Maram Nagas A Sociocultural Study:

Maram Nagas, a Socio-cultural Study Joseph Athickal, 1992 Socio-cultural History of Shüpfomei Naga Tribe William Nepuni, 2010 Interstices of Space and Memory Sreedevi Santhosh, Samjaila TH, Sneha Suresh, Preethi S., 2025-03-07 The conference intersectionally locates memory and space that reconstruct city chronotopes to explore how identities are reconfigured in metropolitan Indian cities In taking recourse in locating turning points that could be historical political or cultural in the life of Metropolitan Indian Cities the perspective that is brought together with personal and collective stories that are recorded in Art Literature Curated Projects Museums is that these moments reshape human values ethos in Cities The assumption made is that at specific moments in time turning points with the pandemic for instance the spirit of the city changes It highlights how human beings in cities account for such changes the IIHS runs a postcard project on human lives during the plague and corona being an example It uses focal moments in the City as the lens to discuss Art Literature and City Design **Social, Cultural, Economic & Religious Life of a Transformed Community** T. Liankhohau, 1994 Survey of the pre and post Christian culture of the Paite people of Manipur India **Village Development in North-East India** Komol Singha, 2009 Contributed articles presented in a seminar held during 14 15 Sept 2007 at St Joseph s College Jhakama THE AONAGA GRAMMAR Will Illustrations Phrases and Vocabulary Mary M. Clark, Mrs. E. W. Clark, 1893 **Economy of a Primitive Tribal Village in Manipur** Komol Singha, 2011 **Socio-linguistic Situation in North-East India** Pauthang Haokip, 2011 **Encounter and Interventions** Sajal Nag, M. Satish Kumar, 2023-08-07 The advent of colonialism and its associated developments has been characterized as one of the most defining moments in the history of South Asia The arrival of Christian missionaries has not only been coeval to colonial rule but also associated with development in the region Their encounter critique endeavour and intervention have been very critical in shaping South Asian society and culture even where they did not succeed in converting people Yet there is precious little space spared for studying the role and impact of missionary enterprises than the space allotted to colonialism Isolated individual efforts have focused on Bengal Madras Punjab and much remains to be addressed in the context of the unique region of the North East India In North East India for example by the time the British left a majority of the tribals had abandoned their own faith and adopted Christianity It was a socio cultural revolution Yet this aspect has remained outside the scope of history books Whatever reading material is available is pro Christian mainly because they are either sponsored by the church authorities or written by ecclesiastical scholars Very little secular research was conducted for the hundred years of missionary endeavour in the region The interpretations which have emerged out of the little material available are largely simplistic and devoid of nuances This book is an effort to decenter such explanations by providing an informed historical and cultural appreciation of the role and contribution of missionary endeavors in British India Statistical Account of Manipur R. Brown, 2001
