El-Hi Textbooks & Serials in Print, 2005 ,2005 **Beyond the Five Paragraph Essay** Kimberly Campbell,Kristi Latimer,2023-10-10 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay

Famous Last Words Alison Booth,1993 *Famous Last Words* traces a broad historical transition from the 1840s to the 1980s from the more rigid dichotomy of the Victorian novel in which good women must marry and fallen women die to the more open alternatives of twentieth century fiction which sometimes permit the independent female protagonist to survive and occasionally allow alternative constructions of gender as well as plot Each essay treats a narrative novel novella or novel poem by a single author in light of conventions of closure

and of gender in historical context The contributors recover forgotten texts revise our understanding of women writers once successful but now somewhat marginalized and give voice to cultural others Works by the already canonized George Eliot are reassessed and the representation of women in the canonical novels of male writers William Thackeray and Henry James is explored Resources in Education ,1990
