Power of Freedom Chih-Ping Chou, Carlos Lin, 2022-10-17 Dr Hu Shih 1891 1962 was one of China s top scholars and diplomats and served as the Republic of China s ambassador to the United States during World War II As early as 1941 Hu Shih warned of the fundamental ideological conflict between dictatorial totalitarianism and democratic systems a view that later became the foundation of the Cold War narrative In the 1950s after Mao s authoritarian regime was established Hu Shih started to analyze the development and nature of Communism delivering a series of lectures and addresses to reveal what he called Stalin s grand strategy for facilitating the International Communist Movement For decades and today to a certain extent Hu Shih s political writings were considered sensitive and even dangerous As a strident critic of the Chinese

Communist Party's oligarchical practices he was targeted by the CCP in a concerted national campaign to smear his reputation cast aspersions on his writings and generally destroy any possible influence he might have in China This volume brings together a collection of Hu Shih's most important mostly unpublished English language speeches interviews and commentaries on international politics China U S relations and the International Communist Movement Taken together these works provide an insider's perspective on Sino American relations and the development of the International Communist Movement over the course of the 20th century

The Political Institutions of Modern China W.L. Tung, 2012-12-06 This book is prepared primarily for students who are interested in studying the constitutional development and government structure of twentieth century China Since the emergence of the Chinese constitutional movement at the end of the nineteenth century political institutions in China have undergone constant changes The first four chapters treat of constitutional development and government systems from the latter part of the Ch'ing dynasty to the reunification of China by the Nationalist Party in 1928 The other eight chapters deal with the policies programs and institutions of the Nationalist and Communist governments up to 1962 While treatises on various subjects have been consulted the sources of this book are chiefly based on the official documents from the collections as indicated in the bibliography Materials in the first few chapters are partly drawn from my previous works on government and politics in China Because of the immense scope of the subject and the intricacy of the problems involved this work is not intended to be exhaustive but is rather a brief description and discussion of each topic under consideration As there are many valuable works on China in general as well as on her history and international relations I have tried not to cover what has already been dealt with by others In my presentation of facts and views I have endeavored to be as objective as possible personal political convictions notwithstanding

WHY CHINA LEADS THE WORLD Godfree Roberts, 2021-01-04 The First Book to Explain China's Success Talent at the Top Data in the Middle Democracy at the Bottom The Coronavirus epidemic triggered a change of the global balance of power by the end of 2020 there were more hungry children more poor homeless drug addicted and imprisoned people in America than in China Why China Leads the World investigates why the epidemic accelerated the change of global leadership and examines China's bigger steadier economy its leadership in science stronger military more powerful allies and wider diplomatic support Crammed with charts footnotes and quotes it is a profoundly disturbing book but one that helps you understand the tectonic shift adapt to this new era and thrive in it China's grand strategy is simple create a home for the world's happiest people establish the world's best diplomatic relationships its strongest economy healthiest environment most powerful military newest technologies and best human rights record At that point the world's hearts and minds will follow

The Spirit of Chinese Politics Lucian W. Pye, 1992 Lucian Pye one of the most knowledgeable observers of China unfolds in this book a deep psychological analysis of Chinese political culture The dynamics of the Cultural Revolution the behavior of the Red Guards and the compulsions of Mao Tse tung are

among the important symptoms examined But Pye goes behind large events exploring the more enduring aspects of Chinese culture and the stable elements of the national psychology as they have been manifested in traditional Republican and Communist periods He also scans several possible paths of future development The emphasis is on the roles long played by authority order hierarchy and emotional quietism in Chinese political culture as shaped by the Confucian tradition and the institution of filial piety and the resulting confusions brought about by the displacements of these traditions in the face of political change and modernization In this new edition Pye adds a chapter on the basic tension between consensus and conflict in the operation of Chinese politics illustrating the spirit in action and another discussing the great gap that persists between the worlds of the political leadership and of society at large in post Tiananmen China
