RUSSIA AND THE USSR IN THE TWENTIETH CENTURY

FOURTH EDITION

Russia And The Ussr In The Twentieth Century

**Katharine Hodgson, Joanne
Shelton, Alexandra Smith**

Russia And The Ussr In The Twentieth Century:

A History of Twentieth-century Russia Robert Service,1915 A professor of Russian history offers a fresh and lively survey of the Soviet experience from the rise of communism in 1917 to the aftermath of its collapse in 1991 5 maps 7 cartoons

Russia's Long Twentieth Century Choi Chatterjee,Lisa A. Kirschenbaum,Deborah A. Field,2016-05-20 Covering the sweep of Russian history from empire to Soviet Union to post Soviet state Russia s Long Twentieth Century is a comprehensive yet accessible textbook that situates modern Russia in the context of world history and encourages students to analyse the ways in which citizens learnt to live within its system and create distinctly Soviet identities from its structures and ideologies Chronologically organised but moving beyond the traditional Cold War framework this book covers topics such as the accelerating social economic and political shifts in the Russian empire before the Revolution of 1905 the construction of the socialist order under Bolshevik government and the development of a new state structure political ideology and foreign policy in the decades since the collapse of the Soviet Union The authors highlight the polemics and disagreements that energize the field discussing interpretations from Russian migr and Western historiographies and showing how scholars diverge sharply in their understanding of key events historical processes and personalities Each chapter contains a selection of primary sources and discussion questions engaging with the voices and experiences of ordinary Soviet citizens and familiarizing students with the techniques of source criticism Illustrated with images and maps throughout this book is an essential introduction to twentieth century Russian history

Russia and the USSR in the Twentieth Century David MacKenzie,Michael W. Curran,2002 In this revision of their best selling text MacKenzie and Curran present a succinct updated history from the later imperial tsarist regime to the current Russia Acclaimed in the field for its clarity comprehensiveness and accuracy the text balances social cultural history with political history through the Putin presidency and offers Russian as well as post Soviet views of Russian history

Russia in the Twentieth Century David R. Marples,2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

A History of Twentieth-century Russia Robert Service,1998

Russia's International Relations in the Twentieth Century Alastair Kocho-Williams,2013 Russia has long been a major player in the international relations arena but only by examining the whole century can Russian foreign policy be properly understood and the key questions as to the impact of war of revolution of collapse the emergence of the Cold War and Russia s post Soviet development be addressed Surveying the whole of the twentieth century in an accessible and clear manner Russia s International Relations in the Twentieth Century provides an overview and narrative with analysis that will serve as an introduction and resource for students of Russian foreign policy in

the period and those who seek to understand the development of modern Russia in an international context The volume includes an analysis of the major themes which surrounded Russia's position in world affairs as one of the European Great Powers before the First World War the impact of Revolution and the emergence of Soviet foreign policy with its dual aims of normalization and world revolution the changes wrought to the international order by the rise of Nazi Germany and by the Second World War the origins and development of the Cold War the end of the Cold War and the Soviet collapse how Russia has rebuilt itself as an international power in the post Soviet era An essential resource for students of Russian history and International policy

Motherland David R. Marples, 2014-10-13 *Motherland* tells the dramatic story of the rise and fall of the Soviet Union From Lenin's virtual coup in November 1917 to Boris Yeltsin's ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda especially those associated with the Great Patriotic War

Mastering Twentieth-Century Russian History Norman Lowe, 2020-08-29 *Mastering Twentieth Century Russian History* presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history

Twentieth Century Russia Donald Treadgold, 2018-05-04 Donald Treadgold was one of the most distinguished Russian historians of his generation His *Twentieth Century Russia* a standard text in colleges and universities for several decades has been regularly revised and expanded to reflect new events and scholarship The present revision by Professor Herbert Ellison contains a major chapter on the Yeltsin era and brings the Russian story to the final year of the century Twice in the twentieth century the collapse of the Russian state and empire has been followed by an effort to build a democracy on the Western model The first effort succumbed within a few months to Lenin's communist revolution whose ideas and institutions dominated the history of Russia and eventually much of the world during the succeeding seventy four years In August 1991 an attempt by Soviet leaders to suppress democratic and nationalist movements unleashed by the Gorbachev reforms and already victorious in Eastern Europe precipitated instead an anti communist revolution under the leadership of Boris Yeltsin The revolution and the sweeping transformation that followed are treated in the new edition which assesses the aims and

scope of the first decade of Russia's second revolution. The transformation included a new constitutional structure, two fully democratic parliamentary elections and a presidential election with another of each soon to come, a vigorous revival of political parties and political debate and major questions about Russia's political future. Against the broad background of the Russian experience over a turbulent century, it raises the major questions: What are the prospects for Russian democracy? Why are the communists following an anti-communist revolution, the most powerful parliamentary party in Russia's new parliament and what is their impact? Why has the conversion to a market economy proved so difficult and painful and what are its prospects? How has Russia related to the new states that were once fellow republics of the USSR? Why has the foreign policy of the new Russian democracy moved from a vision of partnership with the US to a reality of conflict and confrontation? Twentieth Century Russia poses these questions and many more for the student and the general reader alike against the fascinating background of Russia's experience before, during and since the era of communist rule, exploring the roots of current developments in the communist and pre-communist past.

The Cambridge History of Russia: Volume 3, The Twentieth Century Maureen Perrie, Ronald Grigor Suny, 2006-11-02 A major history of twentieth century Russia by leading scholars in the field.

The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre-revolutionary Russia, the Soviet Union and the post-Soviet Russian Federation. For the Soviet period, in particular, individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East, Tatarstan, Central Asia, Kazakhstan, Tajikistan and Uzbekistan and the Baltic States, Estonia, Latvia and Lithuania. Within the boundaries of the Russian Federation, the scope moves beyond the typically studied urban centres of Moscow and St Petersburg to examine the regions, Krasnodar, Novosibirsk, rural societies and village life. Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century as well as the changing status and roles of women vis-à-vis men in Soviet political institutions, the workplace and society more generally. This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies. The origins of the individual contributions can be identified in a range of conventional subject disciplines: history, literature, sociology, political science, cultural studies, but the chapters also adopt a cross and interdisciplinary approach to the topic of study. This handbook therefore builds on and extends the foundations of Russian women's and gender studies as it has emerged and developed in recent decades and demonstrates the international, indeed global reach of such research.

Philosophical Thought in Russia in the Second Half of the Twentieth Century Vladislav Lektorsky, Marina F. Bykova, 2019-01-10 Philosophical Thought in Russia in the Second Half of the 20th Century is the first book of its kind that offers a systematic overview of an often misrepresented period in Russia's philosophy. Focusing on philosophical ideas produced during the late 1950s to early 1990s, it reconstructs the development of genuine philosophical

thought in the Soviet period and introduces those non dogmatic Russian thinkers who saw in philosophy a means of reforming social and intellectual life Covering such areas of philosophical inquiry as philosophy of science philosophical anthropology the history of philosophy activity approach as well as communication and dialogue studies the volume presents and thoroughly discusses central topics and concepts developed by Soviet thinkers in that particular fields Written by a team of internationally recognized scholars from Russia and abroad it examines the work of well known Soviet philosophers such as Mikhail Bakhtin Evald Ilyenkov and Merab Mamardashvili as well as those important figures such as Vladimir Bibler Alexander Zinoviev Yury Lotman Georgy Shchedrovitsky Genrich Batishchev Sergey Rubinstein and others who have often been overlooked By introducing and examining original philosophical ideas that evolved in the Soviet period the book confirms that not all Soviet philosophy was dogmatic and tied to orthodox Marxism and the ideology of Marxism Leninism It shows Russian philosophical development of the Soviet period in a new light as a philosophy defined by a genuine discourse of exploration and intellectual progress rather than stagnation and dogmatism In addition to providing the historical and cultural background that explains the development of the 20th century Russian philosophy the book also puts the discussed ideas and theories in the context of contemporary philosophical discussions showing their relevance to nowadays debates in Western philosophy With short biographies of key thinkers an extensive current bibliography and a detailed chronology of Soviet philosophy this research resource provides a new understanding of the Soviet period and its intellectual legacy 100 years after the Russian Revolution

Gender in Twentieth-Century Eastern Europe and the USSR Catherine Baker, 2016-09-29 A concise and accessible introduction to the gender histories of eastern Europe and the Soviet Union in the 20th century These essays juxtapose established topics in gender history such as motherhood masculinities work and activism with newer areas such as the history of imprisonment and the transnational history of sexuality By collecting these essays in a single volume Catherine Baker encourages historians to look at gender history across borders and time periods emphasising that evidence and debates from Eastern Europe can inform broader approaches to contemporary gender history

Russian Aviation and Air Power in the Twentieth Century John Greenwood, Von Hardesty, Robin Higham, 2014-06-11 In the light of new archival material the editors take a fresh look at Russian aviation in the twentieth century Presenting a comprehensive view of Russian aviation from its genesis in the late czarist period to the present era the approach is essentially chronological with a major emphasis on the evolution of military aviation The contributions are diverse with appropriate attention to civilian and institutional themes

Russia's Long Twentieth Century Choi Chatterjee, Deborah A. Field, Lisa A. Kirschenbaum, 2025-08-01 Covering the sweep of Russian history from empire to Soviet Union to post Soviet state this new edition of Russia's Long Twentieth Century is an accessible textbook that encourages students to start a lively conversation with Russia's storied past Chronologically organized the book moves beyond the traditional Cold War framework situating Russian history within world history It covers topics including state power political ideology economic

change and foreign policy highlighting the perspectives of ordinary people and exploring the impacts of race ethnicity nationality gender and generation on historical experience Taking an inquiry based approach the authors show how scholars diverge sharply in their understanding of key events historical processes and personalities Each chapter contains a selection of primary sources and discussion questions engaging with the voices and experiences of diverse Soviet citizens and familiarizing students with the techniques of source criticism The second edition features expanded coverage of the non Russian regions of the Russian empire and the Soviet Union adding new sections on Ukraine in particular To help students navigate the book the new edition also includes a timeline of key events and people and a glossary With a variety of learning tools maps and images this volume is an essential introduction to twentieth century Russian history

Twentieth-Century Russian Poetry Katharine Hodgson, Joanne Shelton, Alexandra Smith, 2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation's culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008 In the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandel'shtam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date

The Last Empire Jeeva Pitchaimani, 2020-06-12 You know about the Soviet Union You know about your world of yesterday and today regardless of which nation you belong to This book offers a bird's eye view of the history of the Soviet Union Sure to be a racy read This

book is a short history of the USSR for beginners and lovers of history An excerpt Socialism did kill millions of human lives in the USSR mercilessly During Stalin s regime the government was one huge irrepressible killing machine But once you are done shrinking at the horror of what happened out there open your closed eyes Enlighten yourself to the fact that Socialism also saved millions and millions of lives across the globe at the same time from the ravages of imperialist capitalism It gave hopes to multitudes of toiling masses and helped them fight their righteous fight against predatory capitalism Even today things we take for granted such as legally guaranteed working hours pensions provident fund maternity leave voting rights the right to organize the right to education food and a decent living owe their origins to the idea of Socialism The USSR regardless of how close it came to achieving Socialism internally was viewed all over the world by the ruling classes as nothing less than a living embodiment of Socialism an idea that simply horrified them It was that fear that terrible fear to protect themselves from the hegemony of the working classes that Socialism stood for that forced them to grant all the rights and freedoms that you enjoy today Let that sink in

Key Themes of the Twentieth Century Philip Sauvain,1996 Key History for GCSE offers a cost effective approach to resourcing the new GCSE syllabuses as one core book covers all the Modern World syllabus requirements The series is practical and flexible the core book is supplemented by topic books providing resurces for Modern World and Schools History project Depth Studies Teachers will enjoy a comprehensive support package Each Pupils Book is supported by a fully integrated Teacher s Resource Guide providing worksheets for mixed abilities homework resources and guidelines on assessment Suitable for all ability levels Extra help is given for lower ability pupils The series makes an ideal core resource for GCSE suitable for use either as a stand alone course or as a follow on to Key History for Key Stage 3 providing progression in learning style and presentation

Russia Enters the Twentieth Century George Katkov,Erwin Oberländer,Nikolaus Poppe,Georg Von Rauch,2025-06-30 First published in 1971 in its English translation *Russia Enters the Twentieth Century* provides a broad and detailed survey of Russia during the two decades leading up to the revolution An international team of scholars examines each significant aspect of Russian life to create a comprehensive portrait of Russia under Nicholas II 1894 1917 free from the myths imposed by historians who on both sides have tended to interpret it through the lens of the revolution that followed rather than studying it objectively as a distinct period This work serves as an important historical reference for students and researchers of Russian history

The Language of Russian Peasants in the Twentieth Century Alexander D. Nakhimovsky,2019-10-28 *The Language of Russian Peasants in the Twentieth Century A Linguistic Analysis and Oral History* analyzes the social dialect of Russian peasants in the twentieth century through letters and stories that trace their tragic history In 1900 there were 100 000 000 peasants in Russia but by mid century their language was no longer passed from parents to children resulting in no speakers of the dialect left today In this study Alexander D Nakhimovsky argues that for all the variability of local dialects there was an underlying unity in them which derived from their old shared traditions and oral nature Their unity is best manifested in

word formation syntax phraseology and discourse Different social groups followed somewhat different paths through the maze of Soviet history and peasants path was one of the most painful The chronological organization of the book and the analysis of powerful concise and simple but expressive language of peasant letters and stories culminate into an oral history of their tragic Soviet experience

Thank you very much for downloading **Russia And The Ussr In The Twentieth Century**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Russia And The Ussr In The Twentieth Century, but end up in infectious downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they cope with some infectious virus inside their desktop computer.

Russia And The Ussr In The Twentieth Century is available in our digital library an online access to it is set as public so you can download it instantly.

Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.
