## **On Whether Or Not To Believe In Your Mind:**

**On Whether Or Not to Believe in Your Mind** Norman Fischer, 1987 Poetry I have often experienced the fact that no matter how difficult or how wonderful things get there is always some expression that is made The world goes on carelessly unfolding For me this expression takes the temporary form I call writing and it seems to possess a redemptive quality a purifying property which brings me back cheers me up time after time One way or another there is nothing quite like it Nor is there anything else but it

Charles Junius Haslam, 1840 The Journey To An Undefeated Mind Yolanda Lear, 2020-11-29 The Journey To An Undefeated Mind is a book inspired by myself the author's personal battle against mental health It is about all the lessons and blessings I learnt along my journey I wanted to share this with others so that they can get through their own journey My book The Journey To An Undefeated Mind is all about the reader it is a direct conversation or speech from the author to the reader Guiding them through this journey advising them encouraging them speaking life into them when they feel low Something I didn't have around me as often as I would have liked it when I was going through my journey my battles against mental health I believe my book could be a big help to many people facing mental health whether you are facing it alone or not It's like having a pocket size friend travel along with you Ok maybe slightly bigger than pocket size But you get what I mean How often have you had to face something and you wished you had that extra bit of help guiding you through Enough support to help you on the right path But not too much so you can learn to do it yourself This is what my book is there for That extra bit of support That motivator friend that shows you your worth Shows you that you can and always could do it You just had to start believing in yourself This is what The Journey To An Undefeated Mind is there for To get you to start believing in yourself again To get you to understand that in life you are bound to fall bound to fail a couple times But you will only be defeated if you choose to stay down if you choose to stay defeated Having an Undefeated Mind means yes in life we may fail we may take some L's but we won't be defeated in life
