Marcia Lynn McClure,2011-08 Sharlamagne Dickens cherished her family was intrigued by the past adored antiques and enjoyed working at the antique store owned by her parents Her life like most had been touched by tragedy and loss yet she was happy Though her life was not void of romance it was void of a certain emotional passion Still she was young and assumed that one day some man might manage to sweep her off her feet Sharlamagne did not expect to be entirely bowled over however And the day she first set eyes on Maxim Tanner she was Elisaveta Tanner s grandson Maxim was the dreamiest most attractive archetypal male Sharlamagne and her sister Gwen had ever seen Tall dark and illegally handsome Maxim

Tanner possessed not only fabulous looks money and the sweetest grandmother in the world but also a fair amount of local fame He was gorgeous clever and pathetically out of reach for any average girl And so Sharlamagne went about her life happy and satisfied for she had no idea what sort of emotional intensity the right man could inflame in her She had no conception of how an age old mystery and one man could converge to unleash a passion so powerful that it would be either the greatest gift she had ever known or her final undoing     Purpose, Passion & Pursuit Peter E. Donaldson,2017-10-20 In his writing Purpose Passion Pursuit Peter E Donaldson intelligently and quite eloquently stirs the nest of complacency and challenges us to make the rest the best You are worth as much as you think you are worth So why devalue yourself In Chapter 5 Puzzle Pieces he explores the concept and understanding of purpose by examining three rudiments being Origin Process and Time In this section he brilliantly unfolds the truth that our purpose has everything to do with Gods divine plan and nothing to do with happenstance If youre like me then youre all about obtaining a better more fulfilled life If youre looking for the place where you really fit and can be your authentic you then read on Pastor Richard J Brown Kingsway Community Life Centre Peters sage words come to us out of the abundance of his lived experience with God Even more they come at a time when people the world over are searching in every corner for true meaning in life Chapter after chapter like a teacher who expounds knowledge he lays a new plank upon which the foundation of pursuing purpose is built In these pages his encounters with God unfold as they are seasoned with his unabashed belief in the Word of God which gives weight and authority to them What a captivating read Honestly where was this book with these transforming expressions when I was assessing the rudiments of my own destiny and just launching out into life Thats precisely the point Pursuing your best life doesnt begin today and end tomorrow its a lifetime experience that uncovers Gods supreme destiny for you If after reading this prophetic volume you are challenged to change the trajectory of your life then it was well worth the read If not I invite you to pick it up again and comb through these pages to fully grasp how it is certainly possible to passionately pursue your God ordained purpose As a result your life obviously will never be the same again Pastor John M Scott Director Youth Young Adult Ministries Ontario Conference of Seventh Day Adventists     **Literary Passion, Ideological Commitment** Dawn Duke,2008 This study examines Afro Cuban and Afro Brazilian women writers as well as analysing the roles of women of African descent in Cuban and Brazilian literature Initially literary imagination locked women into circumscribed roles a result of hierarchies embedded in slavery and colonialism and sustained by hierarchical theories on race and gender The discussion illustrates how these negative aspects have influenced the mainstream literary imagination that contrasts with the self portrayals created by women writers themselves Even as there continues to be disadvantageous constructions there is no doubt that a modification has occurred over time in images representation and articulation It is a change directly associated with the instances when women themselves are the writers The historiographic image of the Afro Cuban and Afro Brazilian woman as a written object is ideologically replaced by a vision of her as a writing subject It is here that the vision of a
