On The Custer Trail:

Following the Custer Trail of 1876 Laudie J. Chorne, 2001 *The Custer Trail* Frank L. Anders, 1983 **On the Custer Trail** Rod Timanus, 2001-01-01 Traveler's Guide to the Great Sioux War Paul L. Hedren, 1996 Waged over the glitter of Black Hills gold the Sioux War of 1876 transformed the entire northern plains from Indian and buffalo country to the domain of miners cattlemen and other Euro American settlers Keyed to official highway maps this richly illustrated guide leads the traveler to virtually every principal landmark associated with the war from Fort Phil Kearny where the Sioux besieged soldiers sent to guard the Bozeman Trail in the 1860s to Fort Buford the site of Sitting Bull's surrender in 1881

The Custer Trail from Fort Abraham Lincoln to Powder River Wallace Howard Scott, 1949 *The Black Hills Journals of Colonel Richard Irving Dodge* Richard Irving Dodge, 2018-01-05 Daily journals recount a scientific expedition's five month trek into the Black Hills of the Dakotas to determine if rumors of gold were true which the author describes as the most delightful summer of my life He describes the natural landscape and its wildlife eccentric characters and politics

Custer's Last Campaign John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren *Western Historical Quarterly* Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay *Journal of American History* Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little Bighorn Los Angeles Times Book Review Gray's analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene *New Mexico Historical Review* John S Gray was a distinguished historian whose books included the acclaimed Centennial Campaign The Sioux War of 1876 Custer's Last Campaign is the winner of the Western Writers of American Spur award and the Little Bighorn Associates John M Carroll Literary Award

The Great Sioux Campaign of 1876, Day-by-Day Frederic C. Wagner III, 2021-12-14 Drawing on more than 22 years research this book presents an exhaustive chronology of the Great Sioux Campaign in three parts the U S Seventh Cavalry's communications decisions and movements October 15 1875 June 21 1876 are traced day by day the three day prelude to the Battle of Little Bighorn hour by hour and the battle itself minute by minute The separate actions of the several military commands and the Indians involved are narrated in coherent sequence Archival intelligence summaries offer the reader fresh perspective on the events leading to the decisive Indian victory known as Custer's Last Stand *Custer, the Seventh Cavalry, and the Little Big Horn* Mike

O'Keefe,2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Perces in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts **Custer's Last Stand** Brian W. Dippie,1994-01-01 Defeat and death at the Little Bighorn gave General George Custer and his Seventh Cavalry a kind of immortality In Custer's Last Stand Brian W Dippie investigates the body of legend surrounding that battle on a bloody Sunday in 1876 His survey of the event in poems novels paintings movies jokes and other ephemera amounts to a unique reflection on the national character The Strategy of Defeat at the Little Big Horn Frederic C. Wagner III,2014-11-07 The battle that unfolded at the Little Big Horn River on June 25 1876 marked a watershed in the history of the Plains Indians While a stunning victory for the Sioux and Cheyenne peoples it initiated a new and vigorous effort by the U S government to rid the west of marauding tribes and to realize the ideal of Manifest Destiny While thousands of books and articles have covered different aspects of the battle few if any have analyzed the tactics and chronology to arrive at a satisfactory explanation of what befell George Armstrong Custer and the 209 men who died alongside him This volume seeks to explain the circumstances culminating in the near destruction of the 7th Cavalry Regiment by a close examination of timing setting every event to a specific moment based on accounts of the battle's participants **Scribner's Monthly, an Illustrated Magazine for the People** ,1892 **The Century Illustrated Monthly Magazine** Josiah Gilbert Holland,Richard Watson Gilder,1892 The Century ,1892 *Century Illustrated Monthly Magazine ...* ,1892 Exploring the Black Hills and Badlands Hiram Rogers,1999 The original edition of Exploring the Black Hills and Badlands provided the only detailed coverage of the 115 mile Centennial Trail and now the revised version includes all of the results of the major relocation project in the Northern Black Hills Also featured is the just completed 110 mile George S Mickelson rails to trails conversion and a section focusing on family hikes and other information useful to family groups **In Custer's Shadow** Ronald Hamilton Nichols,2000 During the Battle of the Little Big Horn five entire companies of the 7th Cavalry including their leader

George Armstrong Custer were lost For years the shadow of blame for the defeat has been cast upon Custer What role did his subordinates play in the battle Did they contribute to the Custer failure or was he the only one to blame In Custer s Shadow presents the complex life of Major Marcus Reno Custer s second in command Employing photographs and maps to help the reader visualize the text Ronald H Nichols unravels the controversy surrounding Reno s role in the battle and questions the scrutiny to which he was subjected in the years following *House documents* ,1878 **Deliverance from the Little Big Horn** Joan Nabseth Stevenson,2012-11-09 Of the three surgeons who accompanied Custer s Seventh Cavalry on June 25 1876 only the youngest twenty eight year old Henry Porter survived that day s ordeal riding through a gauntlet of Indian attackers and up the steep bluffs to Major Marcus Reno s hilltop position But the story of Dr Porter s wartime exploits goes far beyond the battle itself In this compelling narrative of military endurance and medical ingenuity Joan Nabseth Stevenson opens a new window on the Battle of the Little Big Horn by re creating the desperate struggle for survival during the fight and in its wake As Stevenson recounts in gripping detail Porter s life saving work on the battlefield began immediately as he assumed the care of nearly sixty soldiers and two Indian scouts attending to wounds and performing surgeries and amputations He evacuated the critically wounded soldiers on mules and hand litters embarking on a hazardous trek of fifteen miles that required two river crossings the scaling of a steep cliff and a treacherous descent into the safety of the steamboat Far West waiting at the mouth of the Little Big Horn River There began a harrowing 700 mile journey along the Yellowstone and Missouri Rivers to the post hospital at Fort Abraham Lincoln near Bismarck Dakota Territory With its new insights into the role and function of the army medical corps and the evolution of battlefield medicine this unusual book will take its place both as a contribution to the history of the Great Sioux War and alongside such vivid historical novels as Son of the Morning Star and Little Big Man It will also ensure that the selfless deeds of a lone contract surgeon unrecognized to this day by the U S government will never be forgotten Troopers with Custer E. A. Brininstool,J. W. Vaughn,2017-12-01 The stories contained herein are all of actual happenings and actual participants here are no fictitious names no colored circumstances They are part of the real history of the West and for that reason I am not ashamed to place this volume in the hands of any interested boy or girl youth or elderly person who may desire to know the truth about one of the leading Indian battles and other important frontier happenings pertaining thereto and the men who played leading parts therein Every character mentioned in each chapter was a living breathing person and every incident related in this book can be vouched for and verified From Troopers with Custer Although everyone in Custer s immediate command was killed during the fighting at the Battle of Little Big Horn on June 25 26 1876 others who participated in the battle survived Troopers with Custer tells their stories often in their own words
