*Marcel Proust* Jean-Yves Tadié, 2001 This biography of Marcel Proust provides a picture of the intellectual and social universe that fed his art along with a critical reading of the work itself *Marcel Proust* Edmund White, 1999-01-01 The celebrated novelist and influential cultural critic's classic biography of one of history's most important writers Marcel Proust If there is anyone worthy of producing an intimate biography of the enigmatic genius behind *Remembrance of Things Past* it is Edmund White himself an award winning writer for whom Marcel Proust has long been an obsession White introduces us not only to the recluse endlessly rewriting his one massive work through the night but also the darling of Parisian salons the grasper after honors and the closeted homosexual a subject this book is the first to explore openly From the frothiest gossip to the deepest angst here is a moving portrait to be treasured by anyone looking for an introduction to this literary icon

*Marcel Proust* William C. Carter, 2002-02-01 Biografie van de Franse schrijver 1871 1922 **Marcel Proust** Edmund White, John Mahoney, 1985-04 In White's superb biography Proust is shown in all his fascinating eccentricity as the yearning lonely boy the dazzling wit darling of Parisian salons the seeker of fame and the unhappy homosexual grappling with his sexual identity Copyright Libri GmbH All rights reserved **Marcel Proust on Life, Love and Letters** Marcel Proust, 1988

Caroline Weber says transformed themselves and were transformed by those around them into living legends paragons of elegance nobility and style All well but unhappily married these women sought freedom and fulfillment by reinventing themselves between the 1870s and 1890s as icons At their fabled salons they inspired the creativity of several generations of writers visual artists composers designers and journalists Against a rich historical backdrop Weber takes the reader into these women s daily lives of masked balls hunts dinners court visits nights at the opera or theater But we see as well the loneliness rigid social rules and loveless arranged marriages that constricted these women s lives Proust as a twenty year old law student in 1892 would worship them from afar and later meet them and create his celebrated composite character for *The Remembrance of Things Past*
