s Hospital the focus of the preceding book Mrs Eleanor Bold is the daughter of Mr Harding the prior Warden She has recently been widowed The wealth she inherited from her late husband makes her an attractive match and her affections are in contention from several prospective suitors including the oily Mr Slope All of this lends itself to considerable humor and interest Though not well received by critics on its initial publication Barchester Towers is now regarded as one of Trollope s most popular novels Together with The Warden it was made into a very successful television series by the BBC in 1982 This book is part of the Standard Ebooks project which produces free public domain ebooks [Fire & Blood](#) George R.
