

The World's Top Tourist Destinations by Money Spent

International Tourism Receipts in 2018 (US\$ billion)*

* Note: International tourism receipts are defined (by WTO) as expenditure of international inbound visitors including their payments to national carriers for international transport. They also include any other payments or payments afterwards made for goods and services received in the destination country. For visualization purposes only countries with \$1B or more value on tourism receipts are shown.

How to Read this Map: This map shows the biggest international tourism receipts in 2018. Each country is sized to reflect the amount of tourism receipts, countries appear bigger as their tourism receipts are higher, for example: USA. Conversely, countries with smaller tourism receipts appear smaller, for example: El Salvador.
