Once More With Feeling Buffy The Vampire Slayer:

Once More with Feeling Joss Whedon, 2002 When the musical episode Once More With Feeling was screened for the first time on Sky One early in 2002 reaction from UK fans was instant and overwhelming A new contender for the best episode of Buffy absolutely superb and simply brilliant were typical fan reactions on the letters pages of magazines such as SFX and the official Buffy magazine The critics agreed destined to become a legendary episode said the Times a delight lovingly packed with old school Hollywood magic said the Sunday Times A triumph even by this series heights If you watch nothing else this week WATCH THIS said the Evening Standard Buffy creator Joss Whedon has surpassed himself with the musical masterpiece that is Once More With Feeling in which the residents of Sunnydale are visited by a demon who takes sadistic delight in forcing his victims to express themselves in song In the process Buffy and her friends are made to reveal inner secrets which would otherwise have remained unspoken leading to humour high drama and sometimes moments of poignancy and grief Not least of his achievements is that Whedon wrote both lyrics and music for the entire episode despite having never written songs before Now this facsimile edition of the original shooting script with the added bonus of sheet music and a colour photo insert from the show gives every Buffy fan the chance to appreciate this extraordinary creation in all its exuberant detail *"Once More, With Feeling"* Various, 2018-01-30 Giles to Buffy What did you sing about Buffy I uh don t remember But it seemed perfectly normal Xander But disturbing And not the natural order of things and do you think it ll happen again Cause I m for the natural order of things Since she s been brought back from the dead for the second time Buffy the Vampire Slayer hasn t quite been feeling her calling Sure she still gives the underworld a run for its money but her heart just isn t in the job Luckily she s been able to keep her lack of enthusiasm a somewhat secret Until now When someone accidentally summons a music making demon named Sweet Buffy finds herself belting out her most private emotions And she s not the only one before the battle is done each of the Scoobies will have uncovered through song and dance for better or for worse each others most guarded thoughts prompting the question where do we go from here Here in one volume find complete uncut dialogue song lyrics sheet music and a full color photo insert For the true fan a complete authorized guide to the smash hit musical episode **"Music, Sound, and Silence in Buffy the Vampire Slayer"** Janet K.

Halfyard, 2017-07-05 The intense and continuing popularity of the long running television show Buffy the Vampire Slayer 1997 2003 has long been matched by the range and depth of the academic critical response This volume the first devoted to the show s imaginative and widely varied use of music sound and silence helps to develop an increasingly important and inadequately covered area of research the many roles of music in contemporary television In addressing this significant gap this book provides an exemplary overview of the functions of music and sound in the interpretation of a television show This is done through analyses that focus on scoring and source music the title theme the music production process the critically acclaimed musical episode voted number 13 in Channel Four s One Hundred Greatest Musicals the symbolic and dramatic

use of silence and the popular reception of the show by its international fan base In keeping with contemporary trends in the study of popular musics a variety of critical approaches are taken from musicology cultural studies and media and communication studies specifically employing critique musical analysis industry studies and hermeneutics *Buffy the Vampire Slayer - Once More with Feeling (Songbook)* Hal Leonard Corp.,2008-06-01 Piano Vocal Guitar Songbook 19 piano vocal guitar selections from the soundtrack to the much buzzed about musical pastiche episode of Fox Network s Buffy the Vampire Slayer that aired in November of 2001 Features a plot synopsis full color photos and these songs Theme from Buffy the Vampire Slayer Coda Dawn s Ballet Dawn s Lament I ll Never Tell The Mustard Rest in Peace Something to Sing About more **Buffy, Ballads, and Bad Guys Who Sing** Kendra Preston Leonard,2010-11-16 When writer and director Joss Whedon created the character Buffy the Vampire Slayer he could hardly have expected the resulting academic interest in his work Yet almost six years after the end of Buffy on television Buffy studies and academic work on Whedon s expanding oeuvre continue to grow Now with three hugely popular television shows Buffy the Vampire Slayer Angel and Firefly and the film Serenity all available on DVD scholars are evaluating countless aspects of the Whedon universe or Whedonverse Buffy Ballads and Bad Guys Who Sing Music in the Worlds of Joss Whedon studies the significant role that music plays in these works from Buffy the Vampire Slayer to the internet musical Dr Horrible s Sing Along Blog Kendra Preston Leonard has collected a varying selection of essays that explore music and sound in Joss Whedon s works The essays investigate both diegetic and non diegetic music considering music from various sources including the shows original scores music performed by the characters themselves and music contributed by such artists as Michelle Branch The Sex Pistols and Sarah McLachlan as well as classical composers like Camille Saint Sa ns and Johannes Brahms The approaches incorporate historical and theoretical musicology feminist and queer musicology media studies cultural history and interdisciplinary readings The book also explores the compositions written by Whedon himself the theme music for Firefly and two fully integrated musicals the Buffy episode Once More With Feeling and Dr Horrible s Sing Along Blog With several musical examples a table with a full breakdown of the Danse Macabre scene from the acclaimed Buffy episode Hush and an index this volume will be fascinating to students and scholars of science fiction television film and popular culture *The Buffyverse Catalog* Don Macnaughtan,2015-08-21 This bibliographic guide covers the Buffyverse the fictional worlds of the acclaimed television series Buffy the Vampire Slayer 1997 2003 and its spinoff Angel 1999 2004 as well as the original Buffy feature film of 1992 It is the largest and most inclusive work of its kind The author organizes and describes both the original texts of the Buffyverse episodes DVDs novels comic books games and more and the secondary materials created about the shows including books essays articles documentaries dissertations fan production and websites This vast and diverse collection of information about these two seminal shows and their feature film forebear provides an accessible authoritative and comprehensive survey of the subject **Translation and Music** Sebnem Susam-Sarajeva,2016-04-08 Popular and

multimodal forms of cultural products are becoming increasingly visible within translation studies research Interest in translation and music however has so far been relatively limited mainly because translation of musical material has been considered somewhat outside the limits of translation studies as traditionally conceived Difficulties associated with issues such as the musicality of lyrics the fuzzy boundaries between translation adaptation and rewriting and the pervasiveness of covert or unacknowledged translations of musical elements in a variety of settings have generally limited the research in this area to overt and canonized translations such as those done for the opera Yet the intersection of translation and music can be a fascinating field to explore and one which can enrich our understanding of what translation is and how it relates to other forms of expression This special issue is an attempt to open up the field of translation and music to a wider audience within translation studies and to an extent within musicology and cultural studies The volume includes contributions from a wide range of musical genres and languages from those that investigate translation and code switching in North African rap and rai and the intertextual and intersemiotic translations revolving around Mahler's lieder in Chinese to the appropriation and after life of Kurdish folk songs in Turkish and the emergence of rock n roll in Russian Other papers examine the reception of Anglo American stage musicals and musical films in Italy and Spain the concept of singability with examples from Scandinavian languages and the French dubbing of musical episodes of TV series The volume also offers an annotated bibliography on opera translation and a general bibliography on translation and music *Once Bitten* Nikki

Like two wise and wise cracking older sisters I wish I d had this book 15 years ago Pandora Sykes Heartbreak grief falling in love falling out of love friendships disastrous sex anecdotes this book is filled with everything you don t want to ask your mum The duo behind the chart topping podcast Things You Can t Ask Yer Mum take a deep dive into the ups and downs of life Lizzy and Lindsey share the twists and turns of their own experiences in their usual hilariously honest style offering reassurance on all the questions you just might be too afraid to ask The book embodies what Lindsey and Lizzy have had through their friendship the ability to honestly pass on their own experiences in life in order to help the other With never heard before anecdotes and bite sized chunks of content to return to this valuable book will be a friend to you one that shares reassuring stories of losing virginity using a blueberry flavoured condom losing friends and losing inhibitions It is a book for anyone at any stage of life **Broadway's Most Wanted** Tom Shea,2004-09-30 There is no business like show business

Nerd Ecology: Defending the Earth with Unpopular Culture Anthony Lioi,2016-10-20 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Drawing on a wide range of examples from literature comics film television and digital media Nerd Ecology is the first substantial

ecocritical study of nerd culture's engagement with environmental issues Exploring such works as Star Trek Tolkien's Lord of the Rings The Matrix Joss Whedon's Buffy the Vampire Slayer and Firefly the fiction of Thomas Pynchon The Hunger Games and superhero comics such as Green Lantern and X Men Anthony Lioi maps out the development of nerd culture and its intersections with the most fundamental ecocritical themes In this way Lioi finds in the narratives of unpopular culture narratives in which marginalised individuals and communities unite to save the planet the building blocks of a new environmental politics in tune with the concerns of contemporary ecocritical theory and practice *Grimm's Trailer Full of Secrets* Rhonda V. Wilcox, 2022-01-24 NBC's Grimm is an understudied series full of compelling characters including Monroe the charmingly knowledgeable vegetarian who looks like a werewolf Wu the funny cop who beats his way to the truth Adalind the enjoyably vengeful risk taking witch Trubel the furious young loner accused of insanity Kelly a powerful older warrior woman Nick a compassionate detective Hank Juliette Rosalee and others This book which includes a chapter on each key figure explores the fascinating world of characterization in television The storyline as well as the dialogue acting costumes scenery lighting and music contribute to in depth depictions that evolve over time Grimm's figures confound our perceptions of race age and gender They demonstrate the ability of TV characters to build unforgettable meaningful connections **The Routledge Companion to the Contemporary Musical** Jessica Sternfeld, Elizabeth L. Wollman, 2019-08-16 The Routledge Companion to the Contemporary Musical is dedicated to the musical's evolving relationship to American culture in the late twentieth and early twenty first centuries In the past decade and a half international scholars from an ever widening number of disciplines and specializations have been actively contributing to the interdisciplinary field of musical theater studies Musicals have served not only to mirror the sociopolitical economic and cultural tenor of the times but have helped shape and influence it in America and across the globe a genre that may seem at first glance light hearted and escapist serves also as a bold commentary on society Forty four essays examine the contemporary musical as an ever shifting product of an ever changing culture This volume sheds new light on the American musical as a thriving contemporary performing arts genre one that could have died out in the post Tin Pan Alley era but instead has managed to remain culturally viable and influential in part by newly embracing a series of complex contradictions At present the American musical is a live localized old fashioned genre that has simultaneously developed into an increasingly globalized tech savvy intensely mediated mass entertainment form Similarly as it has become increasingly international in its scope and appeal the stage musical has also become more firmly rooted to Broadway the idea if not the place and thus branded as a quintessentially American entertainment

Slaying Is Hell Alyson R. Buckman, Juliette C. Kitchens, Katherine A. Troyer, 2022-12-12 The films television shows and graphic novel series that comprise the Whedonverse continually show that there is a high price to be paid for love rebellion heroism anger death betrayal friendship and saving the world This collection of essays reveals the ways in which the Whedonverse treats the trauma of ordinary life with similar gravitas as trauma created by the supernatural illustrating how

memories are lost transformed utilized celebrated revered questioned feared and rebuffed within the storyworlds created by Joss Whedon and his collaborators Through a variety of approaches and examinations the essays in this book seek to understand how the themes of trauma memory and identity enrich one another in the Whedonverse and beyond As the authors present different arguments and focus on various texts the essays work to build a mosaic of the trauma found in beloved works like Buffy the Vampire Slayer Angel Dollhouse and more The book concludes with a meta analysis that explores the allegations of various traumas made against Joss Whedon himself

The Oxford Handbook of Film Music Studies David Neumeyer, 2014 The Oxford Handbook of Film Music Studies gathers two dozen original essays that chart the history and current state of interdisciplinary scholarship on music in audiovisual media focusing on four areas history genre and medium analysis and criticism and interpretation
