New International Greek Testament Commentary The Pastoral Epistles:

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight s commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excursuses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2 1 10 with a view to their applicability to present day situations *The Pastoral Epistles* George W. Knight, 1992 The Pastoral Epistles George W. Knight III, 1992-07-22 The Pastoral Epistles George W. Knight III, 1992 The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format **The Pastoral Epistles** Scot McKnight, 2023-11-09 Provides an up to date explanation of the Pastoral Epistles traditionally attributed to the apostle Paul **The Pastoral Epistles and the New Perspective on Paul** Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and

Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1:6-16, 2:3-7, 2 Tim 1:3-8, 12 and Titus 3:3-7

The Pastoral Epistles Stanley E. Porter, 2023-10-17 Leading New Testament scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning Porter addresses major exegetical issues that arise in numerous highly disputed passages and while attentive to the history of scholarship on First Timothy Second Timothy and Titus often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers This commentary will appeal to professors students and scholars of the New Testament

The Cradle, the Cross, and the Crown Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God's word of truth 2 Tim 2:15 It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life-long resource for students of Scripture

That God May Be All in All Ryan L. Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father's person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that

worships our Triune God **Pauline Communities as 'scholastic Communities'** Claire S. Smith, 2012 Edwin Judge's description of early Christian communities as scholastic communities provides the starting point of a search for a sociological description of the Christian communities portrayed in 1 Corinthians 1 and 2 Timothy and Titus. An original methodology uses a multi-layered exegetical approach to study every occurrence of the vocabulary of teaching in the letters. The focus is on the activity of teaching e.g. participants, method, manner, purpose, result, etc. The vocabulary represents ten semantic groupings which shed further light on the place and practice of education in the communities: core teaching, speaking, traditioning, announcing, revealing, worshipping, commanding, correcting, remembering, imitation, and false teaching. Claire S. Smith supports and develops Judge's 1960 description, advancing on it by showing that the communities are better described as learning communities with horizontal human-human and vertical divine-human dimensions.

A Multi-Intentioned View of the Extent of the Atonement Gary L. Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the atonement. Some believe that the atonement only extends to the elect; those whom God chose to save before the foundation of the world. Others believe the atonement is unlimited; that Jesus died for all people, whether they ever believe in him or not. Despite the differences in these two traditional understandings, they share one thing in common: both believe that Jesus died for a single intended purpose. But what if God's intentions in the atonement are multiple, not single? The Bible teaches exactly this: that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began. This book explains and defends a multi-intentioned view of the extent of the atonement, asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement. It is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins.

The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible, most broadly pitched, full-length commentary on Timothy and Titus. This NICNT volume explores Paul's three letters to Timothy and Titus within their historical, religious, and cultural settings. In his introduction, Towner sets out the rationale for his historical approach, questions certain assumptions of recent critical scholarship, and establishes the uniqueness and individuality of each letter. Significantly, Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters. Centered on an outstanding translation of the Greek text and including thorough footnotes, bibliographical citations, and indexes, Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors, students, and scholars.

Joel's Use of Scripture And the Scripture's Use of Joel John Strazicich, 2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben, where Israel's literature functions as an authoritative medium of refraction. The purpose is to recover the canon's unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces.

Extending Mercy to the Gentiles John P. Harrigan, 2023-10-13 Paul's discipleship agenda was defined by his native Jewish apocalyptic worldview. The novelties of his thought, namely the death of

Israel's Messiah the unique gift of God's Spirit and the intentional mission to the gentiles seem to be framed within the common Jewish eschatological parameters of the day of the Lord the judgment the resurrection of the dead and the messianic kingdom Moreover for Paul this eschatology was the primary driver of discipleship comforting in the midst of tribulation anchoring the gifts of the Spirit and informing divine mission Paul thus disciplined the gentiles into the hope of Israel

1-2 Thessalonians, 1-2 Timothy, Titus, Philemon Lee Gatiss, Bradley G. Green, 2019-11-26 The epistles of the New Testament provide insight into the realities of the life of the early church guidance for those called to lead the church and comfort in the face of theological questions The Protestant Reformers of the sixteenth century also found wisdom and guidance in these letters In this RCS volume Lee Gatiss and Bradley Green guide readers through a diversity of early modern commentary on the New Testament epistles
