Once When We Were Young:

One Day When We Were Young Nick Payne, 2011-10-20 I am scared that once this war is over and I am sent home that you won't be here That you will have left Leonard and Violet young restless and in love spend their first night together knowing it may also be their last It's 1942 and in a hotel room in Bath they dream of their future while preparing for Leonard's departure to the war But the bombs begin to fall and their world will never be the same again In the year 2002 the couple look back at what might have been Examining the impact of the Second World War on two ordinary lives and a love that spans more than sixty years Nick Payne's *One Day When We Were Young* premiered at the Crucible Studio Sheffield in

October 2011 in a Paines Plough production *When We Were Young* George Kilbourne, 2011-05-19 **When We Were Young** Richard Roper, 2021-07-20 From the author of *Something to Live For* a nostalgic heart warming story of two long lost friends who embark on a 184 mile walk of the Thames Path in order to find their way back to the truth and to their friendship How do you move forward when all you want to do is go back Joel and Theo haven't spoken since the summer they turned sixteen but that's about to change From the outside Joel looks like the picture of success a TV scriptwriter with a smash hit who's still together and in love with his teenage sweetheart Amber But he's falling apart at the seams He's headed home to reconnect with best friend Theo to get back to the start of it all Theo has been living in his parents' shed nursing a broken heart and a wounded ego convinced life can't get any worse Then he gets evicted on his 30th birthday He thinks he's done with the real world until it shows up on his doorstep One of them is keeping a secret and the other is living a lie But can the promise they once made to walk all 184 miles of the Thames Path help them find their way back to the truth and to their friendship **We Heard It When We Were Young** Chuy Renteria, 2021-11 We Heard It When We Were Young tells the

story of a young boy first generation Mexican American who is torn between cultures between immigrant parents trying to acclimate to midwestern life and a town that is by turns supportive and disturbingly antagonistic **When We Were Young** Karen Kingsbury, 2019-07-09 From 1 New York Times bestselling author Karen Kingsbury comes a classic story about second chances featuring the beloved Baxter family and a young father who finds his whole world turned upside down on the eve of his divorce What if you could see into the future and know what will happen tomorrow if you really walk out that door today Pay attention Life is not a dress rehearsal From their first meeting to their stunning engagement and lavish wedding to their happily ever after Noah and Emily Carter seemed meant to be They have a special kind of love and they want the world to know More than a million adoring fans have followed their lives on Instagram since the day Noah publicly proposed to Emily But behind the carefully staged photos and encouraging posts their life is anything but a fairytale and Noah's obsession with social media has ruined everything Distraught Emily reaches out to her friend Kari Baxter Taylor and tells her the truth Noah and Emily have decided to call it quits He is leaving in the morning But when Noah wakes the next day everything is different Emily is gone and the kids are years older Like Scrooge in *A Christmas Carol* bizarre and strange events continue throughout

the night so that Noah is certain he's twenty years older and he is desperate for a second chance. Now it would take a miracle to return to yesterday. *When We Were Young* is a rare and beautiful love story that takes place in a single day. It's about knowing what tomorrow will bring if you really walk out that door today and the gift of being able to choose differently.

When We Were Young Jason Jepson, 2008-10 *When We Were Young* is an intense and often humorous fictional narrative following the life of Jonah, a young man from a small town in Virginia who experiences his first taste of freedom in the real world. Told in a first person narrative, the reader is allowed access to all of Jonah's thoughts and feelings. The work begins with Jonah in high school shortly after the Columbine massacre. Because of the way he looks, shaved head, nontraditional type clothing, Jonah is worried about being labeled as a troublemaker and being suspended from school. After the massacre, Jonah somehow feels more comfortable because in this tense environment everyone is suddenly being listened to, even those who look or act differently. Although the book opens when the main character is in his last year of high school, he is just beginning to find himself. Similar to Kerouac's *On The Road*, the reader follows the character through high school graduation, a trip to New York City, the summer between high school and college, and into the first semester of college and beyond. Jonah and the reader, as well, experience love and loss, long drunken nights, success and failure. When Jonah's friends move on to college, marriage, kids, etc., the reader wonders if Jonah ever will. *When We Were Young* effectively captures the emotions of a character who feels stifled by his surroundings in a small, conservative southern town. *When We Were Young* takes the reader on a journey unique to Jonah but a rite experienced by all generations. Jason Jepson was born in Charleston, West Virginia, in 1980. He moved to Roanoke, Virginia, where he spent most of his growing up years in a "Leave it to Beaver" home, two parents, and one annoying but loyal older brother. After high school, Jepson attended college before joining the United States Army. He was trained at Fort Knox as a cavalry scout, 19 Delta. He received an honorable discharge from the military in 2004. Jepson has always enjoyed writing and has kept a journal going since the seventh grade. These journals have been the inspiration for much of his writing. Jepson also enjoys writing poetry and short stories. A couple of his poems have been published in literary magazines. His poem entitled "Nephew" was written about his nephew Reid. Jepson currently lives in Richmond, Virginia, with his cat Malcolm. Cat named after Malcolm X. Most of the events in *When We Were Young* are fictionalized experiences from the author's life.

When We Were Young in the West Richard Melzer, 2003 Presents biographical sketches of New Mexican children from different cultures, races, and classes who represent the strength and diversity of this state's heritage. When We Were Young Antony Smith, 2012-03 Spanning four generations and an infinite range of human emotions, *When We Were Young* is the story of the Mitchell family beginning in England at the outbreak of World War II and chronicling the triumphs and tragedies of those tumultuous times. Most of all, it is the story of Jim Mitchell, a young, ambitious English boy hardened by his wartime experience. Eager to grasp life's opportunities, he embarks on an adventure peopled by a rich cast of characters he meets along the way. The raven-haired, charismatic Maggie Bernadette O'Toole, rebellious daughter of his father's sister,

and her Irish immigrant husband James Thompson marine engineer extraordinaire friend world traveler and mentor Nikolai Concalves Cavalantis an older Brazilian playboy who was heir to one of the world's leading hotel corporations and his young olive skinned wife the beautiful Maria Lydia Louise Henning a brilliant academic who served in the SAS during World War II and was captured by the German Gestapo and brutally tortured leaving her with a fear of men Jim Mitchell his grandfather a farmer lay preacher and mentor in his formative years
