history of his life There are good times and some bad times expressed in both his poetry and short stories There are also morals and lessons to be learned from both the stories and poetry God in 3D Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God *The Collected Works of Witness Lee, 1982, volume 2* Witness Lee, The Collected Works of Witness Lee 1982 volume 2 contains messages given by Brother Witness Lee from October 11 1982 through June 15 1983 From December 22 1982 through January 1 1983 Brother Lee spoke twenty nine messages that were published in Life study of 1 Peter Life study of 2 Peter and Life study of Jude The Life study messages are not included in The Collected Works of Witness Lee From the beginning of August until the end of November 1982 Brother Lee remained in Anaheim California except for one day visits to the nearby localities of Cerritos and Huntington Beach California at the end of October At the end of November he traveled to Irving Texas and remained there until the first week of January 1983 The contents of this volume are divided into four sections as follows 1 A message given in Anaheim California on October 11 This message is included in this volume under the title Fellowship concerning the Translation of Watchman Nee s Writings 2 Six messages given in Irving Texas on November 28 through December 27 These messages are included in this volume under the title Experiencing the Processed All inclusive Life giving Spirit and Raising Up the Young People and the Children for the Increase of the Church 3 A message given in Cerritos California on October 28 This message was translated from Chinese and is included in this volume under the title Eating and Drinking in Remembrance of the Lord and Six Items Related to the Church Life 4 Sixty three messages given in Anaheim and Huntington Beach California Irving Texas and Stuttgart and Tübingen Germany on October 31 1982 through June 15 1983 These messages were previously published in a book entitled The Fulfillment of the Tabernacle and the Offerings in the Writings of John and are included in this volume under the same title **The Collected Works of Witness Lee, 1959, volume 4** Witness Lee, The Collected Works of Witness Lee 1959 volume 4 contains messages given by Brother Witness Lee in October 1959 through January 1960 Historical information concerning Brother Lee s travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of
