On The Current Situation In The Ukraine:

On the Current Situation in the Ukraine Serhii Mazlakh, Vasyl' Shakhrai, Vasyl Shakhrai, Peter Potichnyj, 2025-10-01 The struggle for national liberation the freedom to develop an independent identity these are the issues advocated with fiery eloquence in this absorbing political tract Written in 1919 by two Ukrainian born Bolsheviks On the Current Situation in the Ukraine is the first impressive statement of national communism Vasyl Shakhrai and Serhii Mazlakh were passionate advocates of Ukrainian independence in particular opposition to the policies of Lenin In their view Lenin talked about national self determination but in actuality his aim was to preserve the territorial integrity of the former Russian Empire and the preeminent status of Russia On the Current Situation in the Ukraine brought its authors expulsion from the Party and the book is still suppressed in the Soviet Union It remains a remarkably relevant discussion of Soviet motives and the national aspirations of states living in the shadow of a great world power

Serpents in the Sand Courtney Brown, 2025-10-01 For decades social scientists have worked with models that have sought to quantify and explain human behavior The common foundation for nearly all of these mathematical applications is the assumption of linear progression equilibrium and stability *Serpents in the Sand* not only argues that political life is fundamentally nonlinear but thoroughly analyzes specific instances of extreme nonlinearity in politics By so doing Courtney Brown offers a guide to the reader on how to apply nonlinearity including chaos theory to real world situations The author develops his argument by in depth analysis of four examples covering a broad spectrum of political life He considers first the relationship between individual rationality and the influence of a voter's political milieu He then turns to look at the dynamics behind the Johnson vs Goldwater landslide presidential election of 1964 The fall of the Weimar Republic and the rise of Nazi Germany provide a third case study followed by an analysis of the relationship between democratic electoral politics and the ecological environment Highly original in its finding *Serpents in the Sand* resembles no other work on politics It is the first study of nonlinearity in political behavior to base its argument on specific examples rather than on analogies to physical and ecological systems Substantively the book draws provocative conclusions from the test cases examining for instance the potential for disaster in the oscillatory relationship between the way U S presidents are elected and the management of the country's environment In the end *Serpents in the Sand* extends its argument to the philosophy of human existence showing that human behavior is as nonlinear as all other processes in the universe Courtney Brown is Associate Professor of Political Science Emory University

National Security Drivers of Ukraine Oleksandr Radchenko, Valeriia Kovach, Inna Semenets-Orlova, Artur Zaporozhets, 2023-09-07 This volume presents the key informational communication and socio political drivers of the Ukrainian state's national security Since the beginning of the third millennium there has been an aggravation of global inter civilizational confrontations which in 2022 has already resulted in an open military aggression against Ukraine The hybrid

wars against the world of democracy have put ensuring the national security of states on the front pages of world and national agendas Using the example of Ukraine the book demonstrates how in order to achieve their geopolitical interests authoritarian regimes incite information wars as a prerequisite for the transition to an armed hot war It further shows how these processes actualize the formation of a fundamentally new state policy to ensure information and more broadly national security The book identifies the main threats to national security in modern states and identifies ways of protecting Ukraine s national interests The book will appeal to scholars students and researchers of political science international relations social sciences and neighboring disciplines as well as practitioners and policy makers interested in a better understanding of national security drivers and protecting national interests

The War in Ukraine and International Law Masahiko Asada,Dai Tamada,2024-06-19 The war in Ukraine is fast approaching its second anniversary since its commencement on 24 February 2022 as a blatant aggression by Russia As we discuss in detail in this book there are multiple international legal issues that arise and require addressing What is more the very international legal order is under threat insofar as the fundamental international law obligations are not being complied with and the basic international rules are utterly ignored This book discusses a number of international law issues arising from the war in Ukraine It covers not only the traditional subjects of war such as jus ad bellum international criminal law and the law of neutrality but also the relatively new issues arising from the economic sanctions against Russia including aspects of the WTO law and international investment law This book provides the readers with opportunities to reconsider the various legal aspects of the war in Ukraine

Gender, Politics, and Society in Ukraine Olena Hankivsky,Anastasiya Salnykova,2012-01-01 Gender Politics and Society in Ukraine is the first collection to examine how political social and economic transitions in post Communist Ukraine are transforming gender roles and relations within the country Leading Western and Ukrainian scholars and practitioners address a wide range of effects associated with and reinforced by these transitions including the breakdown of the general welfare system the lack of progress in the development of the healthcare system gender inequality in political representation the patriarchal nature of nation building human trafficking domestic violence changing conceptions of fatherhood and masculinity homelessness and LGBT issues from a variety of methodological and disciplinary perspectives Gender Politics and Society in Ukraine is particularly innovative in its exploration of both women s and men s experiences and the ways in which gender relations shift over time in societies undergoing transitions to democracy As such this volume furthers the understanding of the complex obstacles and challenges of working towards gender equality in evolving democracies and identifies future priorities for research politics and policy development

The West's Response to the Ukraine War Viktor Jakupec,2025-02-24 This book examines the political diplomatic and financial responses to the Russo Ukraine War through the lens of Realist international relations theory Analyzing the origins and ongoing dynamics of the conflict the book sheds light on how the West especially the EU and NATO has reacted to the war and discusses the implications of its strategy It

critically explores the influence of national populism and internal disunity within the West particularly against the background of rising Trumpism The book offers a fresh perspective on the geopolitical shifts reshaping power dynamics and traditional international relations From Ukraine's military struggles to NATO's challenges it analyzes how the conflict has disrupted existing political norms The book makes a case for rethinking the global political framework as the war continues to evolve and will appeal to students scholars and researchers of international relations and geopolitics This book offers a timely analysis of the Russo Ukraine War and its transformative impact on global geopolitics Examining the conflict's origins strategies and broader implications provides essential insights into shifting international dynamics and challenges to traditional geopolitical paradigms making it an invaluable resource for understanding the current crisis and evolving frameworks of global relations Lisheng Dong Emeritus Professor at the University of Tartu and former Visiting Professor at the University of Zurich The West's Response to the Ukraine War is a bravura performance Highly recommended for public and academic libraries Joseph M Siracusa Professor of Global Futures Curtin University Perth Australia

Women in Russia and Ukraine Rosalind J. Marsh, 1996-03-14 In this book leading western specialists and Russian and Ukrainian feminists examine how gender has shaped Russian and Ukrainian history from the twelfth century to the present In particular they analyse the current backlash against women's emancipation Using new archival materials and the insights of feminist theory the contributors explore the relevance of gender equality and difference in Russian history They find that women have not merely submitted to the patriarchal system but instead have found creative ways of resisting it Chapters focusing on contemporary Russia discuss abortion pornography sexual minorities young women's lifestyles the impact of economic reform on women and the development of the women's movement This book will be of interest to students and specialists in Russian Ukrainian and women's studies as well as to historians political scientists sociologists and economists

Russia is the blood enemy of Ukraine. The true history of Ukraine and Russia from the 2nd century BC. not distorted by Russian propaganda. Nashchubskiy, 2024-04-13 This historical book reveals the secrets of the past casting light on the dark corners of the relationship between Ukraine and Russia It unfolds a large scale picture of an age old relationship shedding light on the tragic events and indescribable feats of both nations As we travel through time we will discover that the history of these two peoples is intertwined with threads of complex events dating back to ancient times Each page of the book reveals not only the fascinating drama of historical vicissitudes but also pronounced features of national character that shape the fate of peoples This deep dive into the past opens eyes to the true causes of much of Ukraine's suffering revealing complex knots of political and cultural influences from Russia But at the same time it offers a new perspective on the relationship between these peoples calling for understanding and healing of historical wounds This historical book is a ruthless expose of Russia as the root of all Ukraine's ills I will tear the covers off the centuries old lies and manipulations of the Kremlin I will prove that every historical tragedy in Ukraine has roots in Russian influence From ancient times to modern times we will look at the

shocking truth hidden from us and see the real face of Russia as the main aggressor and oppressor of Ukraine This is a guide to the true history of the two peoples which will convince you to rethink the shared history of these countries Ukraine's election United States. Congress. House. Committee on International Relations,2005 *Ukraine Country Study Guide Volume 1 Strategic Information and Developments* IBP USA,2013-08 *Ukraine Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments* *Dynamics of the Ukraine War* Viktor Jakupec,2024-02-28 This book offers a contemporary cutting edge and advanced critical analysis of the first twenty months of the war between Russia and Ukraine Following a realist approach and with a focus on political discord economic sanctions and media limitations the book sheds light onto the deadlock between the conflicting parties It dissects the diplomatic endeavors and missteps varying political perspectives Western support strategies and the intricate global dynamics that triggered this existential crisis The critical assessment of political antecedents including the Budapest Memorandum the Bucharest Summit Declaration and the Minsk Agreements 1 and 2 uncovers hidden political motives aimed at setting the stage for a proxy war Additionally the book scrutinizes the financial dimensions of the conflict strategies for post conflict reconstruction and the emerging Zeitenwende phenomenon reshaping the geopolitical landscape of the Global North This book's insights suggest a potential shift towards a new multipolar global order representing a significant realignment in the distribution of geopolitical and geo economic influence A must read for scholars and academics seeking a profound understanding of this pivotal conflict and its far reaching implications *Ukraine, from Chernobyl' to Sovereignty* Roman Sol'chanyk,1992 A collection of interviews that reflects the changing face of the Ukraine the second largest Soviet republic The interviews demonstrate the transformation the Ukraine has gone through since the early stages of perestroika Publisher description *Competition and Intellectual Property Law in Ukraine* Heiko Richter,2023-01-22 This volume provides the most comprehensive contemporary academic writing on Ukrainian competition and intellectual property law in English Especially over the last few years these areas have been in considerable flux a main driver being the EU Ukraine Association Agreement The chapters cover a broad range of different topics and share a forward looking perspective They also outline the basic background that is necessary to understand the context of the issue discussed especially with regards to the legal system of Ukraine The publication is the result of a two year project and it is addressed to a wide range of international scholars practitioners and policy makers It aims to make the state of the art in Ukrainian legal scholarship visible and accessible to the international research community and to stimulate global debates in academia and politics Therefore it may be of interest and use to anyone who is interested in competition and intellectual property law and or in Ukraine **THE UKRAINE CEASEFIRE AGREEMENT AND HISTORY** Jagdish Krishanlal Arora,2025-03-23 Uncover the past present and future of war and peace in The Ukraine Ceasefire Agreement and History A gripping tale of conflict diplomacy and hope Grain Subsidies in Ukraine Kateryna Zelenska,2018-07-17 *Grain Subsidies in Ukraine* is the first attempt to examine

impact of international trade law on Ukrainian policies in the cereals sector The author focuses on instruments of state support for agricultural producers Those are examined in their compliance with Ukraine's WTO commitments The other central component of the book is the effect of the EU-Ukraine Association Agreement on the country's policy space The treaty contains legal approximation provisions which may have a far-reaching impact on Ukrainian agricultural regulation In this regard the agreement is compared to other free trade agreements signed by Ukraine Another focal point is the question to what extent Ukraine could make use of the EU agricultural aid practice Although certain EU experience is found to be useful the book generally advocates reducing distortive policies in Ukraine by substituting subsidies with market based instruments

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
