Make predictions

Choices, Choices!

Hurray! Spring break is here! Tommy's mom and dad are also on vacation from work all week. They want to plan all kinds of fun things to do, like biking, hiking, fishing, swimming, and tennis. They are hoping for some warm, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast in the newspaper before making final plans.

When you make predictions, you use information from a story to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday
				
a beauty with no clouds; high of 82	partly cloudy with a 40% chance of afternoon thunderstorms; high of 80	lingering showers until noon, then clearing and cooler with a high of 70	partly sunny with a high of 80	partly cloudy with a high of 83

- Tommy and his dad want to spend one whole day fishing. On which day(s) might they not want to go fishing?
- Which day would be the best day for swimming?
- On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!

Reading Comprehension Workbook Lessons And Tests
