Religion And Society In Modern Japan Selected Readings:

Religion and Society in Modern Japan Mark Mullins, Susumu Shimazono, Paul Loren Swanson, 1993 Designed for classroom study this anthology provides the students with interpretations and perspectives on the significance of religion in modern Japan Emphasis is placed on the sociocultural expressions of religion in everyday life rather than on religious texts or traditions A particular strength of this collection is the combination of current Japanese and Western scholarship A *History of Japan* Conrad Totman, 2014-09-11 This is an updated edition of Conrad Totman's authoritative history of Japan from c 8000 BC to the present day The first edition was widely praised for combining sophistication and accessibility Covers a wide range of subjects including geology climate agriculture government and politics culture literature media foreign relations imperialism and industrialism Updated to include an epilogue on Japan today and tomorrow Now includes more on women in history and more on international relations Bibliographical listings have been updated and enlarged Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production **Japanese New Religions in Global Perspective** Peter B Clarke, Peter B. Clarke, 2013-11-05 Since the 1960s virtually every part of the world has seen the arrival and establishment of Japanese new religious movements a process that has followed quickly on the heels of the most active period of Japanese economic expansion overseas This book examines the nature and extent of this religious expansion outside Japan Nanzan Guide to Japanese Religions Paul L. Swanson, Clark Chilson, 2005-10-31 For updates online visit the Nanzan Guide site at Nanzan Library of Asian Religion and Culture The Nanzan Guide to Japanese Religions combines for the first time in any language state of the field theoretical and critical discussions with concrete resources students and scholars need to conduct research on Japanese religions Even seasoned scholars typically approach their research in an unsystematic manner becoming familiar with a particular area of inquiry while remaining largely unaware of what exists in the rest of the field This inefficient method hinders particularly less experienced researchers and circumscribes their lines of inquiry The Nanzan Guide provides both beginners and specialists with a reference that will serve as a basic introduction to Japanese religions and allow them to conduct research more proficiently and in greater depth Overlapping and thought provoking chapters written by leading specialists offer a variety of perspectives on the complicated and multifaceted field of Japanese religions The essays are divided into four sections religious traditions Japanese religions in

general Shinto Buddhism folk religion new religions Christianity the history of Japanese religions ancient classical medieval early modern modern contemporary major themes symbolism ritual and the arts literature and scripture state and religion geography and environment intellectual history gender and practical essays finding references and using libraries working with archive collections conducting fieldwork A chronology of religion in Japanese history is also provided

Religions in Focus Graham Harvey, 2016-04-08 Religions in Focus engages with the religious lives of members of some of the most significant religions today It presents religions as contemporary ways of life that motivate and inspire people Because religious people refer to sacred texts honour the founders of their religions learn from elders or mould their lives according to authoritative teachings Religions in Focus explains the relationship between tradition and contemporary practice It offers an introduction to religions that is rooted in the best scholarship of the Study of Religions and provides a secure foundation for further study A team of Religious Studies scholars from many countries all skilled communicators about the contemporary religions with which they are thoroughly familiar introduce what it means to live as a religious person today They insist that however old or young these religions may be what is most interesting is the ways in which people express them today This is not a history of religions but an insightful introduction to living religions A guide to further study and a companion website will point to ways of building on knowledge gained in studying this book and applying skills developed in studying people's religious lives

Routledge Handbook of Japanese Culture and Society Victoria Bestor, Theodore C. Bestor, Akiko Yamagata, 2011-04-13 This Handbook is an interdisciplinary resource that focuses on contemporary Japan and the social and cultural trends that are important at the beginning of the twenty first century

The Samurai and the Sacred Stephen Turnbull, 2011-08-20 A comprehensive study into the spiritual world of the Samurai from the cult of revenge and suicide to Zen and martial arts The fierce loyalty and self sacrificing attitude of the Samurai have made them both a legend and a cult Yet although their military prowess and skills in the martial arts have been studied exhaustively an understanding of their belief system still eludes many This original and exciting work examines the spiritual world of the samurai from their attachment to Japan's mainstream religions of Shinto and Buddhism to their involvement in Confucianism Christianity and folk religion Samurai expert Stephen Turnbull examines important topics such as Zen and the martial arts modern militarism the cult of the sword revenge and suicide hara kiri and the kamikaze pilots the suicide bombers of their day He also looks at the fascinating issue of Japanese religious terrorism as well as the growing cult status of the Samurai both in Japan and in the West

Faking Liberties Jolyon Baraka Thomas, 2019-03-25 Religious freedom is a founding tenet of the United States and it has frequently been used to justify policies towards other nations Such was the case in 1945 when Americans occupied Japan following World War II Though the Japanese constitution had guaranteed freedom of religion since 1889 the United States declared that protection faulty and when the occupation ended in 1952 they claimed to have successfully replaced it with real religious freedom Through a fresh analysis of pre war Japanese law Jolyon Baraka Thomas demonstrates that the

occupiers triumphant narrative obscured salient Japanese political debates about religious freedom Indeed Thomas reveals that American occupiers also vehemently disagreed about the topic By reconstructing these vibrant debates *Faking Liberties* unsettles any notion of American authorship and imposition of religious freedom Instead Thomas shows that during the Occupation a dialogue about freedom of religion ensued that constructed a new global set of political norms that continue to form policies today

Marketing the Menacing Fetus in Japan Helen Hardacre, 2023-09-01 Helen Hardacre provides new insights into the spiritual and cultural dimensions of abortion debates around the world in this careful examination of mizuko kuyo a Japanese religious ritual for aborted fetuses Popularized during the 1970s when religious entrepreneurs published frightening accounts of fetal wrath and spirit attacks mizuko kuyo offers ritual atonement for women who sometimes decades previously chose to have abortions As she explores the complex issues that surround this practice Hardacre takes into account the history of Japanese attitudes toward abortion the development of abortion rituals the marketing of religion and the nature of power relations in intercourse contraception and abortion Although abortion in Japan is accepted and legal and was commonly used as birth control in the early postwar period entrepreneurs used images from fetal photography to mount a surprisingly successful tabloid campaign to promote mizuko kuyo Enthusiastically adopted by some religionists as an economic strategy it was soundly rejected by others on doctrinal humanistic and feminist grounds In four field studies in different parts of the country Helen Hardacre observed contemporary examples of mizuko kuyo as it is practiced in Buddhism Shinto and the new religions She also analyzed historical texts and contemporary personal accounts of abortion by women and their male partners and conducted interviews with practitioners to explore how a commercialized ritual form like mizuko kuyo can be marketed through popular culture and manipulated by the same forces at work in the selling of any commodity Her conclusions reflect upon the deep current of misogyny and sexism running through these rites and through fetocentric discourse in general Helen Hardacre provides new insights into the spiritual and cultural dimensions of abortion debates around the world in this careful examination of mizuko kuyo a Japanese religious ritual for aborted fetuses Popularized during the 1970s when reli

Religion and the State Scott A. Merriman, 2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots *Religion and the State* An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion Readers can investigate specific nations compare situations across nations and explore key

issues in the pervasive often controversial relationship between religion and government **The Way of the 88 Temples** Robert C. Sibley, 2013-09-24 Compelled to seek something more than what modern society has to offer Robert Sibley turned to an ancient setting for help in recovering what has been lost The Henro Michi is one of the oldest and most famous pilgrimage routes in Japan It consists of a circuit of eighty eight temples around the perimeter of Shikoku the smallest of Japan's four main islands Every henro or pilgrim is said to follow in the footsteps of K b Daishi the ninth century ascetic who founded the Shingon sect of Buddhism Over the course of two months the author walked this 1 400 kilometer route roughly 870 miles visiting the sacred sites and performing their prescribed rituals Although himself a gaijin or foreigner Sibley saw no other pilgrim on the trail who was not Japanese Some of the people he met became not only close companions but also ardent teachers of the language and culture These fellow pilgrims own stories add to the author's narrative in unexpected and powerful ways Sibley's descriptions of the natural surroundings the customs and etiquette the temples and guesthouses will inspire any reader who has longed to escape the confines of everyday life and to embrace the emotional psychological and spiritual dimensions of a pilgrimage **Japan and Christianity** John Breen, Mark Williams, 2016-07-27 Much has been written of the success of the early missions to Japan during the decades immediately following the arrival of the first Jesuits in 1549 The subsequent failure of the faith to put down roots strong enough to survive this initial wave of enthusiasm is discussed with equal alacrity The papers in this volume born of a Conference marking the centenary of the Japan Society of London represent an attempt to reassess the contact between Christianity and Japan in terms of a symbiotic relationship a dialogue in which the impact of Japan on the imported religion is viewed alongside the more frequently cited influence of Christianity on Japanese society Here is a dynamic cultural encounter examined by the papers in this volume from a series of political literary and historical perspectives **Religion and Orientalism in Asian Studies** Kiri Paramore, 2016-10-06

Religion and Orientalism in Asian Studies analyses the role of religion in past and present understandings of Asia Religion and the history of its study in the modern academy has exercised massive influence over Asian Studies fields in the past century Asian Studies has in turn affected and is increasingly shaping the study of religion Religion and Orientalism in Asian Studies looks into this symbiotic relationship both in current practice and in the modern histories of both Orientalism and Area Studies Each chapter of the book deals with one regional sub discipline in Asian Studies covering Chinese Studies Japanese Studies Korean Studies South Asian Studies Southeast Asian Studies and Central Eurasian Studies The chapters are integrated by shared themes that run through the past and present practice of Asian Studies covering the role of state actors in originating Area Studies the role of local scholarship in defining and developing it the interaction between humanities and social science approaches debates over the dominance of Western and or modern categories and frameworks the interaction of past and present and the role of religious actors and religious sensibilities in shaping Asian Studies **More than Luther:** Karla Apperloo-Boersma, Herman J. Selderhuis, Siegrid Westphal, Christopher B. Brown, Günter Frank, Bruce

Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Zsombor Tóth, Günther Wassilowsky, 2019-03-11 This volume contains the plenary papers and a selection of shortpapers from the Seventh Annual RefoRC conference which was held May 10-12th 2017 in Wittenberg. The contributions concentrate on the effects of Luther's new theology and draw the lines from Luther's contemporaries into the early seventeenth century. Developments in art, Catholic responses and Calvinistic reception are only some of the topics. The volume reflects the interdisciplinarity and interconfessionality that characterizes present research on the 16th century reformations and underlines the fact that this research has not come to a conclusion in 2017. The papers in this conference volume point to lacunae and will certainly stimulate further research. Contributors: Wim François, Antonio Gerace, Siegrid Westphal, Edit Szegedi, Maria Lucia Weigel, Graeme Chatfield, Jane Schatkin, Hettrick, Marta Quatrone, Aurelio A. García Jeannette Kreijkes, Csilla Gabor, Gabor Itz's Bal, Zsolt Magyar, Tomoji Odori, Gregory Soderberg, Herman A. Speelman, Izabela Winiarska, Gorska, Erik A. de Boer, Donald Sinnema, Dolf te Velde. **Global Secularisms in a Post-Secular Age** Michael Rectenwald, Rochelle Almeida, George Levine, 2015-10-16 Global Secularisms addresses the state of and prospects for secularism globally. Drawing from multiple fields, it brings together theoretical discussion and empirical case studies that illustrate on the ground extant secularisms as they interact with various religious, political, social, and economic contexts. Its point of departure is the fact that secularism is plural and that various secularisms have developed in various contexts and from various traditions around the world. Secularism takes on different social meanings and political valences wherever it is expressed. The essays collected here provide numerous points of contact between empirical case studies and theoretical reflection. This multiplicity informs and challenges the conceptual theorization of secularism as a universal doctrine. Analyses of different regions enrich our understanding of the meanings of secularism, providing a comparative range to our notions of secularity. Theoretical treatments help to inform our understanding of secularism in context, enabling readers to discern what is at stake in the various regional expressions of secularity globally. While the bulk of the essays are case-based research, the current thinking of leading theorists and scholars is also included. **Buddhism and Politics in Twentieth Century Asia** Ian Harris, 2010-07-15 In this study, a team of international scholars assess the manner in which Buddhist organizations and individuals have resisted, come to terms with, or in some cases allied themselves with the forces of war, modernity, westernization, nationalization, capitalism, communism, and ethnic conflict. By examining issues such as left-right divisions in the monastic order, the rise of organized lay movements, Buddhist social activism, as well as explicitly Buddhist-inspired political activity, this book seeks to demonstrate that the emphasis on meditation and mental training is only one strand in this richly complex world historical tradition. **Japanese Religions on the Internet** Erica Baffelli, Ian Reader, Birgit Staemmler, 2013-05-13 Japanese Religions on the Internet draws attention to how religion is being presented, represented, and discussed on the Japanese Internet. Its intention is to contribute to wider discussions about religion and the Internet by providing an important example based on one of the Internet's most prominent languages of how

new media technologies are being used and are impacting on religion in the East Asian context while also developing further our understandings of religion in a technologically advanced country. Scholars studying the relationship of religion and the Internet can no longer work on prevailing notions that have thus far characterised the field such as the assumption that the Internet is a Western centric phenomenon and that studies of English language sites relating to religion can provide a viable model for wider analyses of the topic. Despite this growing amount of research on religion and the Internet comparatively little has focused on non Western cultures. The general field of study relating to religion and the Internet has paid scant attention to Asian contexts. The field needs a full length and comprehensive study that focuses on the Japanese religious world and the Internet not merely to redress the imbalances of the field thus far but also because such studies will be central to the emerging field of the study of religion and the Internet in future. They will provide important means of developing new theories constructing new paradigms and understanding the underlying dynamics of this new media form.

Bonds of the Dead Mark Michael Rowe, 2011-09-30. Despite popular images of priests seeking enlightenment in snow covered mountain temples the central concern of Japanese Buddhism is death. For that reason Japanese Buddhism's social and economic base has long been in mortuary services a base now threatened by public debate over the status treatment and location of the dead. *Bonds of the Dead* explores the crisis brought on by this debate and investigates what changing burial forms reveal about the ways temple Buddhism is perceived and propagated in contemporary Japan. Mark Rowe offers a crucial account of how religious political social and economic forces in the twentieth century led to the emergence of new funerary practices in Japan and how as a result the care of the dead has become the most fundamental challenge to the continued existence of Japanese temple Buddhism. Far from marking the death of Buddhism in Japan Rowe argues funerary Buddhism reveals the tradition at its most vibrant. Combining ethnographic research with doctrinal considerations this is a fascinating book for anyone interested in Japanese society and religion.

Women Religious Leaders in Japan's Christian Century, 1549-1650 Haruko Nawata Ward, 2016-12-05. Meticulously researched and drawing on original source materials written in eight different languages this study fills a lacuna in the historiography of Christianity in Japan which up to now has paid little or no attention to the experience of women. Focusing on the century between the introduction of Christianity in Japan by Portuguese Jesuit missionaries in 1549 and the Japanese government's commitment to the eradication of Christianity in the mid seventeenth century this book outlines how women provided crucial leadership in the spread nurture and maintenance of the faith through various apostolic ministries. The author's research on the religious backgrounds of women from different schools of late medieval Japanese Shinto Buddhism sheds light on individual women's choices to embrace or reject the Reformed Catholicism of the Jesuits and explores the continuity and discontinuity of their religious expressions. The book is divided into four sections devoted to an in depth study of different types of apostolates: nuns women who took up monastic vocations; witches the women leaders of the Shinto Buddhist tradition who resisted Jesuit teachings; catechists women who

engaged in ministries of persuasion and conversion and sisters women devoted to missions of mercy Analyzing primary sources including Jesuit histories letters and reports especially Lu s Fr is Hist ria de Jap o hagiography and family chronicles each section provides a broad understanding of how these women in the context of misogynistic society and theology utilized resources from their traditional religions to new Christian adaptations and specific religio social issues creating unique hybrids of Catholicism and Buddhism The inclusion of Portuguese Spanish Italian and Japanese texts many available for the first time in English and the dramatic conclusion that women were largely responsible for the trajectory of Christianity in early modern Japan makes this book an essential reading for scholars of women s history religious history history of Christianity and Asian history *Sharing Jesus in the Buddhist World* David Lim, Steve Spaulding, Paul H. de Neui, 2003-06-01 This book on Christian missions to the Buddhist world not only provides understanding of many Buddhist cultures but provides culturally relevant ideas on sharing Jesus with Buddhists around the world It lives up to the editors goal to provide the global church with knowledge and understanding of the Buddhist world and how to reach it for Christ

This is likewise one of the factors by obtaining the soft documents of this **Religion And Society In Modern Japan Selected Readings** by online. Religion And Society In Modern Japan Selected Readings Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Society In Modern Japan Selected Readings has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Society In Modern Japan Selected Readings has opened up a world of possibilities. Downloading Religion And Society In Modern Japan Selected Readings provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Society In Modern Japan Selected Readings has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And Society In Modern Japan Selected Readings. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Society In Modern Japan Selected Readings. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Religion And Society In Modern Japan Selected Readings, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And Society In Modern Japan Selected Readings has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Society In Modern Japan Selected Readings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
