Reaching Our Generation:

No Perfect People Allowed John Burke, 2009-05-26 How do we live out the message of Jesus in today's ever changing culture The church is facing its greatest challenge and its greatest opportunity in our postmodern post Christian world God is drawing thousands of spiritually curious imperfect people to become his church but how are we doing at welcoming them No Perfect People Allowed shows you how to deconstruct the five main barriers standing between emerging generations and your church by creating the right culture From inspiring stories of real people once far from God to practical ideas that can be applied by any local church this book offers a refreshing vision of the potential and power of the Body of Christ to transform lives today

Velo52 Kristie McCrary, 2006-08 velo52 is a unique and unusual devotional book co authored by fourteen young ladies which includes Kristie McCrary the gifted anointed leader of the group These girls could have selected most any vocation and experienced success Their upbringing schooling and exposure to quality friends were par excellence first rate tip top and worthy of praise We're told that we become like the five people with whom we spend the most time That being the case these fourteen young ladies have it made Kristie lives on the twelfth floor of a high rise building with every protection and security afforded to her Yet she is not able to isolate her dedicated cohorts from the heart rending vicissitudes of life Each one will no doubt need to be prepared and have a spiritual game plan to meet betrayal sickness death wrong decisions separation and a catalogue of other ways Satan will use to come against them velo52 will give the testimony of these above average young ladies You can be a winner by reading this book Like my late husband Gordon told our only daughter Carole Shira in Hebrew when she was young Learn from the mistakes of others You won't live long enough to make them all yourself Freda Lindsay Co founder Christ For The Nations Inc Dallas Texas

Reaching People Under 40 while Keeping People over 60 Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group So many are asking How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values If a church is interested in growing this situation becomes a major challenge Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world It looks at the differences in the generations and at postmodernism not just a generational difference but a global change Most importantly Reaching People under 40 while Keeping People over 60 looks at what a church can do in this new age to help the church survive and thrive Foreword by Bill Easum A TCP Leadership Series title *Reports and Documents* United States. Americans Matt Teahan,2022-05-11 We Are America We Are Americans By Matt Teahan A Journey through life at least part of it and the lessons learned and in a rare instance taught In this quasi autobiography I answer the confounding questions of our day through a riveting for some people journey of all topics relevant Is the United States of America really a Christian Nation Where has this Country's corporate leadership gone Why would anyone waste an entire adolescence refining their basketball jump shot Why has the moral compass in Professional Sports disappeared into the abyss of political wokeness Why do we need to ban plastic straws and not water bottles particularly if Climate Change is going to kill us all in 9 years anyway How do we pay reparations for people of mixed race How can chicken sandwiches galvanize and legitimize the LGBT community What did I share with the Pope at the sacred site of Fatima What's it going to take to get millennials off Twitter out of Mom's basement and into Church Why is systemic ignorance a far greater threat to this country than anything else

systemic I ll introduce a toxic blend of fact fiction criticism sarcasm reality inquiry and humor into the topics of the day And I ll blend my shallow yet relevant life experiences into the mix where it s almost impossible to tell the difference You may get bored You might not You may or may not like my viewpoints You might not even like me But you won t be the first nor the last I think however everyone will find something here they can relate to Whether it s basketball friends God politics a career or the social issues of the day there s something for everybody Even for those who rarely open a book like today s College students For them I ve included pictures See Something for everybody And although some of my viewpoints you may frown upon you will appreciate the humor anecdotes multiple geography lessons ridicule sarcasm and blatant hypocrisy that I ll expose on any number of topics All shrouded in the novel concept called common sense And if you don t like to read about those types of things then don t buy the book Get it at the library I started this book on July 4th 2020 And I did it for a reason
