Butterflies D.B. Brown, 2020-11-03 What do you do when the pieces are scattered How do you find yourself when everything you thought you knew about yourself seems lost Who do you turn to when the reflection in the mirror is someone you no longer know When do you decide that it's time to transform not only your life but also everything in it The stages we go through in life the encounters we have and the moments that turn our lives in multiple directions are the very things we need to transform Every butterfly is born a caterpillar To some that caterpillar is ugly and unattractive its true purpose only very few of us know Many of us just see the beautiful ending in the butterfly But what does it take to get there The place in life we are in now is most important it's where we evolve change and transform People will often times say you have changed and you are

not the same Well as you grow in God and transform you shouldn't be the same There should be something different in your walk your talk the way you live and the way you think As each person positively transforms into God's desired masterpiece we should be in awe of amazement and joy of not only what God has done but that you were privileged to journey with them Now let me journey with you as you begin start over or pick up where you left off in transforming Remember don't despise any stage you are in when transforming even the caterpillar has a lot to offer As a matter of fact caterpillars have quite a few amazing facts three of which stick out to me 1 the caterpillars only job is to eat 2 caterpillars maintain their legs even after transforming into butterflies and 3 caterpillars have to be creative in defending themselves As growing women transforming into the image that God has created us to be our main job should be to eat We should be consuming God's love His word and everything God has for us to receive Like the caterpillar there are some things that God has planted in each of us that we will not be without at the end of blossoming into the beauty we were made to be In life we are going to go through an abundance of experiences to top it off the devil spends a lot of time scheming and planning attacks against us Finding the tools that help us move gracefully in life is often hard The Bible is always the best guide to dodging every bullet but without studying the word of God you never learn to use it to its full capacity Are you ready to finally to get your wings We are all becoming so just BECOME
