Running On The Edge A Biography:

Living at the Edge : a Biography of D.H. Lawrence and Frieda Von Richthofen Michael Squires,Lynn K.

Talbot,Lynn Kiefer Talbot,2002 Dashingly told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda s unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy relationship between husband and wife The strong sexual vitality that inspired Lawrence s art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society Living at the Edge follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence s courageous battle against illness and after his death in 1930 Frieda s success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence s literary career Biographers Squires and Talbot see Lawrence s major novels The Rainbow Women in Love Lady Chatterley s Lover as a fresh way to understand his turbulent and conflicted life They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences lives and work The rich materials from Frieda s letters reveal a different Lawrence more difficult as a man but more interesting as an artist they also reveal a different Frieda more vibrant as a woman more substantial as a companion This superb biography gives both Lawrence and Frieda striking new dimensions

Fernando, 2023-12-16 *The Horror Beyond Life's Edge* 560 Macabre Classics Supernatural Mysteries Dark Tales is an evocative anthology that plunges readers into the shadowy realms of the supernatural and mysterious. This collection spans an impressive array of literary styles from chilling narratives of gothic horror to poignant thought provoking supernatural mysteries. Within these pages readers will find works that reflect the bleak atmospheres and profound philosophical questions that define the macabre genre with standout tales that tackle the eerie and the inexplicable. The anthology situates itself within the rich tradition of horror literature weaving together timeless themes of fear and wonder that have captivated audiences across generations. The impressive roster of authors contributing to this volume includes literary giants known for their profound impact on the horror genre. Figures like Mary Shelley, H. P. Lovecraft and Edgar Allan Poe anchor the collection bringing with them legacies of literary innovation and psychological depth. Their works alongside those of others such as Wilkie Collins, Emily Brontë and Ambrose Bierce reveal the varied landscapes of fear that span from the gothic corridors of Victorian England to the existential dread of early 20th century America, enriching the anthology with cultural and historical context. This anthology is a must read for enthusiasts of dark fiction and those interested in exploring the myriad ways in which human fear and fascination with the unknown have been expressed through literature. It offers an unparalleled opportunity to engage with some of the finest stories of suspense and terror providing not only hours of enthralling reading but also insights into the evolution of horror. As a compendium that celebrates the darkness lurking at life's edges, this collection invites readers to experience the chilling imaginings of celebrated authors and to contemplate the boundless scope of human imagination and fear.

The Outsider's Edge Brent D. Taylor, 2011-12-30 The secret of extreme wealth creation. *The Outsider's Edge* reveals the one common denominator the world's richest self-made people share. Studying the lives of 17 world famous billionaires, author and researcher Brent Taylor discovered that their one shared experience is that of the outsider. From Bill Gates to Richard Branson to Warren Buffett, being different from their peers and proud of it has served as prime motivation for many of the world's most spectacularly successful people. Turning the conventional wisdom about wealth on its head, *The Outsider's Edge* reveals the true value and importance of being different. Brent Taylor, Australia, is a professional researcher who has worked for more than 20 years as a market researcher to government and corporations.
