## **On The Pilgrims Way Conversations On Christian Discipleship:**

On the Pilgrims' Way J. Nelson Kraybill, 1999 A 12 day pilgrimage on an ancient footpath across England recorded in pictures and prose by J Nelson Kraybill is the setting for engaging conversations about Christian discipleship A dozen fellow pilgrims share insights on prayer peacemaking celebration community money doubt risk taking and other provocative topics of Christian faith Along the way Kraybill preached at an Anglican church shared a Pentecost feast with Franciscan brothers and stayed overnight at a Bruderhof community More than a travelogue this is a provocative handbook of issues every disciple of Jesus needs to consider *The Way Is Made by Walking* Arthur Paul Boers, 2025-09-23 The Word Guild Canadian Christian Writing Awards Finalist Pilgrimage is a spiritual discipline not many consider Aren't the destinations far Don't they involve a lot of time and walking Just a few years ago Arthur Paul Boers wasn't thinking about pilgrimage either But he began to sense a deep call from God to walk the five hundred mile pilgrimage route known as Camino de Santiago ending in Santiago de Compostela Spain at a cathedral that is said to hold the relics of the apostle James In these pages he opens to us his incredible story of renewed spirituality springing from an old old path walked by millions before him It's a story of learning to pray in new ways embracing simplicity forming community living each day centered and focused depending on God to provide Joined by hundreds of others from all over the world Boers points the way to deeper intimacy with God a way made by walking in faith *Wandering the Wilderness* Ray R. Friesen, 2020-03-16 Wandering the Wilderness is a guidebook for individuals who are unsure of their path or are questioning the trails they were taught in the past Author Ray Friesen is a former pastor and at the same time a life long believing skeptic He's an advocate for abundant living and the guideposts that mark it as outlined by Wholehearted Living researcher Dr Bren Brown The Gifts of Imperfection This informs Friesen's thoughtful submission for a renewed approach to finding meaning in a life informed by the Bible in a time when the relevance of those Ancient Writings is often thrown into question In Wandering the Wilderness Friesen has us stop listen and learn at thirteen trail posts along life's pilgrimage In addition to Brown he draws on the Ancient Writings Bible with the help of scholars like Walter Brueggemann Eugene Peterson and Peter Enns All of this is shaped in the context of his personal life experiences including his journey with cancer and chemotherapy The result is a book for all who are looking for a path in their own wilderness He invites the reader to understand that developing a Christian faith and spirituality can help reenergize a life at times burdened with difficulty or plagued with aimlessness even maybe especially in this post modern age Here is a thoughtful informed guide for wanderers weary from the journey and skeptics wondering where or if faith still matters Whether you read it alone or with fellow wanderers and or skeptics wishing to believe Wandering the Wilderness has the potential to transform your wandering **The Library Journal**, 1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Library Journal*, 1999-04 **The Dialectics of Discipleship** Chris Swann, 2023-08-24 Interrogating

Barth's discipleship shaped vision of sanctification this book investigates both Lutheran and Calvinian source material to develop an account that differs markedly from other Lutheran and Calvinist perspectives Highlighting the robustly theological and Christ centred character of Barth's account Chris Swann demonstrates that far from merely valorising human activity Barth advances an understanding of human moral agency action and suffering that is real but relative to the agency of God in Christ to which it corresponds analogously With a focus on the role the image of discipleship plays in giving conceptual structure and shape to Barth's distinctive account of the correspondence between divine agency and sanctified human agency this book evaluates the ramifications of his discipleship shaped vision of sanctification In doing this it gives special attention to Barth's own personal mixed record with regard to Christian discipleship Ultimately Swann retrieves a number of important resources for contemporary theological ethics from Barth's theology of discipleship

Jay Moon, 2017-12-05 This addition to an acclaimed series brings cutting edge research to bear on a topic of perennial interest making disciples The book looks at disciple making from multiple cultures to help readers discover contextual approaches that are culturally relevant and biblically faithful It emphasizes methods that are especially effective with contemporary converts and includes practical examples from around the world Each chapter includes sidebars discussion questions an activity for discipling and a case study An appendix contains further suggestions and exercises for instructors

**Pilgrim's Process** David R. Peel, 2021-08-31 This book traces the intellectual journey of a Christian minister and theologian Starting with his discovery of God through a love of the natural world David Peel's encounter with thinkers from his Reformed tradition and extensive ecumenical involvement takes him to a revisionary theology which meets his attempt to integrate a scientific background with the Christian faith Essays written during his career illustrate the path he has taken The topics covered include theological method the centrality of theology for the church's life and work a sacramental view of ministry the missional church biblical authority nonconformity's gifts to the contemporary church and theological education Peel's theological approach is as critical of inadequate theologies inherited from the past as it is determined to construct a Christian narrative which satisfies twin requirements first being congruent with the Jesus tradition and secondly convincing the minds reaching the hearts and driving the commitments of contemporary people Both ministers and church members are challenged to view their own theological journeys as God-given vocations

**Pilgrim - Leader's Guide** Sharon Ely Pearson, Stephen Cottrell, Steven Croft, Paula Gooder, Robert Atwell, 2016-03-01 Pilgrim is a teaching and discipleship resource that helps inquirers and new Christians explore what it means to travel through life with Christ A Christian course for the twenty first century Pilgrim offers an approach of participation not persuasion Following the practice of the ancient disciplines of biblical reflection and prayer with quotes from the Christian tradition throughout the ages Pilgrim assumes little or no knowledge of the Christian faith Individuals or

small groups on the journey of discipleship in the Episcopal tradition can use Pilgrim at any point There are many different aspects to helping people learn about the Christian faith We have taken as our starting point Jesus summary of the commandments We are called to offer our lives to God through loving God with all our mind soul strength and heart and to love our neighbor as ourselves Learning about Christian faith and growing in Christian faith is about more than what we believe It s also about the ways in which we pray and develop our relationship with God about the way we live our lives and about living in God s vision for the Church and for the world There are two stages of material in Pilgrim There are four short Pilgrim books each comprising a course of six sessions in the Follow stage designed for those who are enquirers and very new to the faith Then there are four short Pilgrim books again each comprising a six session course in the Grow stage designed for those who want to go further and learn more Pilgrim is made up of two parts each with four courses contained in four booklets Follow Do you turn to Christ Releasing in March 2016 1 Turning to Christ 2 The Lord s Prayer 3 The Commandments 4 The Beatitudes Grow Will you continue in the Apostles teaching and fellowship Releasing October 2016 5 The Creeds 6 The Eucharist 7 The Bible 8 Church Kingdom Each course offers six sessions that combine a simple prayer reflection on a biblical selection using lectio divina an article by a modern writer and reflection questions The short courses in the four Followstage books can be approached in any order Together we believe they offer a balanced introduction to the Christian life and journey Our hope and prayer is that Pilgrim will help to introduce people to the Christian Way and also equip them to live their whole lives as disciples of Jesus Christ It will help inquirers and those new to the Christian faith as well as those who are new to The Episcopal Church or Episcopalians who wish to refresh and renew their learning commitment to Christ The aim of the Grow stage is to help people to learn the essentials for a life of discipleship A disciple is to be called to live in a rhythm of being with Jesus in community and to be sent to live out the Christian faith in the whole of his or her life Disciples need the support of other Christians and to be part of a community We need opportunities to reflect and pray together and to explore the riches of our faith The Grow stage supports that process both for new Christians and for those who have been Christians for many years Some groups who use the Grow material will be moving on from the Follow stage of Pilgrim Some will be specially convened just for this stage Component descriptions Leader Guide The Pilgrim Leader Guide has lots of helpful material for those who are leading any Pilgrim group A single guide covers all eight booklets and gives an overview of the program as well as a process of how to lead a group of youth or adults in discussing the material This is an essential tool for anyone who wishes to offer any portion of Pilgrim in a small group whether in church school or home

Rethinking Christian Identity Medi Ann Volpe,2013-01-04 RETHINKING CHRISTIAN IDENTITY A brilliant compelling agenda setting book Volpe has written this thoughtful passionate informed critique that invites us all to think through precisely what is involved in being formed in the Christian tradition Ian Markham Virginia Theological Seminary A model for those of us who seek to combine the vocations of academic theology and pastoral ministry Rethinking Christian Identity offers a compelling vision of Christian formation Volpe deftly shapes her vision in conversation with contemporary theologians and voices from the history of the Church combining erudition with a passion for Christian discipleship Kathryn Greene McCreight St John s Episcopal Church Recent decades have seen major shifts in our understanding of Christian identity This timely book explores contemporary theological theory in asking what makes a Christian in the twenty first century what unites and sets Christians apart from other social or political groups and how is this identity forged and then passed on to others Volpe engages with these changing ideas through the work of Kathryn Tanner Rowan Williams and John Milbank whose accounts of Christianity challenge older views Drawing these theologians into conversation with Gregory of Nyssa she clearly and persuasively discusses the importance of doctrine in identity formation the unexplored ideas of the significance of sin on Christian identity and its effects and the need for an inclusive account of Christian identity As Christianity declines in parts of the Western world and yet expands in others the nature of Christian identity is more crucial and vexed than ever before This important book makes a valuable contribution to these ongoing debates A Guide for

Young Disciples of the Holy Saviour John Gregory Pike,1832 **The Message of Discipleship** Peter Morden,2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the

foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture **Pilgrim: Leader's Guide 1**

Steven Croft, Stephen Cottrell, Paula Gooder, Robert Atwell, 2013-10-01 Pilgrim is a major new teaching and discipleship resource from the Church of England It will help enquirers and new Christians explore what it means to travel through life with Jesus Christ A Christian course for the twenty first century Pilgrim offers an approach of participation not persuasion Enquirers are encouraged to practice the ancient disciplines of biblical reflection and prayer exploring key texts that have helped people since the earliest days of the Christian faith Believing that the Christian faith is primarily about relationship Pilgrim aims to lay a foundation for a lifetime of learning more about God s love revealed in Jesus Christ and what it means to be his disciple Assuming little or no knowledge of the Christian faith Pilgrim can be used at any point on the journey of discipleship and by every tradition in the Church of England Pilgrim is made up of two parts Follow and Grow Each consists of four short courses and a leaders guide Follow introduces the Christian faith for complete beginners while Grow aims to develop a deeper level of discipleship in those who have turned to Christ Each short course contains six sessions supported by online audio visual resources All sessions combine a simple framework prayer reflection on the Bible in the lectio divina style an article by a modern writer and time for questions and reflection The Leaders Guide explains the aims and approach of Pilgrim and offers advice and support for running the sessions **Conversations with St. Francis** Rev. James C.

Howell, 2008-05-01 If you were able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I d want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I m asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis s story is that all he did seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response *Preaching for Discipleship* Michael E. Connors, 2021-01-25 The homily is a primary way that pastors and deacons can communicate how the whole parish community forms the catechumens Many parishioners are not aware of their role in the Christian initiation process In Preaching Discipleship Preparing Homilies for Christian Initiation Michael E Connors CSC provides homilists and catechists with the tools to evangelize not only the catechumens present but also to capture the imagination of the parish community so that they too realize their own role in the Christian initiation process This resource will help the homilist Build

a homily Foster a deeper appreciation of the call to discipleship on the part of the assembly Instruct the assembly on their role in the Rite of Christian Initiation so that right from the outset the catechumens may feel that they belong to the people of God Bring the baptized and catechumens into a deeper personal relationship with the Lord Provide specific insights during the period of Mystagogy      **Christ the Rock; or, Aids to Young Disciples.
