

On Stage In America

Emilie Sanchez

On Stage In America:

On Stage in America Ted G. Cooper, Carole Singleton, 1987 **Asian American Culture on Stage** Yuko Kurahashi, 2013-05-13 This book captures the 30 year history of the East West Players EWP tracing the company's representation of Asian Americans through the complex social and cultural changes of the past three decades *Coriolanus on Stage in England and America, 1609-1994* John Ripley, 1998 Drawing upon promptbooks and other theater documents engravings and photographs reviews interviews letters diaries and memoirs he creates a richly layered account of a play persistently denied its character and rarely staged without explicit or implicit apology *The American President on Stage and Screen: A Journey Through Time* Pasquale De Marco, 2025-04-14 The American presidency has been a subject of fascination and intrigue for centuries From the earliest days of the republic presidents have been portrayed in a variety of media from paintings and sculptures to plays and films In recent decades television has become the primary medium through which the American public interacts with its presidents Presidents have used television to communicate directly with the American people to shape public opinion and to promote their agendas In turn television has shaped the way that Americans perceive their presidents From the fireside chats of Franklin D Roosevelt to the televised debates of John F Kennedy and Richard Nixon television has played a crucial role in shaping the American presidency The relationship between presidents and the media is a complex and ever changing one Presidents have often been critical of the media accusing them of being biased or unfair However presidents also recognize the importance of the media in reaching the American people They need the media to get their message out and to build public support for their policies The media for their part have a responsibility to inform the public about the president and his or her policies They must also hold the president accountable for his or her actions This can sometimes lead to conflict between the president and the media Despite the challenges the relationship between presidents and the media is essential to the functioning of American democracy The media provides the public with the information they need to make informed decisions about their government And the president needs the media to communicate with the American people and to build public support for his or her policies This book explores the relationship between presidents and the media It examines how presidents have used television to communicate with the American people It also examines how the media has shaped the way that Americans perceive their presidents Finally it considers the challenges and opportunities that lie ahead for the relationship between presidents and the media With its comprehensive analysis of the relationship between presidents and the media this book is an essential read for anyone interested in American politics history or culture It is a valuable resource for scholars students and general readers alike If you like this book write a review on google books *Echoes of the Holocaust on the American Musical Stage* Jessica Hillman, 2012-10-29 With chapters on *The Sound of Music* *Milk and Honey* *Fiddler on the Roof* *Cabaret* *The Rothschilds* *Rags Ragtime* and *The Producers* this book examines both direct and indirect references to or resonances of the Holocaust tracing changing

American attitudes through the chronological progression of these musical productions and their subsequent revivals Despite the abundance of writing on both musical theatre history and on the difficulties of Holocaust representation history and theatre scholars alike have thus far ignored the intersections of these areas The academy thereby risks excluding precisely those works that shed the most light on our culture s evolving response to the Shoah an event that still helps to define American identity This book redresses this lapse by focusing on the theatrical form seen by the greatest amount of people musicals which either trigger or reflect changing American mores *Julius Caesar on Stage in England and America, 1599-1973* John Ripley,1980-02-21 Professor Ripley in this 1980 study of Julius Caesar offers one of the most detailed stage histories ever attempted focusing upon aspects both of English and American staging from 1599 to 1973 His primary sources include promptbooks and groundplans letters diaries and reviews He approaches the play from four different angles he examines the texts used in all major productions and makes valuable deductions about the taste and sensibility of an age from cuts alterations additions and redistribution of parts He explains in detail the staging of the play at various points in time and demonstrates how sets and costumes bits of business handling of crowd scenes and lighting affected its business He reconstructs performances of the four main roles by the greater and lesser lights of each period Finally he comments on the way in which the theories of critics and in modern times directors ideas have influenced understanding of the play

Tenney Shares the Stage (American Girl: Tenney Grant, Book 3) Kellen Hertz,2017-04-25 Tenney Logan are a harmonious match onstage but behind the scenes they are totally out of tune In this third novel Tenney has signed a recording contract and is ready to make the album of her dreams she just wishes she didn t have to do it with moody Logan Everett They re supposed to be songwriting partners but Logan doesn t even seem to be trying Just when it looks like they ve found their harmony Logan suddenly disappears and Tenney wonders if he has bailed on their act A couple of months ago Tenney would have gladly taken the opportunity to go solo But as she learns more of Logan s story she begins to wonder Do she and Logan need each other and their music now more than ever before **Paul Whiteman: Pioneer in American Music, 1930-1967** Don Rayno,2003 In this second volume of Rayno s magisterial treatment of the life and music of this remarkable maestro Whiteman s career during the second half of his life is explored in the fullest detail as Whiteman conquers the worlds of theater and vaudeville the concert hall radio *A History of the New York Stage from the First Performance in 1732 to 1901* Thomas Allston Brown,1903 **Musical America** ,1916 **Scribners Monthly** ,1880

Proceedings of the Second Pan American Scientific Congress, Washington, U.S.A., Monday, December 27, 1915 to Saturday, January 8, 1916: (section III) Conservation of natural resources. G. M. Rommel, chairman ,1917

Who's who in Colored America ,1929 **The American Monthly Magazine** ,1911 *The Pageant of America, a Pictorial History of the United States* ,1929 *Journal of the American Public Health Association* ,1915 The American Catalogue ,1905 A Dictionary of American and English Law Stewart Rapalje,Robert Linn Lawrence,1883 American
