## **On The Easter Proclamation And Other Declarations:**

**On the Easter Proclamation and Other Declarations** Liam De Paor, 1997 Discusses the proclamation ready by Irish rebels in Dublin during the Easter Rising of 1916 Explains that P H Pearse probably wrote the main draft but that James Connolly and Thomas MacDonagh made significant contributions Compares it to the US Declaration of Independence but also points out that *Dublin Easter 1916 The French Connection* Bill Mc Cormack, 2012-09-28 All revolutionary movements since 1789 have looked instinctively to the French model In this book Bill Mc Cormack demonstrates that the French influence in Ireland was indeed profound especially in the years leading up to the Easter Rising However it was not the traditions of the Tennis Court Oath or Bastille Day that motivated the Irish rebels but a new French Catholic nationalism which reached its apogee with the Dreyfus Affair 1895 and which pervaded literature as well as politics This was a complex reactionary movement partly religious partly royalist and anti modern In Ireland its influence was advanced through the thought of individual visitors through Catholic teaching orders and through a vigorous periodical press The blood sacrifice rhetoric of Patrick Pearse and eventually James Connolly owes more to Maurice Barres than to Wolfe Tone Connolly's use of the sympathetic strike derives from Georges Sorel's syndicalism Mc Cormack examines how the formerly anti clerical Irish Republican Brotherhood was in effect re baptised by a French inspired Catholic mission which even absorbed Pearse's English and agnostic father He explores the wealth of French material published by Thomas MacDonagh and J M Plunkett in *The Irish Review* 1911 1914 and traces the long campaign of *The Catholic Bulletin* to convert the rebel dead into martyrs Finally he discusses how the anti democratic undertow of 1916 breaks out again in 1939 with the IRA's bombing campaign in England

*Constitutions* Judith Pryor, 2007-08-09 Bringing a postcolonial perspective to UK constitutional debates and including a detailed and comparative engagement with the constitutions of Britain's ex colonies this book is an original reflection upon the relationship between the written and the unwritten constitution Can a nation have an unwritten constitution While written constitutions both found and define modern nations Britain is commonly regarded as one of the very few exceptions to this rule Drawing on a range of theories concerning writing law and violence from Robert Cover to Jacques Derrida *Constitutions* makes a theoretical intervention into conventional constitutional analyses by problematizing the notion of a written constitution on which they are based Situated within the frame of the former British empire this book deconstructs the conventional opposition between the margins and the centre as well as between the written and unwritten by paying very close detailed attention to the constitutional texts under consideration Pryor argues that Britain's unwritten constitution and immemorial common law only take on meaning in a relation of difference with the written constitutions of its former colonies These texts in turn draw on this pre literate origin in order to legitimize themselves The unwritten constitution of Britain can therefore be located and dislocated in postcolonial written constitutions *Constitutions* is an excellent addition to the bookshelves of all students of the philosophy of law political theory constitutional and administrative

law and jurisprudence      **Irish Essays** Denis Donoghue, 2011-04-14 Denis Donoghue has been a key figure in Irish studies and an important public intellectual in Ireland the UK and US throughout his career These essays represent the best of his writing and operate in conversation with one another He probes the questions of Irish national and cultural identity that underlie the finest achievements of Irish writing in all genres Together the essays form an unusually lively and far reaching study of three crucial Irish writers Swift Yeats and Joyce together with other voices including Mangan Beckett Trevor McGahern and Doyle Donoghue's forceful arguments deep engagement with the critical tradition buoyant prose and extensive learning are all exemplified in this collection This book is essential reading for all those interested in Irish literature and culture and its far reaching effects on the world      **The Easter Rising** Michael T. Foy, Brian

Barton, 2011-10-21 On Easter Monday between 1 000 and 1 500 Irish Volunteers and members of the Irish Citizen Army seized the General Post Office and other key locations in Dublin The intention of their leaders including Patrick Pearse and James Connolly was to end British rule in Ireland and establish an independent thirty two county Irish republic For a week battle raged in the Irish capital until the Rising collapsed The rebel leaders were executed soon afterwards though in death their ideals quickly triumphed Illuminating every aspect of that fateful Easter week The Easter Rising is based on an impressive range of original sources It has been fully revised expanded and updated in the light of a wealth of new material and extensive use has been made of almost 2 000 witness statements that the Bureau of Military History in Dublin gathered from participants in the Rising The result is a vivid depiction of the personalities and actions not just of the leaders on both sides but the rank and file and civilians as well The book brings the reader closer to the events of 1916 than has previously been possible and provides an exceptional account of a city at war      **A Treatise on Northern Ireland, Volume I** Brendan

O'Leary, 2019-04-11 This brilliantly innovative synthesis of narrative and analysis illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State A Treatise on Northern Ireland Volume I provides a somber and compelling comparative audit of the scale of recent conflict in Northern Ireland and explains its historical origins Contrasting colonial and sectarianized accounts of modern Irish history Brendan O'Leary shows that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism The British state incorporated Ulster and Ireland into a deeply unequal Union after four reconquests over two centuries had successively defeated the Ulster Gaels the Catholic Confederates the Jacobites and the United Irishmen and their respective European allies Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end aside from a shrunk rump of British authority baptized as Northern Ireland Home rule would be granted to those who had claimed not to want it after

having been refused to those who had ardently sought it The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland In the long run the invention proved unfit for purpose Indispensable for explaining contemporary institutions and mentalities this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland

**The Resurrection of Ireland** Michael Laffan,1999-12-02 Between 1916 and 1923 Ireland experienced a political as well as a military revolution This book examines how after the Easter Rising of 1916 radical revolutionaries formed a precarious coalition with relatively moderate politicians and offers a sustained analysis of the political organisation of Irish republicanism during a crucial period The new Sinn Féin party routed its enemies co operated uneasily with the underground Irish government which it had helped to create and achieved most of its objectives before disintegrating in 1922 Its rapid collapse should not distract from its achievements in particular its role in democratising the Irish revolution Its successors have dominated the political life of independent Ireland The book studies in detail the party's membership and ideology and also its often tense relationship with the Irish Republican Army A final chapter examines the fluctuating careers of the later Sinn Féin parties throughout the rest of the twentieth century

**Reading the Contemporary Irish Novel 1987 - 2007** Liam Harte,2013-11-07 Reading the Contemporary Irish Novel 1987 2007 is the authoritative guide to some of the most inventive and challenging fiction to emerge from Ireland in the last 25 years Meticulously researched it presents detailed interpretations of novels by some of Ireland's most eminent writers This is the first text focused critical survey of the Irish novel from 1987 to 2007 providing detailed readings of 11 seminal Irish novels A timely and much needed text in a largely uncharted critical field Provides detailed interpretations of individual novels by some of the country's most critically celebrated writers including Sebastian Barry Roddy Doyle Anne Enright Patrick McCabe John McGahern Edna O'Brien and Colm Tóibín Investigates the ways in which Irish novels have sought to deal with and reflect a changing Ireland The fruit of many years reading teaching and research on the subject by a leading and highly respected academic in the field

**Teaching Representations of the First World War** Debra Rae Cohen,Douglas Higbee,2017-07-01 Offers pedagogical techniques for teaching First World War literature in the college classroom including considerations of gender queerness modernism pacifism imperialism code switching children's books graphic novels community based learning the Middle East South Asia and the influenza pandemic Contains information on reference works and online resources Gives syllabus suggestions for undergraduate and graduate courses

**Coastal Works** Nicholas Allen,Nick Groom,Jos Smith,2017-06-23 In all the complex cultural history of the islands of Britain and Ireland the idea of the coast as a significant representative space is critical For many important artists coastal space has figured as a site from which to braid ideas of empire nation region and archipelago They have been drawn to the coast as a zone of geographical

uncertainty in which the self definitions of the nation founder they have been drawn to it as a peripheral space of vestigial wildness of island retreats and experimental living as a network of diverse localities richly endowed with distinctive forms of cultural heritage and as a dynamically interconnected ecosystem which is at the same time the historic site of significant developments in fieldwork and natural science This collection situates these cultures of the Atlantic edge in a series of essays that create new contexts for coastal study in literary history and criticism The contributors frame their research in response to emerging conversations in archipelagic criticism the blue humanities and island studies the essays challenging the reader to reconsider ideas of margin periphery and exchange These twelve case studies establish the coast as a crucial location in the imaginative history of Britain Ireland and the north Atlantic edge Coastal Works will appeal to readers of literature and history with an interest in the sea the environment and the archipelago from the 18th century to the present Accessible innovative and provocative Coastal Works establishes the important role that the coast plays in our cultural imaginary and suggests a range of methodologies to represent relationships between land sea and cultural work

**A Treatise on Northern Ireland** Brendan O'Leary, 2019 The first volume of the definitive political history of Northern Ireland

**An Introduction to the Geopolitics of Conflict, Nationalism, and Reconciliation in Ireland** Kara E. Dempsey, 2022-07-29

This book examines ethnoterritorial conflict and reconciliation in Ireland from the 1916 Rising to Brexit 2021 including the production and consequences of the island's two distinct political units Highlighting key geographic themes of bordering unity division and national narratives it explores how geopolitical space has been employed over time to re define divided national allegiances throughout Ireland and within Irish British relations The analysis draws from in depth interviews and archival research and spans supranational state municipal neighborhood and individual scales The book pays particular attention to uneven power structures statecraft perceived truths lived experiences reconciliation efforts and renegotiations of national narratives in the production of symbolic landscapes divided cities and shared space An Introduction to the Geopolitics of Conflict Nationalism and Reconciliation in Ireland provides readers with an analysis of geopolitical power relations and different spatial productions of conflict and peacebuilding in Ireland Offering deeper understanding of these historic and contemporary geopolitical intersections this book makes a valuable contribution to the fields of Political Geography Border Studies Irish Studies European Studies International Relations Cultural Geography and Regional Studies

**Irish nationalism and European integration** Katy Hayward, 2013-07-19 How has it been possible for Irish political leaders to actively promote two of the largest challenges to Irish nation statehood the concession of sovereignty to the European Union and the retraction of the constitutional claim over Northern Ireland The author of this book argues that such discourses are integrally connected and what is more embody the enduring relevance of nationalism in modern Ireland As the most comprehensive study to date of official discourse in twentieth century Ireland this book traces the ways in which nationalism can be simultaneously redefined and revitalised through European integration The text begins with an overview

of the origins and development of Irish official nationalism It then analyses the redefinition of this nationalism in meeting the challenges to Irish nation statehood posed by the conflict in Northern Ireland and membership of the EU New interpretations of the symbolic and practical importance of the island of Ireland have been central to this process Indeed the genius of the Irish was to employ innovative EU inspired concepts in finding agreement with and within Northern Ireland on the one hand whilst on the other legitimising further European integration through the notion that it furthers traditional nationalist ideals such as Irish unity Thus Irish political leaders were remarkably successful in not only accommodating potent nationalist and pro European discourses but in making them appear complementary An over reliance on this discourse however plus a critical failure to adjust it to the conditions it helped to fashion contributed to the failure of the Yes campaigns in the Irish referendums on the EU Treaties of Nice and Lisbon The book concludes with an assessment of the reasons for these results and argues that the symbiotic relationship between Irish nationalism and European integration can be redeemed for a new era in EU member state relations This book will appeal to any reader with an interest in the changing dynamics of Ireland's relationship with the European Union and with Northern Ireland as well as scholars of discourses on identity territory and governance in Europe     Unhappy the Land Liam Kennedy,2015-10-26 In Unhappy the Land Liam Kennedy poses

fundamental questions about the social and political history of Ireland and challenges cherished notions of a uniquely painful past Images of tragedy and victimhood are deeply embedded in the national consciousness yet when the Irish experience is viewed in the larger European context a different perspective emerges The author's dissection of some pivotal episodes in Irish history serves to explode commonplace assumptions about oppression victimhood and a fate said to be comparable only to that of the Jews Was the catastrophe of the Great Famine really an Irish Holocaust Was the Ulster Covenant anything other than a battle cry for ethnic conflict Was the Proclamation of the Irish Republic a means of texting terror And who fears to speak of an Irish War of Independence shorn of its heroic pretensions Kennedy argues that the privileging of the gun the drum and the flag above social concerns and individual liberties gave rise to disastrous consequences for generations of Irish people Ireland might well be a land of heroes from C Chulainn to Michael Collins but it is also worth pondering Bertolt Brecht's warning Unhappy the land that is in need of heroes     **James Connolly, A Full Life** Donal Nevin,2005-08-30 Hasn't it

been a full life Lillie and isn't this a good end were James Connolly's last words to his wife in Dublin Castle in the early hours of 12 May 1916 just before his execution for his part in leading the Easter Rising James Connolly the son of Irish immigrants was born in Edinburgh The first fourteen years of his life were spent in Edinburgh and the next seven years in the King's Liverpool Regiment in Ireland In 1889 he returned to Edinburgh where he was a socialist activist and organiser for seven years In 1896 at the age of 28 he was invited to Dublin as socialist organiser founding the Irish Republican Socialist Party and editing *The Workers Republic* Connolly spent seven years in America between 1903 and 1910 returning to Ireland in 1910 as organiser of the Socialist Party of Ireland Connolly was appointed Ulster Organiser of the Irish Transport and

General Workers Union by James Larkin succeeding him as acting general secretary in October 1914 As Commander of the Irish Citizen Army Connolly joined with leaders of the Irish Republican Brotherhood in the Easter Rising in 1916 becoming Commandant General of the Dublin Division of the Army of the Republic and Vice President of the Provisional Government of the Irish Republic For their part in the Easter Rising Connolly and thirteen of his fellow revolutionaries were executed in Kilmainham Gaol by the British government Connolly the last to be executed was wounded in the Rising and had to be strapped to a chair to face the firing squad This biography deals with Connolly's activities as soldier agitator propagandist orator socialist organiser pamphleteer trade union leader insurgent and traces the evolution of his political thinking as social democrat revolutionist syndicalist revolutionary socialist insurrectionist It is based largely on Connolly's prolific writings in twenty seven journals in Scotland England Ireland France and America and some 200 letters which are particularly revealing of his relationships with colleagues James Connolly is the very best survey of Connolly's remarkable life and times James Connolly A Full Life Table of Contents Preface by Des Geraghty PART I Edinburgh 1868 1882 PART II Ireland 1882 1889 PART III Edinburgh 1889 1896 Social Democrat PART IV Dublin 1890 1903 Revolutionist PART V America 1903 1910 Syndicalist PART VI Writings PART VII Ireland 1910 1916 The Red and the Green Revolutionary Socialist Insurrectionist PART VIII Revolutionary Thinker APPENDICES

The Irish Revolution, 1916-1923 Marie Coleman, 2013-11-20 This concise study of Ireland's revolutionary years charts the demise of the home rule movement and the rise of militant nationalism that led eventually to the partition of Ireland and independence for southern Ireland The book provides a clear chronology of events but also adopts a thematic approach to ensure that the role of women and labour are examined in addition to the principal political and military developments during the period Incorporating the most recent literature on the period it provides a good introduction to some of the most controversial debates on the subject including the extent of sectarianism the nature of violence and the motivation of guerrilla fighters The supplementary documents have been chosen carefully to provide a wide ranging perspective of political views including those of constitutional nationalists republicans unionists the British government and the labour movement The Irish Revolution 1916 1923 is ideal for students and interested readers at all levels providing a diverse range of primary sources and the tools to unlock them

**Ireland and Britain, 1798-1922** Dennis Dworkin, 2012-03-01 The clash between Britain and Ireland and between Catholics and Protestants within Ireland is among the oldest and most enduring nationalist ethnic and religious conflicts in the modern world rooted in the colonization of Ireland by English and Scottish Protestants in the sixteenth and seventeenth centuries Through fifty six original sources many of which have never been reprinted this volume traces the origins and development of the conflict during the years of the legislative union between Britain and Ireland years shaped by the rise of and British and Irish Unionist responses to Irish nationalism Dworkin's Introduction provides both a history of the conflict and a discussion of its causes headnotes and footnotes set each selection in historical political and cultural context and identify those terms and names that may be

unfamiliar to modern readers A map a glossary a chronology of events and a select bibliography are included as are an index and several contemporary illustrations      **Newspapers and Newsmakers** Ann Andrews,2014 In an era of mass mobilisation the Great Famine and rebellion this book shows how the writers of the mid 19th century Dublin nationalist press were at the heart of Irish nationalist activities and evaluates the consequences for the development of Irish nationalism

GPO Staff in 1916 Stephen Ferguson,2012-04-20 The 1916 Rising has been studied from many different angles over the years but the unique perspective of GPO staff on the events of Easter Week has not previously been examined Post office records and photographs many previously unpublished reveal the importance of the role played by postal staff during that week and provide fascinating eye witness accounts of events as they unfolded across the city centre Here based on the official reports of various G P O staff is not merely an exciting account of Post Office people in turbulent times but also nuggets of new information that will be of interest to both historians and the many people for whom the drama of 1916 holds a special fascination      *Ireland's Exiled Children* Robert Schmuhl,2016-03-08 In their long struggle for independence from British rule Irish republicans had long looked west for help and with reason The Irish American population in the United States was larger than the population of Ireland itself and the bond between the two cultures was visceral Irish exiles living in America provided financial support and often much more than that but also the inspiration of example proof that a life independent of England was achievable Yet the moment of crisis terrible beauty as William Butler Yeats put it came in the armed insurrection during Easter week 1916 Ireland s exiled children in America were acknowledged in the Proclamation announcing the Provisional Government of the Irish Republic a document which circulated in Dublin on the first day of the Rising The United States was the only country singled out for offering Ireland help Yet the moment of the uprising was one of war in Europe and it was becoming clear that America would join in the alliance with France and Britain against Germany For many Irish Americans the choice of loyalty to American policy or the Home Rule cause was deeply divisive Based on original archival research Ireland s Exiled Children brings into bold relief four key figures in the Irish American connection at this fatal juncture the unrepentant Fenian radical John Devoy the driving force among the Irish exiles in America the American poet and journalist Joyce Kilmer whose writings on the Rising shaped public opinion and guided public sympathy President Woodrow Wilson descended from Ulster Protestants whose antipathy to Irish independence matched that to British imperialism and the only leader of the Rising not executed by the British possibly because of his having been born in America amon de Valera Each in his way contributed to America s support of and response to the Rising informing the larger narrative and broadly reflecting reactions to the event and its bitter aftermath Engaging and absorbing Schmuhl s book captures through these figures the complexities of American politics Irish Americanism and Anglo American relations in the war and post war period illuminating a key part of the story of the Rising and its hold on the imagination

## **On The Easter Proclamation And Other Declarations Introduction**

On The Easter Proclamation And Other Declarations Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. On The Easter Proclamation And Other Declarations Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. On The Easter Proclamation And Other Declarations : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for On The Easter Proclamation And Other Declarations : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks On The Easter Proclamation And Other Declarations Offers a diverse range of free eBooks across various genres. On The Easter Proclamation And Other Declarations Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. On The Easter Proclamation And Other Declarations Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific On The Easter Proclamation And Other Declarations, especially related to On The Easter Proclamation And Other Declarations, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to On The Easter Proclamation And Other Declarations, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some On The Easter Proclamation And Other Declarations books or magazines might include. Look for these in online stores or libraries. Remember that while On The Easter Proclamation And Other Declarations, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow On The Easter Proclamation And Other Declarations eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the On The Easter Proclamation And Other Declarations full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of On The Easter Proclamation And Other Declarations eBooks, including some popular titles.
