Open Every Door:

Invitality Adam Hirschy, 2014-06-12 Invitality is a modern lifestyle of evangelism that works without killing relationships. It is the key to the local church reaching its God-given potential in the earth today. This book is more than theory; it is a tool to create culture individually and within church communities. The results are proven. Check out the results in one local church in two years: 200 percent growth in documented salvations, 75 percent growth in the local church. As a people-centered strategist, Pastor Adam Hirschy believes it's time to get innovative and purposeful about the Great Commission that Jesus gave the church. Believers must stick with the Word of God but embrace contemporary means to reach people for Jesus. The local church, each member and all together, is the key to reaching people with the message of the gospel. His teachings help people embrace a lifestyle of Christianity that really works to draw others to God's goodness. It's not enough to go fishing when the church is called to be catching men and women.

Where's God? Greg McCollam, 2013-03-22 You want to move closer to God but you are intimidated by the bigness of the journey. You think it takes a big commitment, a big Bible, a big church, and big religious words. So either you don't take the first step at all or you get stuck somewhere and never move forward. This book is for you. Each story offers inspiration to help you move closer to God through the small stuff in life: a cup of coffee, a grocery list, or fast food French fries. You may never look at a roller coaster the same way again. These real-life glimpses of God will surprise you with their simplicity and amaze you with their message. [Zelda Popkin](#) Jeremy D.

Popkin, 2023-02-01 Zelda Popkin's adventurous life could have made her the protagonist of one of her own novels. In his brilliant telling of the story of her life, her historian grandson, Jeremy D. Popkin, has made a singular contribution to the history of American Jewish women in the twentieth century. From the 1920s when she worked in the highly competitive and male-dominated public relations business to her rise as a million-selling author of popular fiction beginning in the 1940s, including some of the earliest fiction on the Holocaust and the state of Israel, Zelda's life and work documented the rise of American Jewish women. Popkin uses Zelda's experience to bring to life a larger story of American Jews and American women in the twentieth century with the vividness that comes from having a lively character at its center. At the same time, this will also be a story about a woman whose powerful personality profoundly influenced several generations of a family. Popkin makes the case that even if she sometimes burnished her stories to create what he calls legends of Zelda, she was one of the most articulate female members of the generation of Jews who fought their way into the American middle class during the decades of the 1920s and 1930s. Zelda's life is a rich source of evidence about the experience of American Jewish women and offers perspectives that are frequently at odds with analyses based on men's lives. The story of Zelda, her generation, and its rich and significant legacy will create a compelling portrait and detailed tapestry of an iconic woman and her time. **Open the**

Exploring Heavenly Places - Volume 5 - The Power of God, on Earth as it is in Heaven Paul Cox, Barbara Parker, 2017-09-02 The Exploring Heavenly Places series thus far has spoken of experiences occurring through discernment in dimensions existing beyond our normal everyday perception in seemingly far away places However both the dimensional heavenly places and the Power of God are also very close at hand We frequently consider the Lord s Prayer but how often do we stop and consider the magnitude of the fact that His kingdom is already here and dwells within us It s so easy to simply assume that on earth as it is in heaven is future tense for we know it will become evident in the millennial kingdom when Jesus literally returns to rule and reign from His throne in Jerusalem We must change our focus so that we do not miss the current reality of The Power of God on Earth as it is in Heaven
