## **On The Road To Emmaus:**

**Mission on the Road to Emmaus** Cathy Ross, Steve Bevens, 2015-01-31 Cathy Ross and Steve Bevens are two of the biggest names in the study of mission and missiology worldwide. Cathy is director of OxCEPT at Ripon College Cuddesdon and Steve Bevens is teaching missiology at the Catholic Theological Union in Chicago. The contributors in the book consider mission through the lens of prophetic dialogue. The book consciously tries to bring a fresh approach introducing some newer themes: identity, creation, migration, and bringing a different perspective on some older themes by grouping them in this way. It is theological rather than issues based and involves both older and newer contributors. The book is aimed at scholars and students of missiology in the UK, the US, and worldwide. It is also a contribution to the study of world Christianity and contextual theology. Contributors include Jonny Baker, Kirsteen Kim, Gavin d Costa, Emma Wild, Wood Robert Schreiter, and S Mark Heim.

**Gospel (On the Road To) Emmaus** Edward Joseph Clemmer, 2011-03-17 Born in Indiana, Dr Edward J Clemmer is a social psychologist by profession. He now lives with his Maltese wife Jane Zammit and enjoys dual citizenship with Malta. His four sons by a previous marriage continue to live in America. His personal journey with the Lord into this Gospel on the Road to Emmaus began in a moment of grace on 12th September 2003 as Ed was on his way to the priest. The context for this initiation was the Feast of Exultation of Holy Cross 14th September as the source of every grace is derived from the sacrifice of Jesus Christ on the cross. The gospel is explained for us as the author and reader journey with the Lord as potential disciples. Our journey begins at Bethany near the Jordan with John the Baptist preaching and baptizing. Part 1 continues up to the Transfiguration of Jesus. Volume One reaches its climax before the Lord's final journey to Jerusalem when Jesus returns to Bethany where the Baptist had preached. Volume Two resumes with the Lord's healing and preaching at Bethany near the Jordan. Part 2 concludes in Bethany near Jerusalem with the Lord's dinner celebration with Lazarus after Jesus had raised Lazarus from the dead. This celebration anticipates the Lord's death and resurrection and ours in Christ. Part 3 takes up the Grand Liturgy of the Lord's New Creation with Holy Week. The book initially concludes with a retrospective of the incarnation of Jesus as God with us and with the parallel coming of the Spirit at Pentecost. Then in the Part 4 conclusion of this gospel, our post Emmaus journey with the risen Lord returns to our post Pentecost life in the Holy Spirit. The authors' seven-year personal journey through this Gospel Emmaus ends in 2010 with the Feast of Sukkot just as when the Lord also had anticipated the Holy Spirit. But the Lord provides us with his own conclusion although he had healed ten lepers as they were on their way to the priest; only one had returned to give thanks.

**On the Road to Emmaus - What Jesus Taught** Doug Frazer, 2025-08-12 On the evening of the first Easter, two disciples walked the road to Emmaus with heavy hearts. Then Jesus

came alongside them Beginning with Moses the Prophets and the Psalms He opened the Scriptures to show that the Messiah must suffer die and rise again Their sorrow turned to joy and they said to one another Did not our hearts burn within us This book is an attempt to reconstruct what that extraordinary Bible study might have included Organized into four sections the Books of Moses the Psalms the Prophets and the Suffering Servant it traces the Old Testament promises that point to Christ With Scripture links devotional reflections discussion questions and prayers it offers a rich guide for personal study or group discussion Along the way you ll be invited to consider How the earliest promises in Scripture point directly to Christ s work Why the Psalms are central to understanding the Messiah How the prophets proclaimed both His suffering and His glory What it means to share the disciples joy and tell the story today Whether read alone or with others On the Road to Emmaus What Jesus Taught invites you to walk with Jesus through the Scriptures and to let your own heart burn within you

story of the Road to Emmaus would have been if Luke had itemized each and every prophecy about Jesus as well as how and when those prophecies were fulfilled Jesus wasn't the only one to utilize those Old Testament prophecies to advance the Gospel Shortly after his conversion Paul spoke of many prophecies concerning Jesus Likewise Philip explained the prophecies of Jesus to the Ethiopian Eunuch prior to the Eunuch asking to be baptized This book does not include each and every prophecy that Jesus spoke to those two travelers about but a significant sampling of those prophecies will be found on the following pages After digesting all of these Scriptures that foretold of Jesus and his sufferings we can get a much better understanding as to what the two travelers meant when they said Did not our heart burn within us while he talked with us by the way and while he opened to us the scriptures

Conversations on the Road to Emmaus: Jesus in the Old Testament Dr. John Mannion,2022-01-25 Conversations on the Road to Emmaus depicts an incredible journey Jesus walked and talked with two disciples on the Road to Emmaus after He was resurrected from the dead It is quite intriguing to propose what Jesus said about Himself on that incredible day while on that incredible journey It is not only intriguing but it is also something via interpretation of the Old Testament that is not simply a guess with respect to what was actually discussed Jesus is referencing the Old Testament The Word is explaining the Word Conversations on the Road to Emmaus is a novel method of writing combined with a bible commentary content of writing Thus this non fiction novel comes with conversation along with biblical interpretation explanation and referencing Herein lies the unique nature of this book It very much reads like a novel informal and engaging in that sense At the same time it fills the reader with the fruit of a detailed Bible commentary This unique non fiction novel then is both enjoyable and enlightening to read So let us walk together as we listen in on conversations on the road to Emmaus

The 7 Mile Walk Graham Lacey,2019-01-03 **Tales Told on the Road to Emmaus** John E Kerrigan,Landon McCord Moore, III,Sean D Sammon Fms,2021-09-21 Many people in the US today are searching for meaning longing for a spiritual home Unfortunately in ever increasing numbers they fail to find either in our churches In 1970 for example only one

in twenty Americans responded none when asked about their religious affiliation today that number is closer to one in three During the same period the percentage of Americans who stated that they never attend religious services has increased from nine to 30 percent Some blame secularization for the steady decline in Church affiliation others point to the rise of individualism Still others express frustration with the structure and politics of organized religion They judge it to be more concerned with money status and influence than with the gospel of Jesus Christ In recent years the terms the nones donees and seekers have been used to describe those who find themselves alienated from traditional faith communities Members of the first group have no religious affiliation those in the second once active in a Church report that their spiritual needs are no longer being met there those in the third group have not given up completely on organized religion What has been the reaction of many mainstream churches to this growing phenomenon Some have been at a loss as how to respond others have failed to understand the deep sense of alienation experienced by so many still others appear reluctant to take action to connect us all with the heartbeat and message of a God who loves us profoundly Rarely have the nones donees and seekers heard a church minister say I get it I see it I've been there We offer the reflections found in this book not only for those involved in Church life but also to help build a bridge between those alienated from organized religion and those of us involved in ministry within at least two of its denominations The book is made up of a series of reflections Many address challenges that are facing our world today greater self understanding trust love a generous outreach to others the need for prophetic leadership and greater care for the human community Painful topics are also considered racism exclusion poverty sexual violence the plague of COVID 19 as well as its devastating effects on the lives of so many The reflections in this book have their origin in sermons and homilies given as part of Church services on retreats and during the celebration of life events such as baptisms weddings the commemoration of those who have died The book's title has its origin in Luke's account of two disciples on the road to Emmaus Its details are familiar confused and demoralized Cleopas and a companion are walking on the way to Emmaus when a stranger joins them They are amazed that he appears ignorant of recent events in Jerusalem as well as the crucifixion of Jesus They share their hopes now dashed that he might have been the Promised One Slowly and steadily the stranger explains the scriptures to them shares the stories makes sense of the tales They press him to join them for dinner and to stay the night at an inn It is in the breaking of the bread during dinner that they come to realize just who he is It is the Lord We hope that this book will appeal to readers who long to deepen their experience of God as well as to those who continue to search for a spiritual home May it serve as a guide for us all as we seek to find the place of faith in our lives as well as for those of us who are eager to transform our religious institutions into the harbors of hope that they can and must be
