## On Wings Of Dreams:

**On Wings of Dreams** Jan Johnson, 2012-05-15 Strong tradition and creativity flourish in the home of Emma Aileen Morgan a young woman with three sisters who all come of age in the turbulent 1960s When she moves away from home and becomes a professional dancer Emmas physical strength and external confidence thrust her forward But inside she is carrying emotional confusion rooted in childhood experiences she hasnt shared with her sisters An ill destined marriage betrayal and unexpected losses cause Emma to question why her life has brought her so much adversity The breaking down of her old life cuts a new path Answers come through inner guidance when she starts remembering and documenting her nightly dreams Emma chooses to step into an alternative relationship and further changes her life direction by leaving the dance world to study the healing arts Revelations and metaphysical experiences catapult her onto a conscious spiritual path that transforms the way she looks at the world Her self inquiry and change shake the foundations of her intimate partnership Jan Johnson sheds a light on the stories we tell the beliefs we cling to the power of dreams and the process of spiritual awakening In this account of her search for her own truth Johnson offers tools that have the potential to help readers find their own higher understanding
