poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature

The Oxford Handbook of Wisdom and the Bible Will Kynes,2021-01-25 This collection of leading scholars presents reflections on both wisdom as a general concept throughout history and cultures as well as the contested nature of the category of Wisdom Literature The first half of the collection explores wisdom more generally with essays on its relationship to skill epistemology virtue theology and order Wisdom is examined in a number of different contexts such as historically in the Hebrew Bible and its related cultures in Egypt and Mesopotamia as well as in Patristic and Rabbinic interpretation Additionally wisdom is examined in its continuing relevance in Islamic Jewish and Christian thought as well as from feminist environmental and other contextual perspectives The second half of the volume considers Wisdom Literature as a category Scholars address its relation to the Solomonic Collection its social setting literary genres chronological development and theology Wisdom Literature s relation to other biblical literature law history prophecy apocalyptic and the broad question of Wisdom influence is then discussed before separate chapters on the texts commonly associated with the category Contributors take a variety of approaches to the current debates surrounding the viability and value of Wisdom Literature as a category and its proper relationship to the concept of wisdom in the Hebrew Bible Though the organization of the volume highlights the independence of wisdom as concept from Wisdom Literature as a category seeking to counter the lack of attention given to this question in the traditional approach the inclusion of both topics together in the same volume reflects their continued interconnection As such this handbook both represents the current state of Wisdom scholarship and sets the stage for future developments

Job 28 as Rhetoric Alison Lo,2003-12-01 This study seeks to argue that Job 28 is an integral part of the book as it stands and that it is Job s speech Job 28 serves a special rhetorical function within the book and more specifically within chapters 22 31 This work provides a significant interpretative key to Job 28 within the most perplexing section of the book Job 22 31 Job 28 is in contradictory juxtaposition with other sayings of Job However this study argues that such contradictory juxtaposition is a feature of Job s speeches in chapters 22 31 and is part of the author s strategy to make a rhetorical impact upon the audience

Troubling (Public) Theologies Jione Havea, 2023-02-06 Theologies no matter their designations are public measures they disclose as well as gauge the publics near and far on which they stand sit lie or fall Because publics shift and mingle theologies require reimagining relocating and embracing fresh insights and energies The insights and energies embraced in this work are in three clusters spaces bodies and technologies The spotlighted spaces are in Africa Asia Black America the Caribbean and Pasifika beyond the eyes of mainline theologies the privileged bodies have survived with scars from empire and missionary positionings and the welcomed technologies include Dalit indigenous art poetry cyborg and the novel This collection is troubling in several ways first reimagining and relocating are troubling acts upon their subject matter here public theologies On that note what theology is not public Second this work takes theologies in general and not just the theologies that carry the public designation to be public theologies Third this work takes theologies in general to be inherently troubling In other words theologies that are not troubling are not public enough
