Tiger Woods Judy L. Hasday, 2009 Examines the life and career of golfer Tiger Woods

The Big Miss Hank Haney, 2012-03-27 The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six year journey with Tiger Woods during which the supremely gifted golfer collected six major championships and rewrote golf history Hank was one of the very few people allowed behind the curtain He was with Tiger 110 days a year spoke to him over 200 days a year and stayed at his home up to 30 days a year observing him in nearly every circumstance at tournaments on the practice range over meals with his wife Elin and relaxing with friends The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach It was a call that would change both men's lives Tiger only 28 at the time was by then already an icon judged by the sporting press as not only one of the best golfers ever but possibly the best athlete ever Already he was among the world's highest paid celebrities There was an air of mystery surrounding him an aura of invincibility Unique among athletes Tiger seemed to be able to shrug off any level of pressure and find a way to win But Tiger was always looking to improve and he wanted Hank's help What Hank soon came to appreciate was that Tiger was one of the most complicated individuals he'd ever met let alone coached Although Hank had worked with hundreds of elite golfers and was not easily impressed there were days watching Tiger on the range when Hank couldn't believe what he was witnessing On those days it

was impossible to imagine another human playing golf so perfectly And yet Tiger is human and Hank s expert eye was adept at spotting where Tiger s perfection ended and an opportunity for improvement existed Always haunting Tiger was his fear of the big miss the wildly inaccurate golf shot that can ruin an otherwise solid round and it was because that type of blunder was sometimes part of Tiger s game that Hank carefully redesigned his swing mechanics Hank s most formidable coaching challenge though would be solving the riddle of Tiger s personality Wary of the emotional distractions that might diminish his game and put him further from his goals Tiger had developed a variety of tactics to keep people from getting too close and not even Hank or Tiger s family and friends for that matter was spared the treatment Toward the end of Tiger and Hank s time together the champion s laser like focus began to blur and he became less willing to put in punishing hours practicing a disappointment to Hank who saw in Tiger s behavior signs that his pupil had developed a conflicted relationship with the game Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training and in a development Hank didn t see coming in the scandal that would make headlines in late 2009 It all added up to a big miss that Hank try as he might couldn t save Tiger from There s never been a book about Tiger Woods that is as intimate and revealing or one so wise about what it takes to coach a superstar athlete **Tiger & Phil** Bob Harig,2025-09-23 Bob Harig s Tiger Phil provides an in depth chronicle of the decades long rivalry that drove the success of golf s two biggest stars Tiger Woods and Phil Mickelson For more than two decades there have been two golfers who have captivated bemused inspired frustrated fascinated and entertained us and in doing so have demanded our attention Tiger Woods and Phil Mickelson Even with all the ink that has been spilled on Tiger no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined Furthermore very little has been written about Phil Mickelson who is more than just an adversary He is a fascinating Hall of Fame golfer in his own right These two biggest names and draws in golf have for better and for worse been the ultimate rivals But it is so much more complicated than that Each player has pushed the other to be better They have teased each other and fought They have battled to the bitter end on the course making for some of the greatest moments in the game for the last 20 years They have each gone through injury and health problems legal problems falling in and out of favor with the press And over the course of their time together in the game they have gradually become not just rivals but friends In the tradition of major bestsellers such as Arnie Jack When the Game Was Ours The Rivals and Brady vs Manning Tiger Phil will change the way we look at these players and the game itself Unplayable Robert Lusetich,2010-05-11 The definitive chronicle of the most stunning year in the legendary career of Tiger Woods when the world s greatest golfer returned to competitive play following major knee surgery only to have his personal life unravel in the public spotlight at year s end Who is the real Tiger Woods The unbeatable indomitable and ultimate competitor The husband and father who cares more about his family than anything else Or the supremely confident controller who thought fierce management of his image and those around him would allow him to lead a double life In Unplayable veteran journalist Robert

Lusetich offers an in depth look at the world s most recognizable yet least known athlete Tiger Woods Lusetich who first interviewed Woods in the late 1990s and has written about him since 1996 was the only writer to cover every PGA Tour event the world s number one golfer played in 2009 Unplayable tells of the unfolding of Tiger s most pivotal season on the golf course with his first ever hiatuses from professional play and provides extensive reporting and the backstory to show who the most elusive man in all of sports really is Lusetich peels away the layers of the Woods persona to create a portrait that is neither unsympathetic nor hesitant to shed light on Tiger s shortcomings This rich insightful account reveals what actually makes Woods the game s dominant player how his upbringing influenced who he is today and how he has changed over time and the nature of his relationships with his family former and current friends celebrity athletes peers coaches sports agents sponsors and the media and public itself Based on one of a kind access Unplayable is a gripping look at the man who changed golf and inspired more fans around the world than anyone else in the history of the sport
