*On Tiptoe with Joy* John T. Seamands, 1967      Here's How Lee Brown, 2013-06 How many times have you been told you should do some particular thing in your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don't know what that looks like in a real and practical sense In this book you'll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you've been following Christ all your life or you're just taking your first steps Here's How will show you the path to true discipleship      *Christ-Centered Leadership* David L. McKenna, 2013-05-09 If a leader is a Christian what difference does it make Giant strides have been made in secular leadership theory toward a Christian viewpoint Priority is now given to character as well as competence accountability as well as power transformation as well as transaction and servanthood as well as success But these qualities apply to secular as well as to Christian leadership So the question remains What difference does it make David McKenna finds the answer in the Incarnation of Jesus Christ a divine act for him and a defining attitude for us Philippians 2:11-15 sets the standard and gives the details Your attitude should be the same as Jesus Christ means following his call to the cross where we die to self and sacrifice all self interest in position power and prestige in order to serve obediently faithfully and humbly for the good of others and the glory of God Christ centered leadership is not an extension of the highest and best of human leadership Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference In the most practical terms Incarnation continues in us when we live fully lead freely and go where he wants us to go      *Pause in Wonder* Deacon Eddie Ensley, Robert Herrmann, 2020-05-29 Do you want more joy in life Make room for a daily encounter with the Lord In *Pause in Wonder* Eddie Ensley recounts stories from his own spiritual journey as a Native American and a Catholic deacon to show how you can experience joy even in the most difficult circumstances Simple spiritually sound prayer practices based on scripture and tradition heighten your sense of wonder and bring you greater joy in everyday life Joy has its tendrils in God writes Deacon Eddie Ensley It draws on the infinity of his love Having joy is a matter of being in relationship with the wellspring of joy not due to our circumstances God is always available always ready to touch us The question becomes Are we willing to touch him Do we want to seek deep joy in our lives With compassion and wisdom Ensley draws from his Native American heritage and spiritual journey to the Church to explore joy's true meaning and how to find it and experience it in both happy and discouraging seasons of life Combining prayer exercises with his personal testimony Ensley and his ministry collaborator Deacon Robert Herrmann will help you appreciate in a new way the life changing power of the sacraments and other riches of the Church and to be more mindful of the invisible realities all around you Ensley and Herrmann offer step by step pointers to help you cultivate practical spiritual habits such as engaging
