of new essays contributors share their experiences and ideas for keeping libraries integral to changing communities Innovative approaches and best practices are discussed for strategic planning packaging branding and marketing funding issues physical spaces collection needs and trends partnerships programming and services professional education and staffing

Handbook for Achieving Gender Equity Through Education Susan S. Klein, Barbara Richardson, Dolores A. Grayson, Lynn H. Fox, Cheris Kramarae, Diane S. Pollard, Carol Anne Dwyer, 2014-05-22 First published in 1985 the Handbook for Achieving Gender Equity Through Education quickly established itself as the essential reference work concerning gender equity in education This new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting U S national data on the gains and losses in the efforts to advance gender equality through policies such as Title IX the landmark federal law prohibiting sex discrimination in education equity programs and research Key features include Expertise Like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education Content Area Focus The analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering Global Diversity Focus Global gender equity is addressed in a separate chapter as well as in numerous other chapters The expanded section on gender equity strategies for diverse populations contains seven chapters on African Americans Latina/os Asian and Pacific Island Americans American Indians gifted students students with disabilities and lesbian gay bisexual and transgender students Action Oriented All chapters contain practical recommendations for making education activities and outcomes more gender equitable A final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education New Material Expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women's and gender studies communication skills relating to English bilingual and foreign language learning and

history and implementation of Title IX and other federal and state policies Since there is so much misleading information about gender equity and education this Handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers Title IX coordinators equity trainers women s and gender study faculty students and parents

3-Minute Motivators Kathy Paterson,2013 When the thrills of the real world overwhelm the routines of your classroom this book will show you how to turn unmotivated unfocused students into eager classroom participants and learners This practical handbook includes more than 100 simple ideas that will refocus a group release excess energy or start a class with a bang

Revitalizing Practice Malcolm L. Warford,2008 Revitalizing Practice is designed to help theological faculties engage a common set of challenges particularly in the areas of diversity formation and institutional identity These are not technical problems but are instead the very stuff out of which teaching and learning are practiced Yet addressing such issues requires intentional strategies and collaborative work Revitalizing Practice offers four such intentional strategies A New Ecology Model An Improvisational Model An Appreciative Inquiry Model and A World Caf Model Each of these models provides a thorough and practical framework based on sound theoretical concepts designed to help faculties revitalize their practices of theological teaching and learning

Routledge Library Editions: Higher Education Various,2021-03-29 The volumes in this set originally published between 1964 and 2002 draw together research by leading academics in the area of higher education and provide a rigorous examination of related key issues The volume examines the concepts of learning teaching student experience and administration in relation to the higher education through the areas of business sociology education reforms government educational policy business and religion whilst also exploring the general principles and practices of higher education in various countries This set will be of particular interest to students and practitioners of education politics and sociology

Why Kids Love (and Hate) School Steven P. Jones,Eric C. Sheffield,2018-11-19 Some students enter classrooms with an I dare you try to teach me look on their faces and others bounce into class excited to learn and anxious to please the teacher We know we can t automatically blame teachers or schools when students don t want to learn But we also know that sometimes teachers and schools don t always set students up for success and they don t always help them love what they re learning Why Kids Love and Hate School Reflections on Practice investigates some of the school and classroom practices that help students love school and some that send students in the opposite direction Intended for classroom teachers teacher education students and school administrators chapters in the book investigate a variety of topics how schools can build effective school cultures the struggle students encounter in learning practices of other countries that help students love school testing practices that cause students to hate school and much more Perfect for courses in Introduction to Education General Methods Management Assessment Educational Research Educational Administration Leadership Teacher Leadership Curriculum Theory Curriculum Development

3-Minute Motivators, Revised and Expanded Edition Paterson, Kathy,2014-07-28 This jam packed new

edition offers practical strategies that will develop a number of important life skills to help defuse negative situations encourage classroom participation and instill the joy of learning With over 75% new material the 200 activities in this remarkable resource will guide students through a myriad of challenging situations from understanding technology to defusing anger and stress to giving a controlled escape for excess energy to practicing cooperation and collaboration This practical book has everything teachers and students need to cope with frustration and boredom have fun and get back to learning
